Carlo's City Hall Bake Shop

Carlo's is a family owned bakery that produces what many say are the best tasting, highest quality wedding cakes, specialty cakes and baked goods in New Jersey. Carlo's, originally opened by Carlo Guastaffero in 1910, was acquired by Bartolo Valastro Sr. in 1964. Since the untimely passing of Bartolo Sr. in 1994, matriarch Mary Valastro, along with her daughters, Grace, Maddalena, Mary, and Lisa, her son, master baker Bartolo Jr. "Buddy" Valastro, and their spouses have maintained the business. The Valastro's and their experienced bakers and staff have expanded Bartolo Sr's dream and have seen it flourish. The bakery is located in the heart of Hoboken, New Jersey. [Click here for directions](#) Hoboken is best known for being the birthplace of Frank Sinatra and baseball. It is also admired for its charm and proximity to Manhattan. Within this North Jersey, square mile town, Carlo's has become a landmark establishment providing it's customers with elegant wedding cakes, buttery crumb cakes, freshly filled cannolis, flakey lobster tails, and a large variety of cookies and pastries whose taste can not be surpassed.

Because of the Valastro family's dedication to quality and excellence, Carlo's has received national recognition. Master Baker Bartolo Jr. "Buddy" has been featured in numerous publications, such as, *Modern Bride*, and *The Knot*. Buddy's cake design was voted by the Today's Show viewers as best cake in America. He has also appeared in many other media outlets, including multiple appearances on the Food Network, for his intricate sugar art designs [specialty cakes](#) and [wedding cakes](#) that look just as good as they taste. Fourth generation baker-decorator Buddy Jr. uses what he learned from his father and has taken his skills and artistry to new heights. Every cake made is customized to the individual's needs and desires. Buddy will personally sit with you and listen to your specific requests and answer any questions. He is involved in all aspects of the creation of your cake. Hundreds of thank you notes from satisfied brides and customers are available for you to review. Even Channel Seven's Bill Evans said, "The best bakery in New York is in Hoboken."

Every customer is treated like part of the family. For a special treat or a cake for any occasion, pay us a visit, stay a while, and allow us to share with you the time honored tradition that has made us what we are today. We are worth the trip! You can also meet Buddy and the entire Carlos Bakery team on our reality show "Cake Boss".

All of our cakes, pastries, and cookies are made from scratch with no artificial flavorings or preservatives. They are baked fresh right here in Hoboken every morning.

cakes by: **Buddy Valastro**

Buddy Valastro is an accomplished fourth generation baker born into the business owned and operated by his parents. He was born in Hoboken, NJ and raised in an old fashioned Italian family.

At an early age, Buddy showed that he was a natural by displaying his amazing talent for baking and cake decorating.

Aside from that passion, he loved spending quality time with his father as his apprentice. Countless hours were spent in the bakery where Buddy's father, a master baker, taught him all his old world secrets of baking. They were best friends and dreamed that together that they would make Carlo's Bakery a household name.

Unfortunately, at the age of 17, Buddy experienced the loss of his father, which led to more responsibilities being placed on Buddy's shoulders. He showed how well he could shine under pressure by continuing to produce quality work. With the help of his family, Buddy has taken Carlo's Bakery to new heights. His father's recipes and Buddy's innovative decorating and sugar art techniques have taken the business above and beyond his father's wildest dreams.

Today, Buddy is an accomplished master baker and cake decorator and star of the hit TLC reality show *Cake Boss*. He's often asked to demonstrate, compete, and teach his craft around the country. In his 10,000 sq foot state of the art facility, Buddy and his staff turn out thousands of wedding cakes, specialty cakes, and pastries weekly. His award winning designs have been featured numerous times in different bridal and baking magazines. Carlo's Bakery has also been featured in books, newspapers, such as, The New York Times, and television; most namely The Food Network. He and his cakes have also been featured on The Today's Show, Good Morning America, The View, and HBO's hit series, The Sopranos.

By uniting time-honored quality with modern innovative techniques, Carlo's Bakery is rated among the best. Their distinct old world taste is hard to come by. This is what sets Buddy apart from other sugar artists. Buddy hopes to one day pass on his passion and knowledge to fifth generation members of the Valastro family and continue the Carlo's Bakery legacy.

Episode 1: A Bride, A Boat and Bamboozled!

Meet award-winning pastry chef and cake decorator Buddy Valastro and his over-the-top family at Carlo's Bakery in Hoboken, New Jersey. After beginning a week completely jam-packed with cake orders, Buddy gets a call from a customer he cannot possibly turn down. *Brides Magazine* is offering Buddy an inside cover photo spread but he's going to have to create a cake unlike any he's ever done before. Between arguing with his family, producing the standard 300-plus cakes the bakery makes in any given week and running out of sugar, is there any way Buddy and Company are going to get this opportunity of a lifetime cake done in time? All the while Buddy's sisters are planning to throw their brother a surprise birthday party.

Episode 2: A Fire, A Fashionista and Family

Buddy and his team learn that where there's smoke, there's fire when they have to build a fire engine cake complete with working lights, siren and smoke. They also have to create a 30th birthday cake for two trendy fashionistas. This week also marks the 15th anniversary of Buddy's father's death so emotions are high as he recreates his father's trademark cake for the family memorial dinner.

Episode 3: Bunny, Birthday and Burnt Food

It's one of the busiest weeks of the year at Carlo's Bakery with orders pouring in for Easter, and a last-minute Easter Bunny cake turns into more than the team bargained for. There are also three members of the family celebrating birthdays this week and Buddy's sister Grace, who's never cooked for the family before, decides she's going to make Easter dinner.

Episode 4: Weddings, Water and Whacked!

The team at Carlo's is hoping not to get whacked when they're asked to make a huge roulette table cake for a local businessman. It's also the start of wedding season and the time-consuming wedding cake orders are piling up. A mix-up by the sisters not keeping cake orders organized throws Buddy off the handle when a customer comes in to pick up a cake that's not ready.

Video: This Cake's a Gamble Photos: See the Roulette Cake

Episode 5: Bi-Plane, Bridezilla and Busting Buddy

It's another busy week at Carlo's Bakery but Buddy can't say no to making a charity bi-plane cake for a local hospital. An unreasonable Bridezilla makes everyone's life difficult after the bakery crew makes a cake that she's not pleased with and Stretch, the bakery's delivery driver, plots a revenge prank against Buddy with unexpected results.

Episode 6: Undead, Unclothed and Unhappy Mama

Buddy is thrown out of his comfort zone when he's asked to make a zombie cake for a couple of undead clients. This week the team also has to make an erotic bachelorette cake for some wild women. This cake seems like it's going to be all fun and games until Mama finds out and bans the bakery staff from making sexy cakes.

Video: Zombie Cake Photos: See the Zombie Cake

Episode 7: Doves, Ducks and Delicacies

Buddy is excited to create an old-school wedding cake like the kind his father used to make; tall, ornate and filled with live birds?! A dad-to-be comes to the bakery to order a giant lobster tail pastry for his pregnant wife. Little Frankie goes on a mission to catch live birds for the wedding cake.

Video: Dove Wedding Cake | How to Make a Lobster Tail Pastry Photos: See the Wedding Cake with Live Birds

Episode 8: Museum, Mistakes and Mother Mary

The Carlo's team gets to take a field trip to a local museum to find inspiration for a prehistoric mammal cake. A Sweet 16 cake proves to be more work than anyone planned on and Frankie makes and decorates a cake all by himself for a very hard to please client...his cousin Mary!

Video: Indricotherium Cake Photos: See the Mammal Cake

Episode 8: Soldiers, Sand and Salads

Buddy and Company are like kids loose in a toy store, literally, when they are asked to make an FAO Schwarz-themed cake for a twins birthday party at the store. They also have a beach-themed cake to create for a local beach club and Buddy and his main men challenge the sisters to a weight-loss challenge.

Video: Beach Body | Weight a Minute Photos: See the FAO Schwarz Cake

Episode 10: Chinese Culture and Cannolis

The Carlo's team has a unique and challenging cake to make this week, a traditional Chinese dragon cake for a dragon boat racing team. It's also a big week at the bakery preparing hundreds of cannoli shells for the annual \$25 Throw Back Cannoli Day and on top of all that, Buddy and Lisa are celebrating their eighth wedding anniversary.

Video: Room for Improvement | Who's to Blame Photos: See the Dragon Cake

Episode 11: A Blindfold, A Bikini and Breathing Fire

Buddy is used to putting out fires, not starting them, but all that changes when he's asked to make a tiki cake that spits fire. Buddy also has to make a bridal shower cake for his sister-in-law and Mauro challenges him to ice a cake while blindfolded...or he'll have to walk around the bakery in a grass skirt and coconut bra!

Video: Blind Talent Photos: See the Tiki Cake

Episode 12: Leaning, Lobsters and Lectures

Buddy has to channel his inner-Italian to create a Leaning Tower of Pisa wedding cake. Then, he gets into hot water when he must pull together a show stopping lobster bake-themed cake at the last second after a client mixes up the date!

Video: A Lobster Tale | Miracle Man Photos: See the Leaning Tower of Pisa Cake

Episode 13: Fireworks, Falling Fondant and Fathers

A fellow family owned business asks Buddy and the Carlo's team to honor their patriarch by creating a special cake featuring their company's product...fireworks! It's also "Bring Your Dad to School Day" at Buddy's son's school and he's got a surprise for all the kids.
