Student Council

The Student Council Activities and Purpose

The Student Council of Pocomoke High School is a member of the National Association of Student Councils. It is also a member of the Maryland State Association of Student Councils and of the Lower Student Councils.

The Student Council is the representative body of the students of P.H.S. As such, it helps with the buying of equipment. In order to get money for this purpose, is has sponsored a Christmas card sale.

The Student Council of P.H.S. has sponsored many things for the benefit of the students. Some of these are the Hall Patrol, Antrim Bureau Programs, a Back to School Dance, May Day Polls, dances after home games, and Christmas Carol Singing in the halls.

The Student Council as an aid to the school has bought black-out curtains and a daylight movie screen. This organization has also bought much of the school's athletic equipment.

The Student Council has also sponsored the March of Dimes, a Magazine Subscription Drive, Clean-up Days for the school, and a Student Activities Hall Bulletin Board. All of the things the Student Council has done are truly for the benefit of the school.

Much of the success of the Pocomoke High School Band is attributed to the workmanship of the members and their director. At practices when new music is handed out, each section of the band goes over the parts separately, and then the instruments come together to complete the new selection.

The band has proven itself most successful in parades both here and out of town. One parade to which the band looks forward each year is in connection with the Delmarva Chicken Festival in June. The band has captured prizes there.

A band is considered good when is is converted into concert band. The annual Christmas Pageant was presented this year by the band and chorus. A spring concert was given also. An appearance on W.B.O.C.-T.V. was another outstanding feature this year.

Besides the director, the band has its own officers: Captain and Student Director; 1st Lieutenant or Sergeant-at-Arams; 2nd. Lieutenant; Librarian and Secretary; and Drum Major.

The bright and snappy band uniforms have been furnished by the Lions' Club of Pocomoke. Band equipment has been donated by the very active Band Parents' Club.

The continued success of the band is assured by the help of friends and predicted by its past performance.
