Independent Order of Odd Fellows, Hoboken, [Questions]

membership application records, 1888-1910

Unpaginated, page number is in brackets: pages [1]-[196]. Two printed forms per page with holographic signatures and entries.

Address given is in Hoboken (sometimes found as "City") unless stated otherwise. If a Hoboken street address before 1892, they are old numbers. Street numbering changed; Meadow became Park Avenue.

Note also that the entries were often made by the Odd Fellows officer and signed by the prospective member; variances in the name found for question 1 and the actual signature of the candidate at the bottom is not uncommon so both have been transcribed.

Independent Order of Odd Fellows, Hoboken, [Questions]

membership application records, _____

Unpaginated, page number is in brackets: pages [1]-[_____]. Two printed forms per page with holographic signatures and entries.

Address given is in Hoboken (sometimes found as "City") unless stated otherwise. If a Hoboken street address before 1892, they are old numbers. Street numbering changed; Meadow became Park Avenue.

Note also that the entries were often made by the Odd Fellows officer and signed by the prospective member; variances in the name found for question 1 and the actual signature of the candidate at the bottom is not uncommon so both have been transcribed.

====

1. What is your name?

2. Where do you reside? Union Hill

3. What is your occupation?

5. Do you hold Membership in any other Order of Odd Fellows; or are you suspended or expelled from any Lodge of this Order? No

6. Are you, so far as you know, in sound health? I am

7. Do you believe in the existence of a Supreme Intelligent Being, the Creator and Preserver of the Universe? I do

8. Have you made application for membership in any Lodge under this jurisdiction and been rejected therein within the last six months?

9. Are you willing to subscribe to the truth of the answers you have now made?

Independent Order of Odd Fellows, Hoboken, [Questions]

membership application records, _____

Unpaginated, page number is in brackets: pages [1]-[_____]. Two printed forms per page with holographic signatures and entries.

Address given is in Hoboken (sometimes found as "City") unless stated otherwise. If a Hoboken street address before 1892, they are old numbers. Street numbering changed; Meadow became Park Avenue.

Note also that the entries were often made by the Odd Fellows officer and signed by the prospective member; variances in the name found for question 1 and the actual signature of the candidate at the bottom is not uncommon so both have been transcribed.

====

1. What is your name?

2. Where do you reside? Union Hill

3. What is your occupation?

4. How old are you?

5. Do you hold Membership in any other Order of Odd Fellows; or are you suspended or expelled from any Lodge of this Order? No

6. Are you, so far as you know, in sound health? I am

7. Do you believe in the existence of a Supreme Intelligent Being, the Creator and Preserver of the Universe? I do

8. Have you made application for membership in any Lodge under this jurisdiction and been rejected therein within the last six months?

9. Are you willing to subscribe to the truth of the answers you have now made?

Independent Order of Odd Fellows, Hoboken, [Questions]

membership application records, _____

Unpaginated, page number is in brackets: pages [1]-[_____]. Two printed forms per page with holographic signatures and entries.

Address given is in Hoboken (sometimes found as "City") unless stated otherwise. If a Hoboken street address before 1892, they are old numbers. Street numbering changed; Meadow became Park Avenue.

Note also that the entries were often made by the Odd Fellows officer and signed by the prospective member; variances in the name found for question 1 and the actual signature of the candidate at the bottom is not uncommon so both have been transcribed.

====

1. What is your name?

2. Where do you reside? Union Hill

3. What is your occupation?

4. How old are you?

5. Do you hold Membership in any other Order of Odd Fellows; or are you suspended or expelled from any Lodge of this Order? No

6. Are you, so far as you know, in sound health? I am

7. Do you believe in the existence of a Supreme Intelligent Being, the Creator and Preserver of the Universe? I do

8. Have you made application for membership in any Lodge under this jurisdiction and been rejected therein within the last six months?

9. Are you willing to subscribe to the truth of the answers you have now made?
