SCOUT UNIFORMS
AND EQUIPMENT**

FREE!

WHEN YOU DRINK Cocomalt

R. B. DAVIS CO., HOBOKEN, N. J.

Attention, Scouts!

Just glance through the hundreds of items in this book! How many of them have you been wanting, but have been unable to buy as soon as you would like?

Here's your big chance, whether you're a Cub, or working for your Eagle Badge! *Free* uniforms . . . *free* equipment . . . *free* trips to camp . . . *free* supplies for your Troop with this simple COCOMALT plan!

For the makers of COCOMALT are cooperating with the National Office of the Boy Scouts of America in New York City to make these things yours. All you do is cut out and save the thin aluminum seal which is under the lid of every can of COCOMALT. These can be exchanged for equipment.

This book is the *key* to your Official Equipment Catalogue issued by the National Supply Service of the B. S. A. —a page by page index, telling you how many units you need for each item listed in your Official Equipment Catalogue. When you have the number you need for any article, send the seals, with the name of your Scoutmaster and Troop number, to the R. B. Davis Company, Hoboken, N. J. Your order will immediately be placed with the Scout Office which will fill it and send it to you *prepaid*!

Sounds easy, doesn't it? *It is!*

Cocomalt

WHAT IT IS WHAT IT DOES

If your mother has never bought or used COCOMALT . . . here are some of the facts you can tell her about it.

COCOMALT is a delicious food drink, good in either hot or cold milk. It contains valuable elements which help you build sound muscles and a strong body.

In it you'll find Vitamins A, B₁ and D—as well as calcium and phosphorus which Vitamin D uses to help build sturdy bones and sound teeth. It also contains iron, which is so beneficial to the blood.

COCOMALT gives you *energy*, too, and you *need* energy to become a leader. So tell *your* mother COCOMALT is swell for you and that you'd like to have it to drink regularly.

HOW TO USE THIS KEY TO

1. Pry off lid from a new can of COCOMALT

2. Under the lid you will find a thin aluminum seal

3. Cut out this entire seal with a knife

TABLE OF SEAL VALUES

Seal from ½ lb. can of COCOMALT	1 unit
Seal from 1 lb. can of COCOMALT	2 units
Seal from 5 lb. can of COCOMALT	8 units

These are the seals which are found in the top of each can of COCOMALT. Tell your friends and relatives to save all sizes for you.

[4] This offer is void and of no value in any state or municipality in which its use is prohibited, taxed, or otherwise restricted.

YOUR EQUIPMENT CATALOGUE

1. When you have enough seals to get the items you want, use one of the order blanks found on pages 43 to 48.
2. Fill out the order blank, and send it with the seals to R. B. Davis Company, Hoboken, N. J., Dept. BS.
3. To be sure you get your equipment promptly, fill in all necessary information, including the name of your Scoutmaster and your Troop number. Only registered Scouts are allowed to wear the Official Uniform and Insignia.
4. If the article you want comes in more than one size, be sure to state the size you want.

HOW TO ORDER UNIFORMS

The correct method in ordering uniforms is to give the exact measurements as specified in the following list.

For coats—chest size and height

For breeches or trousers—waist size;
inseam from crotch to desired length

For shirts—collar size and height

For shorts—waist size and height

5. Print your name and address plainly.
6. Please note that you can get some of the more expensive items by a combination of cash and seals. Do not send coins by mail—use money orders.

[5]

GO TO YOUR SCOUT CAMP **FREE**

ON **Cocomalt's**

"SAVE A STAMP FOR CAMP" PLAN!

Here's how it works! Save the thin aluminum seals you find under the lid of every can of COCOMALT. When you have 20 units (see table of seal values, page 4), send them to the R. B. DAVIS COMPANY, Hoboken, N. J. In exchange you will receive a stamp worth 50c which you should paste in one of the squares on the next two pages.

What These Stamps Are Good For

You can use these stamps to pay your registration fee with the Boy Scouts.

You can use them to pay for a subscription to Boys' Life.

Or you can redeem them for face value in cash—to go to Boy Scout Camps . . . whether the pages are full—or you have only 50c. or a dollar's worth!

How to Redeem These Stamps

Either take them to your Local Scout Office . . . or ask your Scoutmaster to do so. You will receive a receipt for the full amount you have saved, which will apply toward your camp fees . . . pay your Scout membership dues . . . or get you a subscription to Boys' Life.

NOTE . . . Time limits are clearly printed on each stamp. Stamps are not redeemable *after* the last date specified!

Place 50c stamps in these squares
Use stamps to pay your way to Camp
Subscribe to Boys' Life with 3 stamps
1 stamp pays your yearly Scout Registration
Drink COCOMALT hot or cold
Drink 3 glasses of COCOMALT a day
COCOMALT contains Vitamins A, B₁ and D
Also, calcium, phosphorus and iron

Place 50c stamps in these squares
Use stamps to pay your way to Camp
