Seniors

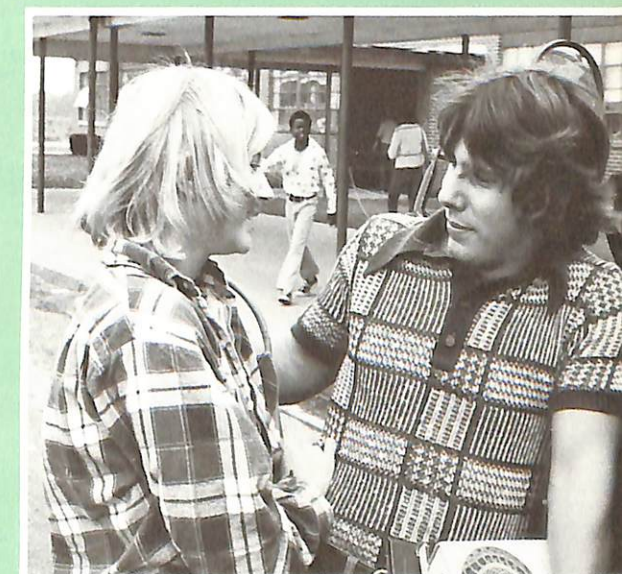

Student Life

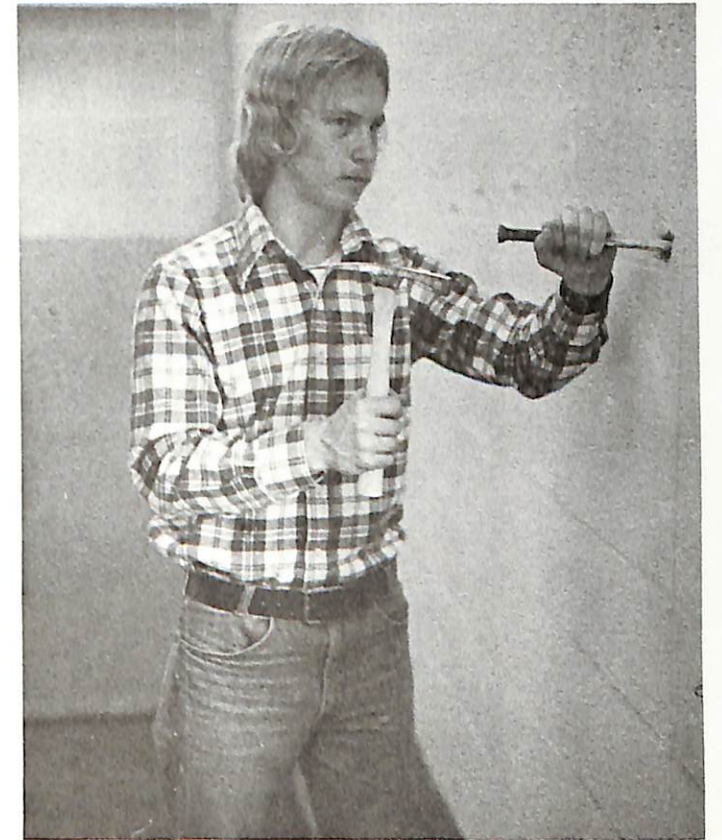

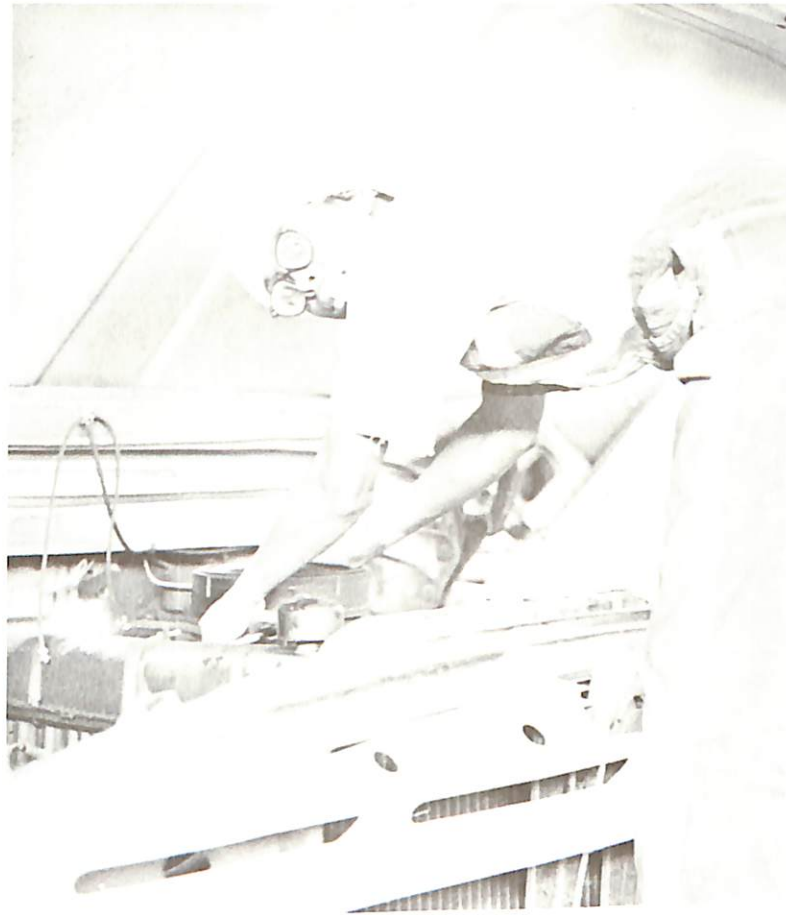

I would like to thank Mrs. Buibage, Mr. White, the faculty, and the students for the wonderful time I have had at Stephen Decatur. This year has been a rewarding experience for me and I have enjoyed it very much. My time in this country has passed very quickly and I find it hard to say goodbye to all my new friends. I have many warm memories to take home with me. I will never forget the people at Stephen Decatur. If you ever come to Finland, remember that my home is always open to you.

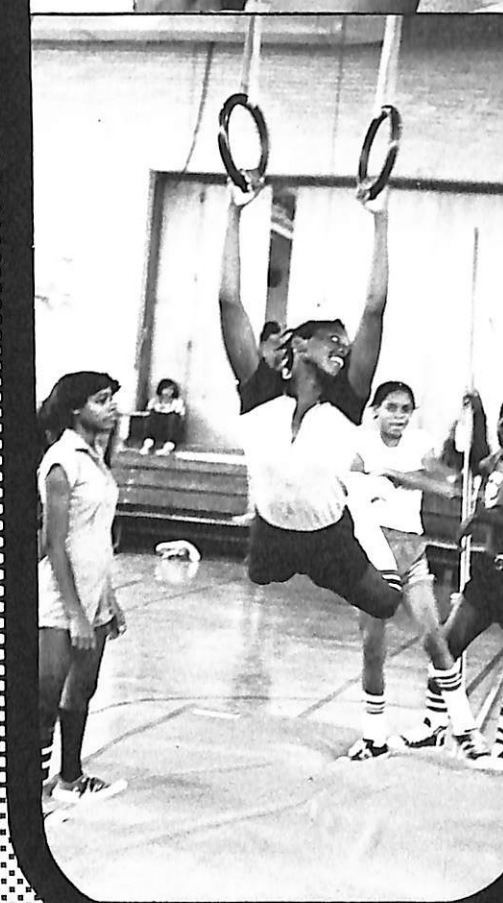

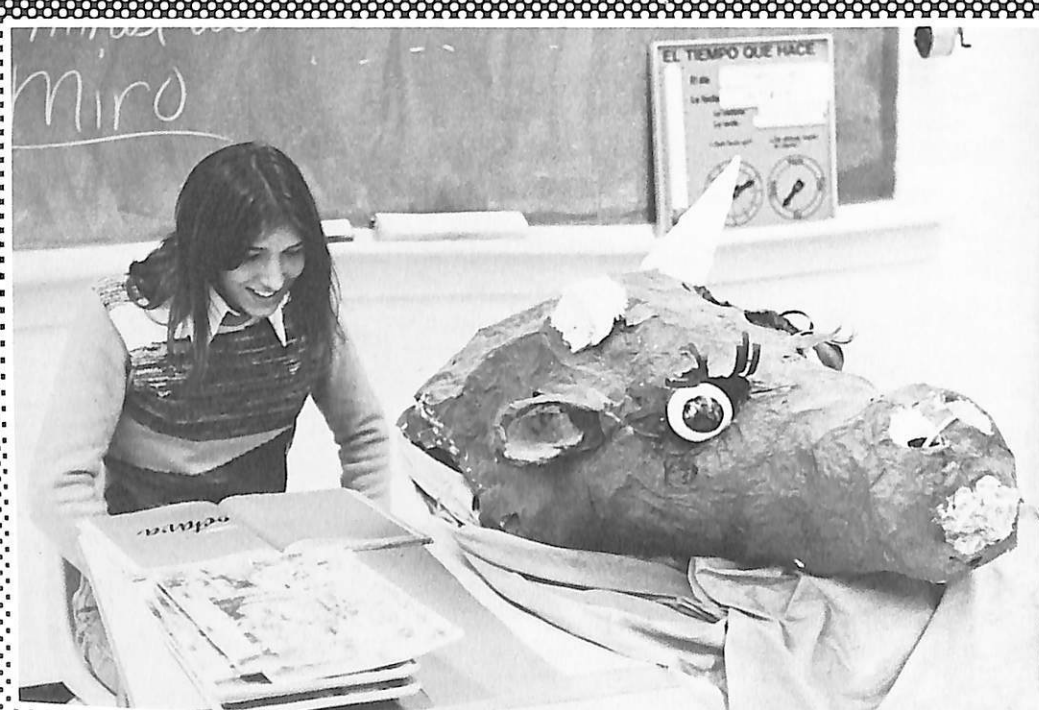

With Love,
Your Finnish AFS - exchange student

SPORTS
1976

"We had a poor beginning, but we improved at the end," said Coach Coar of the Stephen Decatur High School football team. This statement sums up the story of the 1975-76 football season at S.D.

The Sea Hawks' main problems were the lack of returning players and injuries. At one time the team's number was knocked down to 21 as a result of injuries.

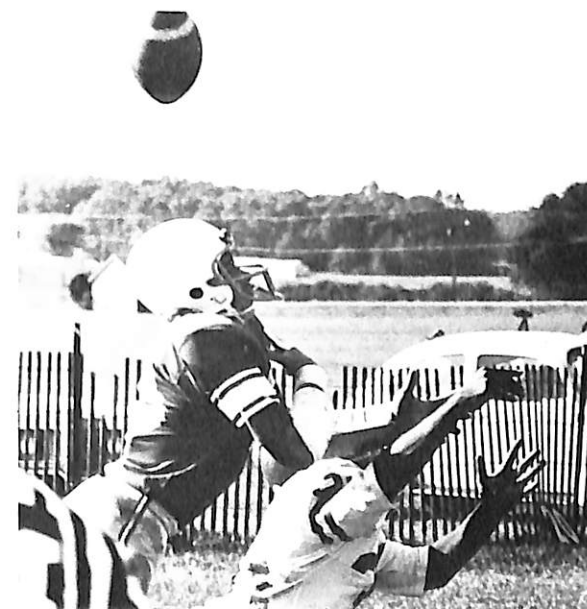

Coach Coar predicts a much better season next year. All the players that are not graduating this year have told the Coach that they will be playing on the team next year.

Varsity Basketball

Lynn Smack, Jeff Cropper, Donnie Tate, Kenny Pinson, Ron Tate, Kenny Holland, Keith Haynes, Steve Oliver, Jack Bowen, Steve Davis, Vic Smack, Bernard Bowen, Coach Bill Riddick.

Varsity Basketball ended their season with a record of 10-8. High scorer was Kenny Holland who is a Junior. He had a total of 271 points for the season. The team will be losing 5 seniors this year; They are Jack Bowen, Jeff Cropper, Keith Haynes, Lynn Smack, and Ron Tate. Coach Bill Riddick commented that "the record could have been better". When asked what game was played best he replied "the Washington High game with a defeat of 80-64.

Compliments go to the Varsity Basketball team for a hard working season and to manager John Hobbs, who Coach Riddick called "the best manager ever".

1976

Acting Arts

The Acting Arts class started the 1975-76 season with a smashing success, "boo", a children's theatre. Children from elementary schools throughout the county and a paying audience on the last night were all delighted with the show. The production began with a duel between a wizard and a witch and ended with a song and dance routine featuring the entire cast. For forty-five minutes, ghosts, goblins and animals of all sorts danced and played to the joyous howls of the children.

Although many of the members of the class were not on stage, no hands were idle. Many were busy backstage with sets, costumes, props, sound, lights and make-up. The class received many compliments, including hundreds of illustrated letters from the children.

Homecoming

"Let Freedom Ring"

"Let Freedom Ring" was the theme of Stephen Decatur's 1975 Bicentennial Homecoming. The week's festivities began early Tuesday morning when the freshmen "dressed up". Many were also working on their showcase displays. This marked the beginning of Spirit Week.

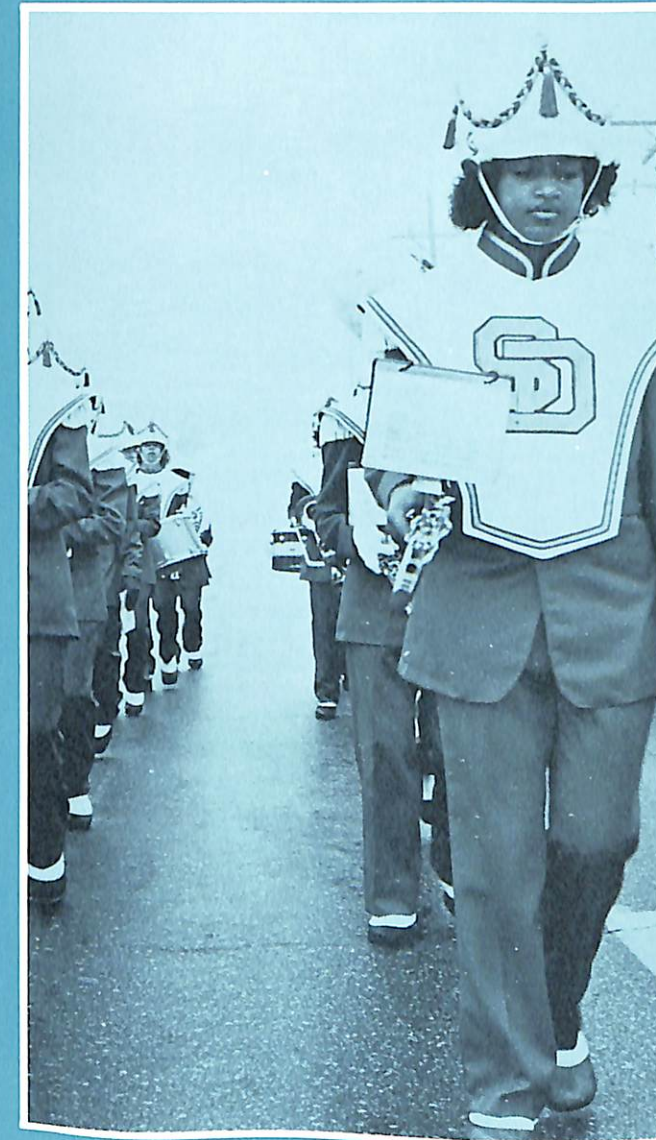

Sophomore Day followed. Dressed in blue and white, the sophomores placed numerous posters on the walls. The Juniors also showed their spirit by wearing buttons, dressing in blue and white and adding more posters to the walls on Thursday.

Blue and white was also the seniors' attire on Friday. They showed their spirit in a senior cheer and skit at the pep rally which concluded the day's activities. That evening, a bonfire and pep rally was held and a Wicomico Indian was tossed into the fire.

Along with the classes, the major clubs participated in Homecoming 1975 by building floats for the Homecoming parade, held in Ocean City Saturday morning.

Over thirteen floats highlighted the twenty-six entry parade. The winners of the competition were announced at halftime of the Seahawks-Indians football game. The FBLA club, the Library club and the band were presented monetary awards by the Football Boosters Association. The half-time show featured the Seahawk marching band, flag twirlers, majorettes, cheerleaders, and the chorus presenting "The Sounds of Liberty". The band's precision drill was highlighted by the forming of the Bicentennial Star. Following this drill, the queen candidates and princesses were escorted onto the field. Of the candidates, Jane Fitzgerald was selected Queen and Bendetta Blue was first runner-up.

Even though the Seahawks lost a well-fought contest, the Homecoming spirit was not dampened, and it carried through to the dance that evening, featuring "The Ebbe Tide."

Stephen Decatur Honors The Bicentennial

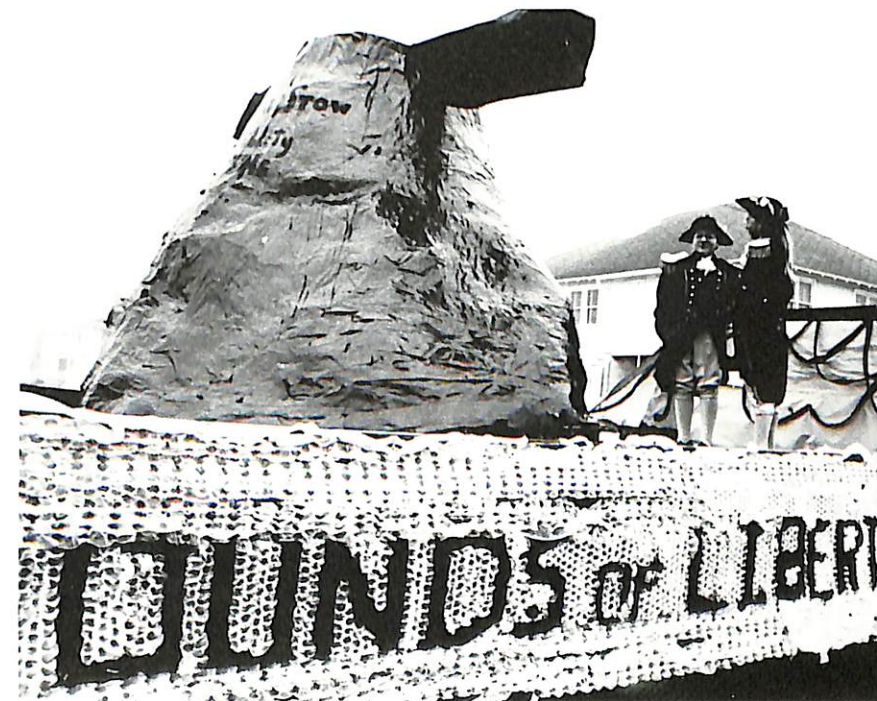

1776

In 1974 the Bicentennial Committee for Stephen Decatur was organized to help coordinate the Bicentennial celebration in our school. A number of projects that were highlights of the school year were made possible thanks to the Bicentennial Committee.

In October the Homecoming had a Bicentennial flair; the theme being "Let Freedom Ring". Mrs. Phoebe Stout presented a talk and tea to the Committee in November. Featured in the talk were three colonial outfits that she had made. Bicentennial stickers were sold during the month of December. Profits were used for other projects. In February the school enjoyed a performance of the play "1776". This was followed in March by the Acting Arts; original musical reflecting the Bicentennial. The Stephen Decatur Concert Band followed suit by presenting a program of patriotic music to celebrate "Music in Our Schools Week". They also took part in the Berlin Bicentennial celebration.

Committee officers for the 1975-76 school year were: Chairman--Jane Olman, Assistant Chairman--David Hamill, Secretary--Jane Fitzgerald, Treasure--Stedman Rounds.

The Holiday Spirit

Shake, Rattle, And Roll

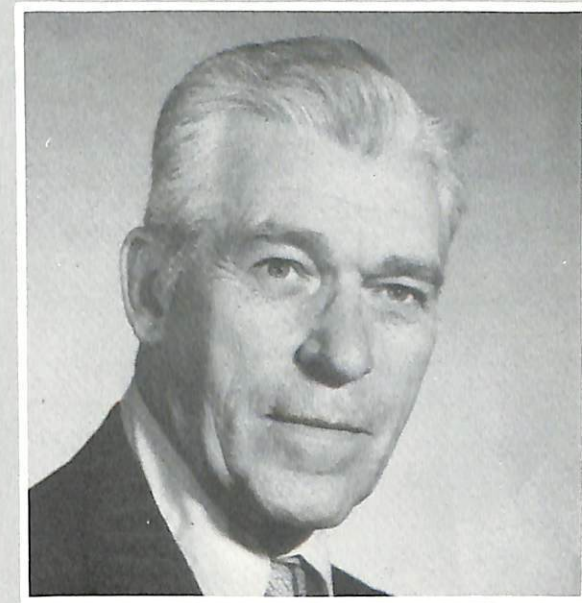

Faculty

Spotlight

Mr. Harold Hensel

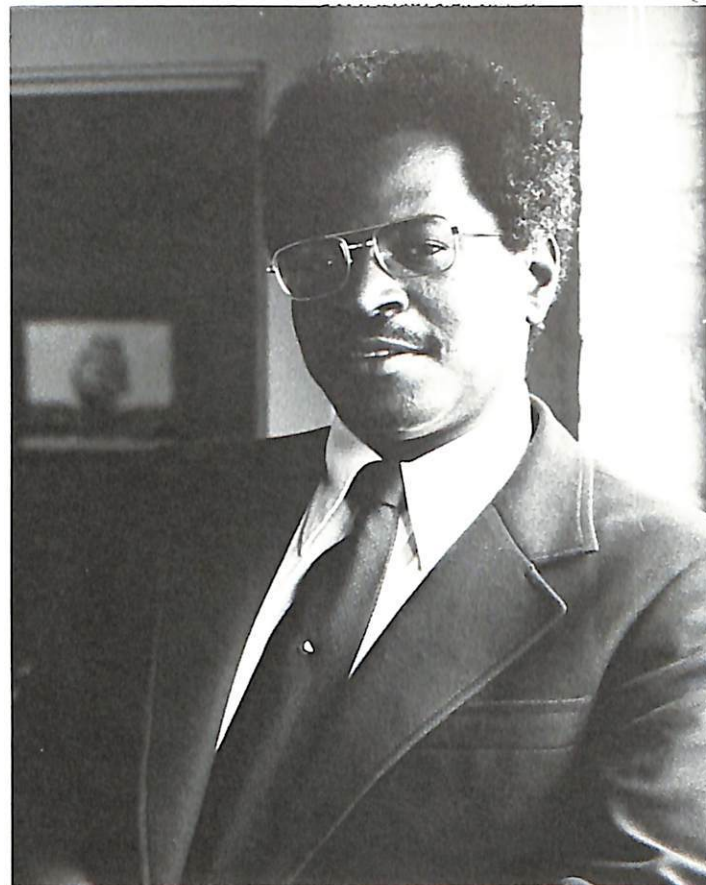

"... 6.02×10^{23} molecules. Is that right, class?" Sound familiar? If you had Mr. Hensel for chemistry, it does. For the past fifteen years, Harold E. Hensel has taught biology, chemistry, and physics. He is very much involved and concerned with education. While at Stephen Decatur, he has been the senior class sponsor, sponsor of the Student Council, science coordinator and administrative assistant. He is a member of the National Education Association, the Maryland State Teachers Association and has served as treasurer, parliamentarian and past president of the Worcester County Teachers Association. Other organizations he belongs to are: the Maryland State Chemistry Association, Lions International, the Eastern Shore Engineering, and Science Association and Phi Delta Kappa fraternity.

Mr. Hensel is a well learned man. He studied at City College--New York, the University of Virginia--Wallops Island, and South Dakota State. He earned his Bachelor of Science degree from the University of Missouri and Masters at the University of Maryland in the field of vocational agriculture. Previous to his career in education, Mr. Hensel was county extension agent in Grant City, Missouri. He was also a lieutenant in the U.S. army.

Mr. Hensel, we salute you!
