DEDICATED TO—

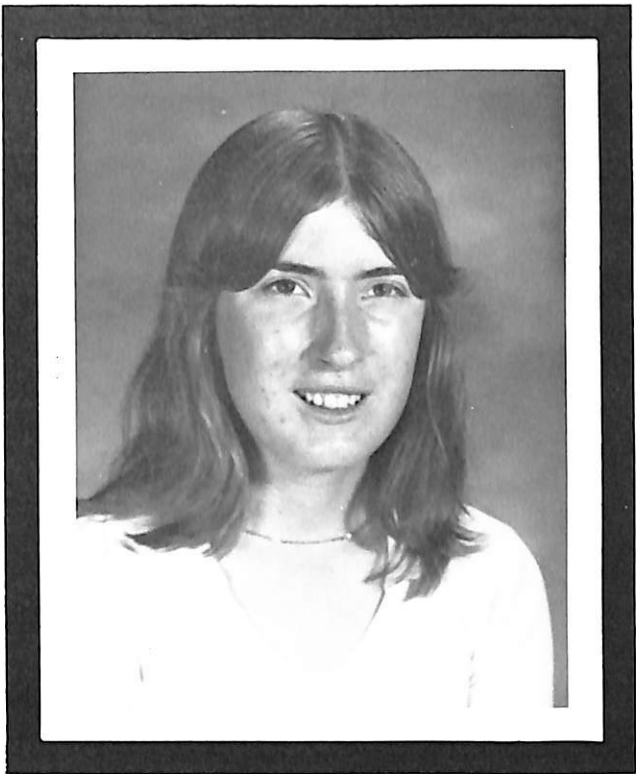

MR. CHARLES W. BRAGG

Facing seventy scowling faces at 9:00 in the morning is a rather chilling thought. Yet Mr. Charles Bragg does this five days a week. Trying to control so many students who “really don’t feel like playing today,” or “have sore throats” can be a rather thankless job, and it takes a person with DTE (Desire To Excell) to stick with such a group when others might “throw in the towel.” Mr. Charles Bragg is this man.

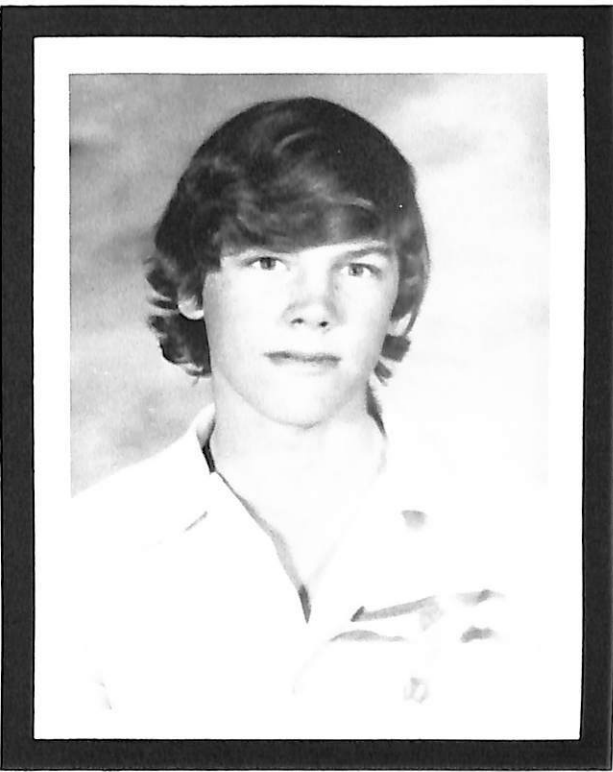

Furthermore, his duties do not quit at 3:30 PM. Mr. Bragg must present his band to the public on his own time and he often spends the rest of his time worrying if the band will pull through. Through his long, hard work with the band, Mr. Bragg has honored the school many times with trophies, and has given Pocomoke one more thing to be proud of. We the students of Pocomoke High School say “Thank you, Mr. Charles Bragg,” for your dedication to the students and the music you teach.

PEOPLE AS INDIVIDUALS . . .

Very often individual identities are lost in the masses of people. With a school enrollment of only 541 students, P.H.S. does not have this problem. The faculty and administration works with the students to mold these separate identities. When these identities emerge the students are seen as individuals.

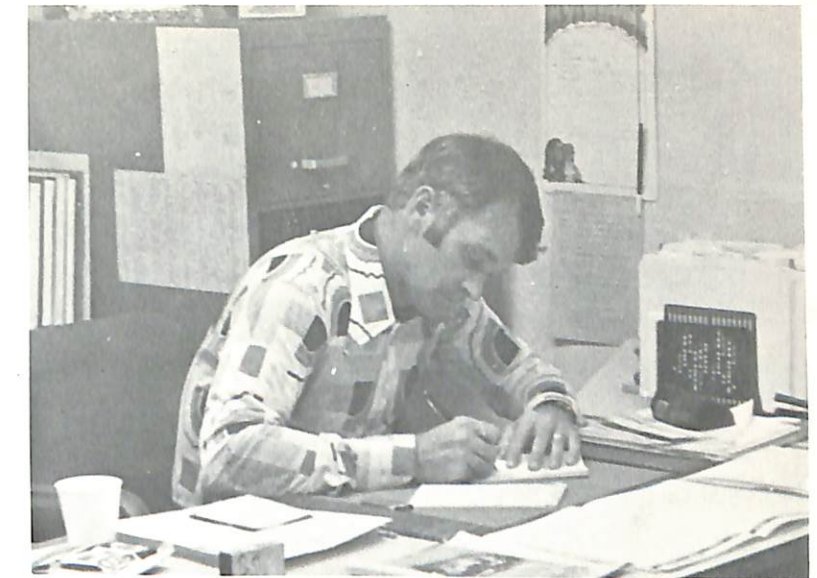

Even the administration can find

time for a light moment.

The Pocomoke High School administration consists of Mr. McComb, principal; Mr. Reece, vice-principal; and Mr. Shumate, guidance counselor. On the shoulders of these three men rests the responsibility of keeping the school running smoothly and efficiently. Even though they have rigorous schedules, each can always find time to lend a sympathetic ear to the needs and the problems of any student in Pocomoke High School.

CLASS of '77

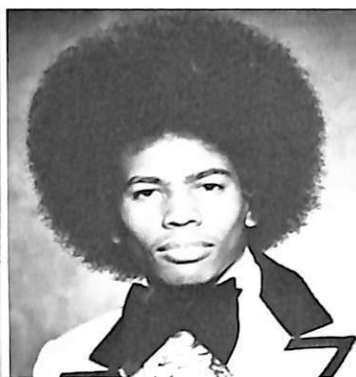

SENIORS

The Class of 1977 kept busy during their last year at P.H.S. To raise money for their class, activities such as Junior-Senior basketball games and the hilarious Ms. Pocomoke contest were held.

During the end of the year caps and gowns had to be ordered as the seniors prepared for graduation. The big night finally came, bringing a feeling of both happy and sad.

UNDERCLASSMEN

JUNIORS

Starting off the year with class elections, the Juniors picked the people of their choice to lead the Junior Class. These officers, Eric Golden—president, Karen Callahan—vice-president, Lisa Maddux—secretary, Renee Purnell—treasurer, and Cora McBride—sgt. at arms, along with the class members, spent a lot of time preparing for the Junior-Senior Prom. Plays, basketball games and dances were just some of the activities planned to raise money for the big event.

But the prom was not the only concern of the eleventh graders. Many prepared for their futures by taking S.A.T. Tests, visiting the career room and by talking with the guidance counselor, Mr. Shumate.

SOPHOMORES

The class of 79 was the largest class at P.H.S. in 1977. Along with being the largest, they were also the loudest and most spirited. In accordance with the new state graduation requirements, the sophomores had to adjust their schedules. Some chose the academic route while others started vocational training. The tenth graders have become more at home at P.H.S. and they eagerly await the day when they will become Juniors.

FRESHMEN

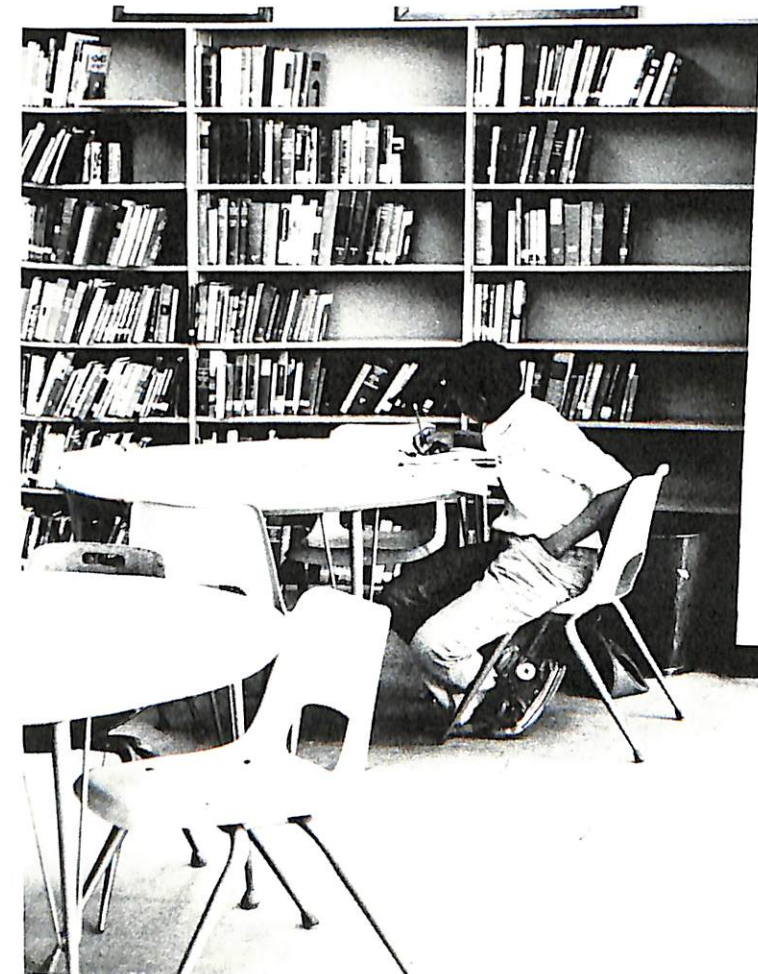

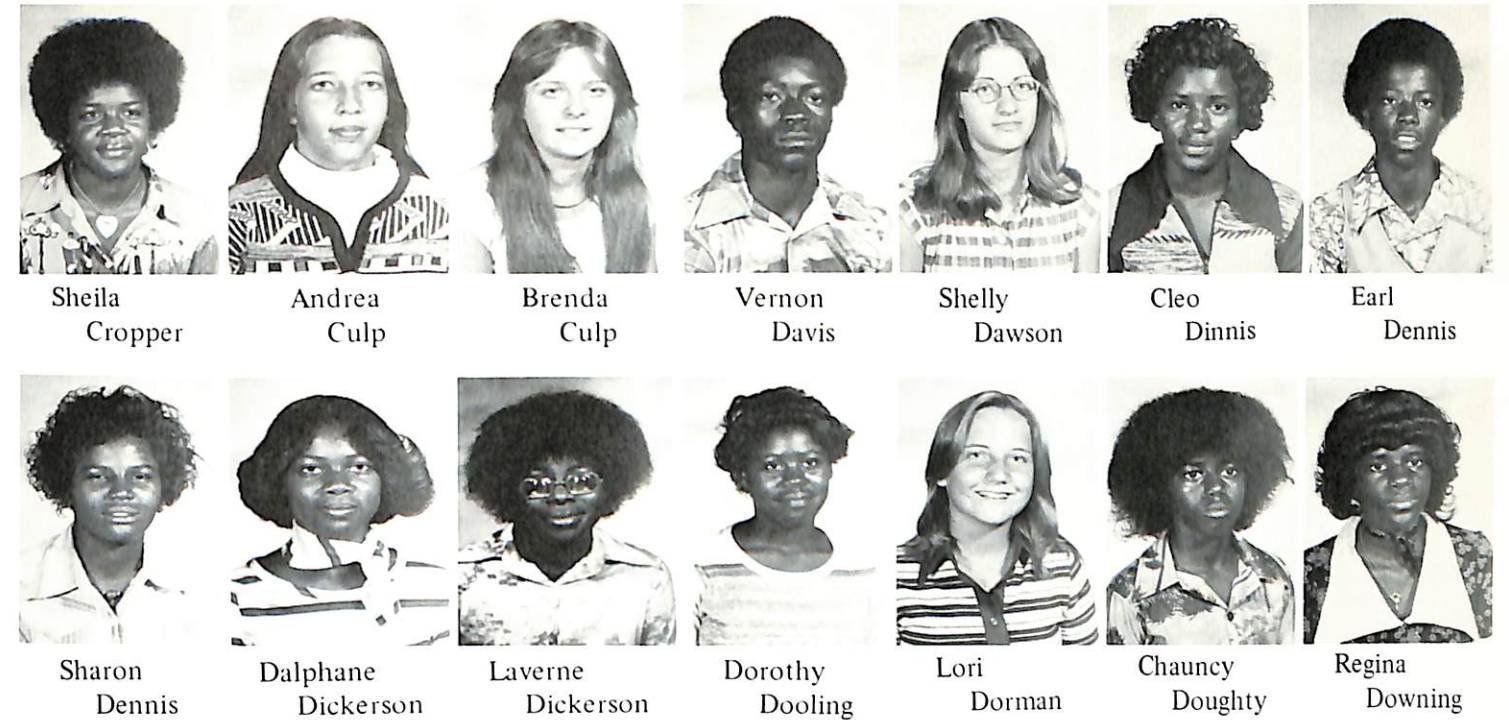

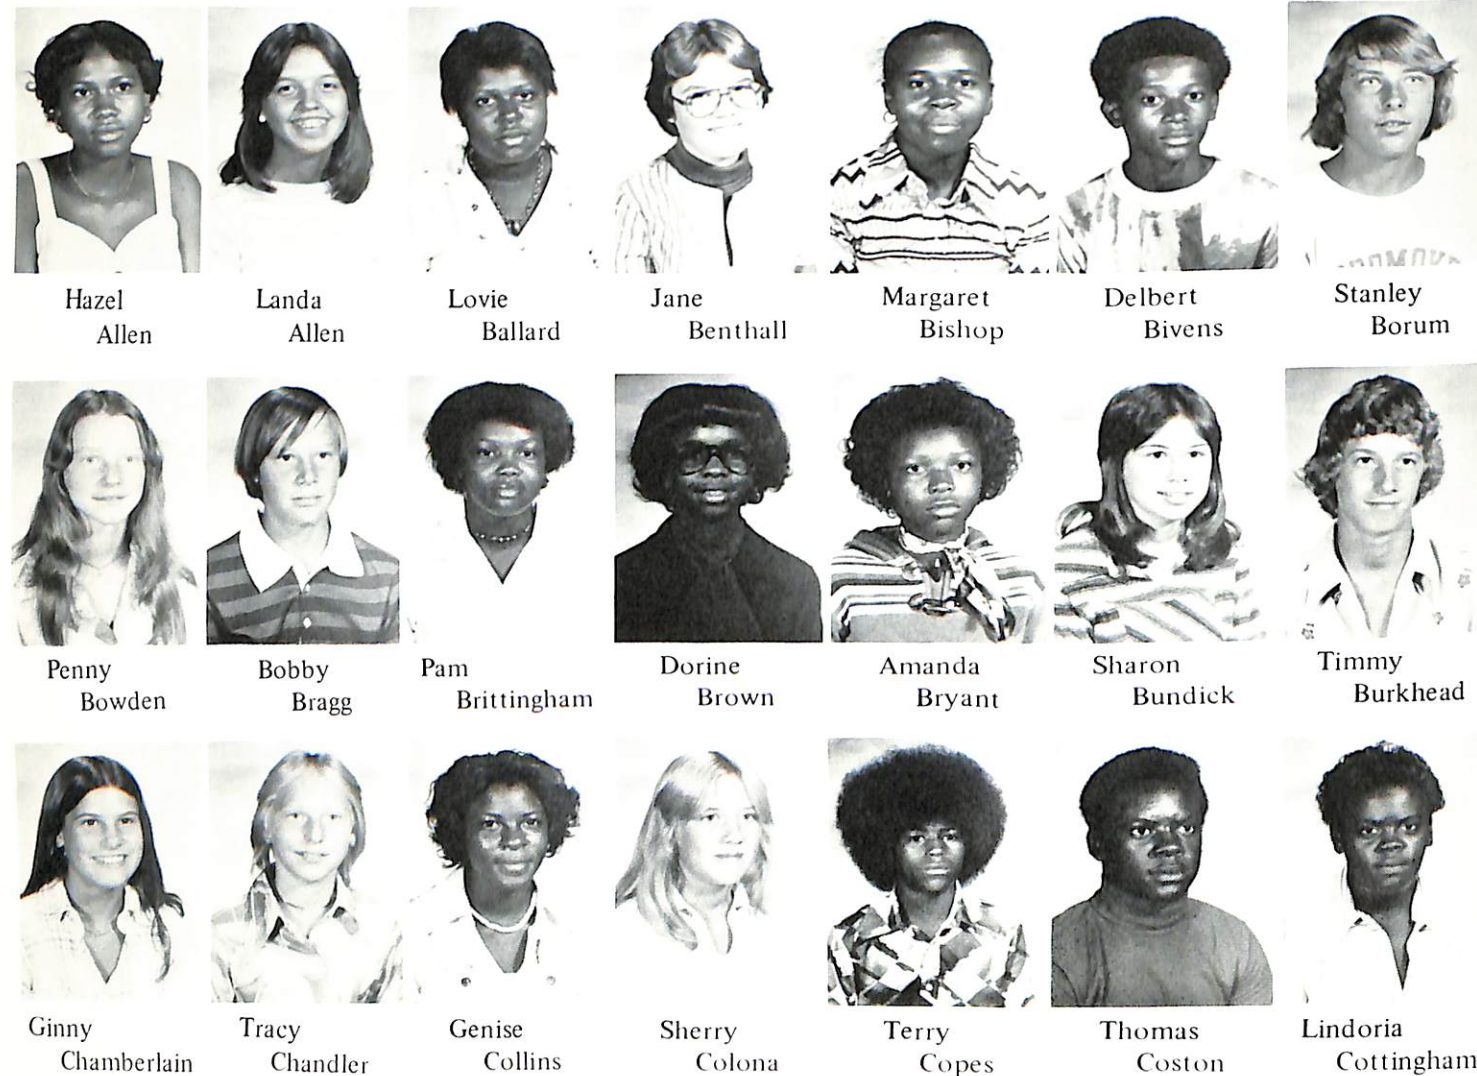

William Smith hard at work

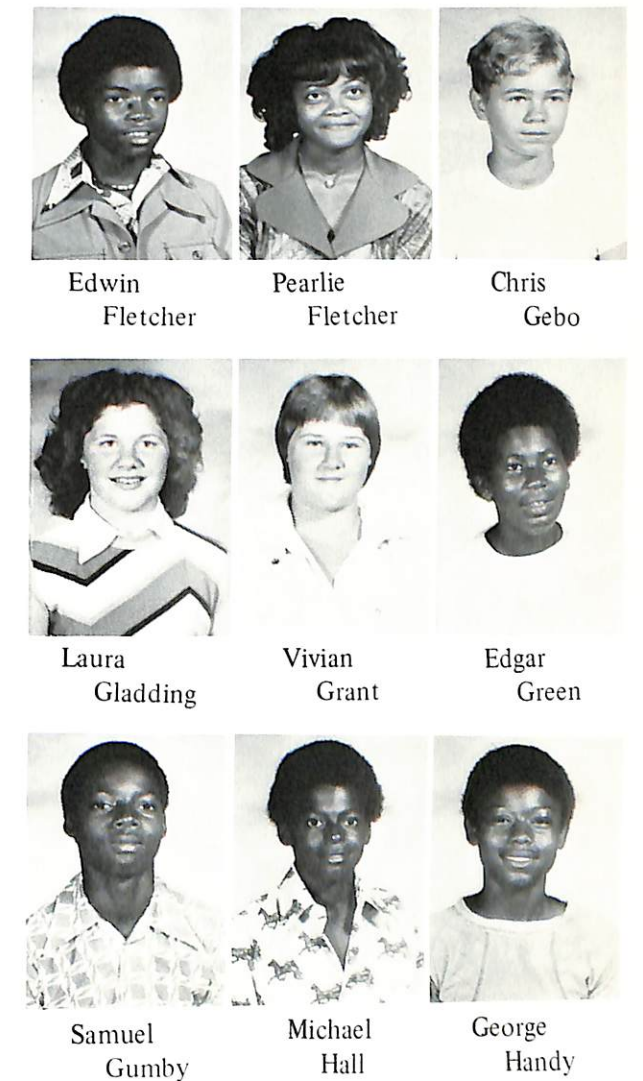

Switching from Pocomoke Middle School to Pocomoke High School is always a big change, but the freshmen this year seemed to adjust to the new atmosphere very well. The first week was a bit confusing—following new schedules and finding the right classrooms—but after a while things seemed to fall into place.

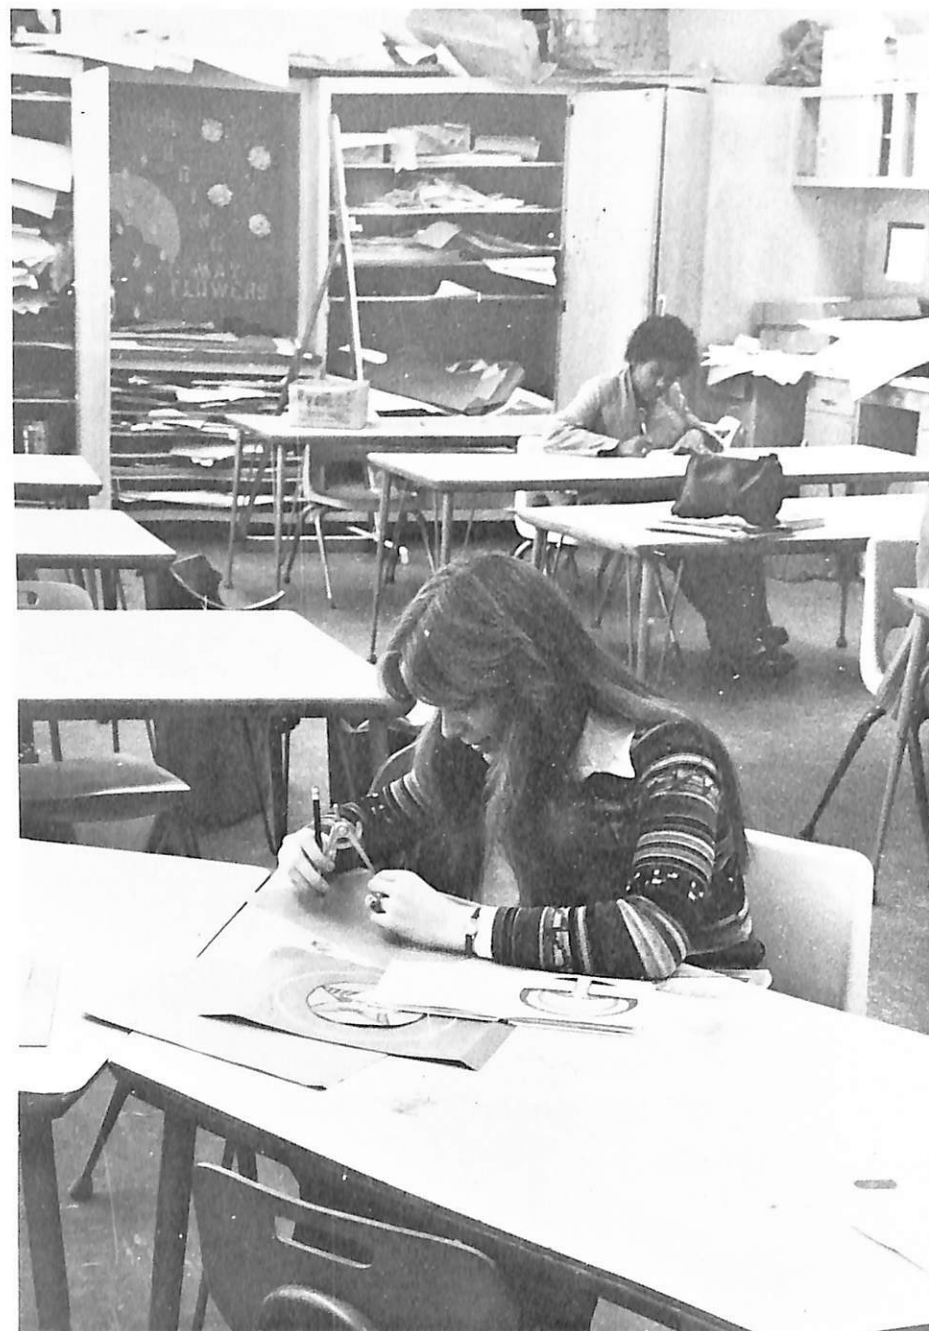

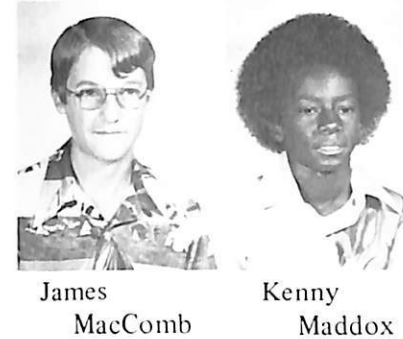

The ninth graders kept busy throughout the year. Two of their biggest activities were trips taken to Jamestown and Gettysburg. Both visits were related to history courses.

Although they've enjoyed this year, like typical freshmen, they can't wait to be sophomores.

George Savage—An outstanding athlete

George Savage is one ninth grader who deserves a little recognition for his outstanding performance in Pocomoke High athletics.

Although only a freshman, George landed a position on the Varsity Football team. His skills were an asset to the team. He did an equally outstanding job on the J.V. basketball team. Occasionally he was drafted from the Junior Varsity squad to play on the Varsity Team.

George is one freshman you will be hearing a lot about in future P.H.S. sports.

COURSE SELECTIONS: ART, BAND, BUSINESS, DRIVERS EDUCATION . . .

Students of Pocomoke High School have the opportunity to select the courses of their choice. During the four years of high school students are required to obtain 18 credits, before graduating. Both academic and elective courses aid the students in acquiring the credits needed. The elective courses consist of art, band, business, drivers education, home economics, industrial arts, and physical education. Academic courses are English, history, science, and math.

Art students explored many ideas

including: painting, drawing, pottery, designing, and candlemaking. The Pocomoke High School Band participated in many parades and various other activities throughout the community and participated in adjudication during the month of March. The business department offered courses including bookkeeping, typing, and shorthand. Every tenth grader looked forward to taking drivers education, only to find it was not as easy as it seemed. The instructor lectured on and illustrated the safety of driving.

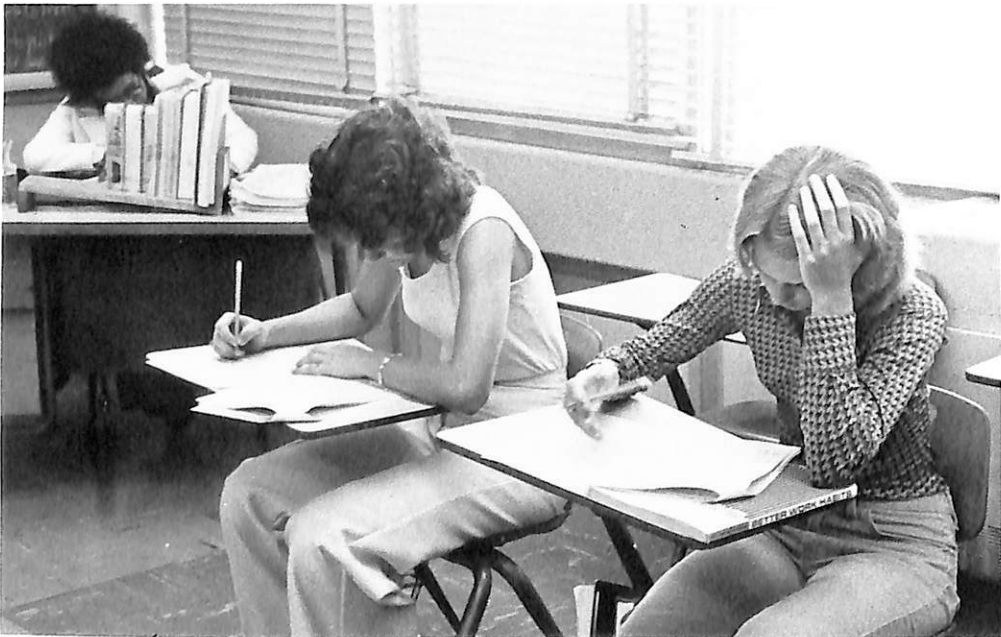

ENGLISH, FRENCH, HISTORY, HOME ECO NOMICS . . .

English and History were two of the required courses at P.H.S. The History Department participated in election activities. U.S. History was offered to ninth graders for the first time. The English Department welcomed Miss Redfield and Mrs. Moran. French and

Home Economics were among the elective courses offered to the students. French students experimented with French recipes such as chocolate mousse, tarts, and madekins. The Home Economics students learned by reading about family relationships.

... INDUSTRIAL ARTS, PHYSICAL EDUCATION, MATH, AND SCIENCE.

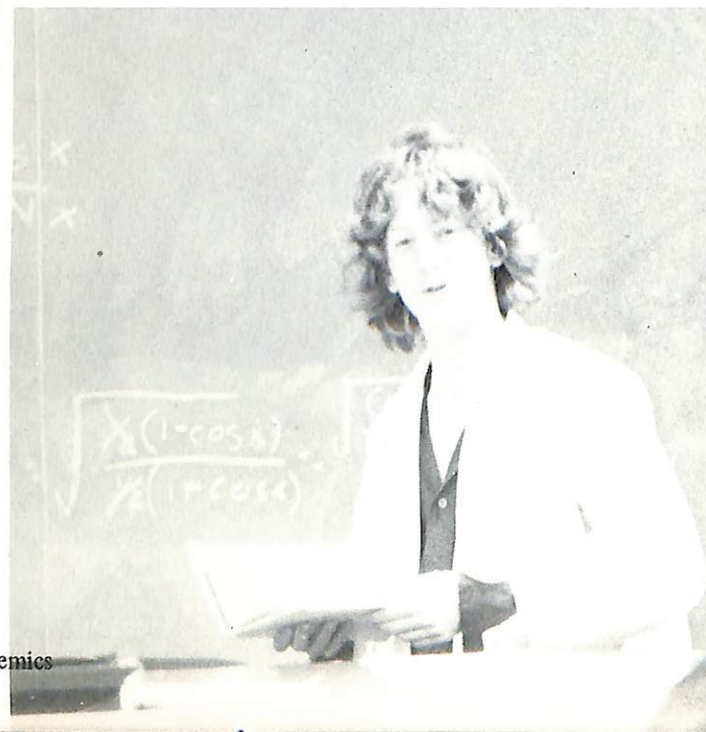

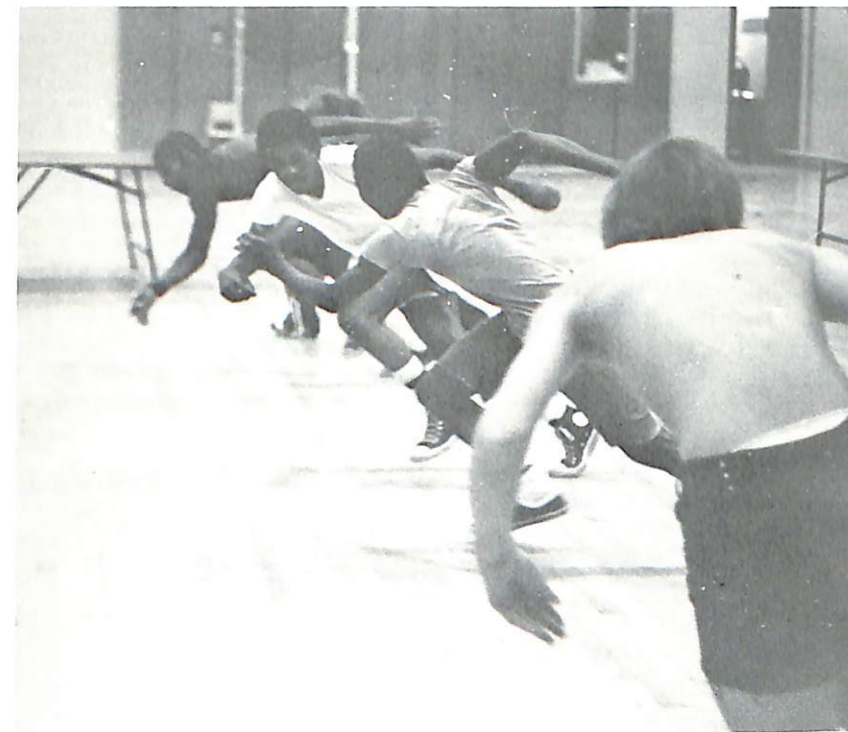

In Industrial Arts this year students worked on many projects. Some were: coffee tables, book stands, and foot stools. Math students this year were offered courses in algebra, geometry, trigonometry, calculus, Consumer Math and General Math. Physical Education courses were offered in ninth and tenth

grade, life time sports in 11th and 12th. Science courses were offered this year in biology, chemistry, and physics.

This year in Academics has proved a very successful one. These courses have prepared students for their futures in college and business.

ADVANCED PLACEMENT

Many students participated in the Advanced Placement program offered at PHS. This college prep program enabled students to obtain an idea of how college credit. The courses available were English Comp. 101-102, Biology 111-112, World Civ. 101-102, and Calculus. Although the Advanced Placement program requires a great deal of hard work, the experience is valuable to students entering their freshman year in college.

Hard work is a necessary factor in succeeding in the Advanced Placement Program. While there are opportunities for a little fun and laughter, most of the time is spent studying.

Many seniors were involved in work release this year. This program was devised so that students could get "on the job" experience. Most of the stu-

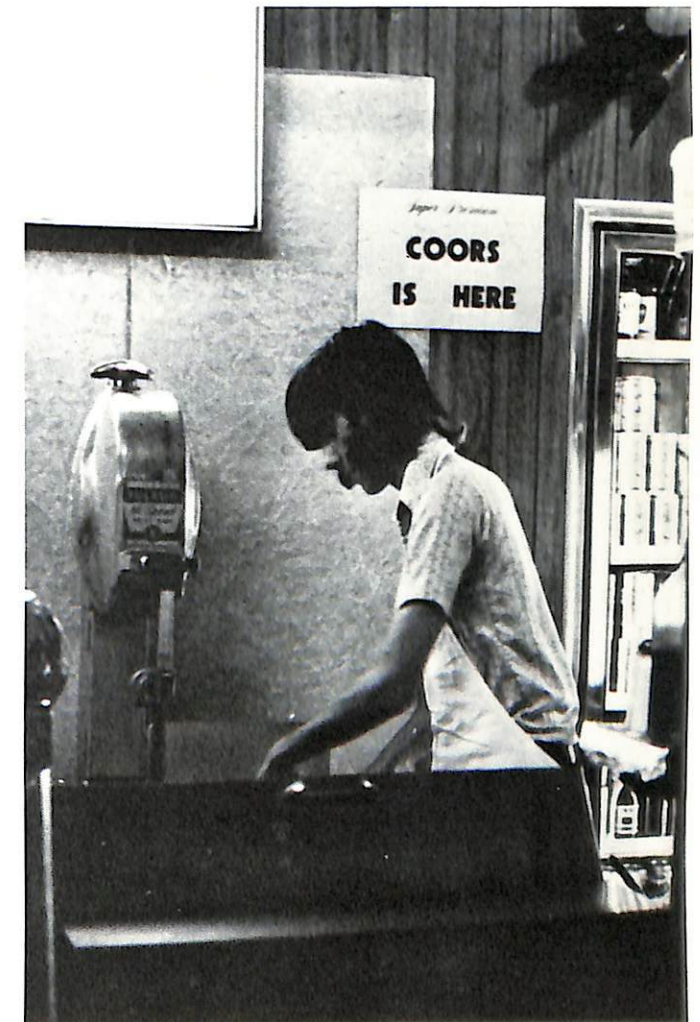

dents participating in work release feel that the program has been successful in helping them reach their future goals.

Students Experience Vo-Tech Life

Beside the academic, general, advanced placement, and business courses offered at PHS, students have the opportunity to attend the vocational school at Berlin, Md. Here students are taught trades they may apply to their future employment. Such trades include: Masonry, Cosmetology, Plumbing, Electronics, Mechanics, Health, and others.

ACTIVITIES

PRACTICE MAKES PERFECT WELL, ALMOST

Beginning the year with football drill formations, the PHS band did not slow it's pace all year. After traveling to Virginia Beach for the King Neptune Festival, the band marched in the Firemen's Parade's, Christmas parades, and the Loyalty Day Parade. Directed by Mr. Charles Bragg, the band gave performances for Big & Little League openers, and gave Christmas and Spring Concerts. In the District Band Festival, the toughest event of the year, the band was rated "Excellent".

Band officers: Linda Maddox, Susan Rees, Barry Thompson, Jim Daugherty, and Brooks Ayedolotte

The Concert band gives to performances to the public each year. These are at Christmas time and in the spring.

One of the first things on the band's agenda is presenting a half-time show during the home football games.

JOURNALISM

A lot of time and patience is required in the Journalism class. Under the direction of Mr. Samuel Sipe, the newspaper entitled "The Tomahawk" has been successful throughout the years. Many times the students had to stay after school and work very hard to meet the deadlines. These students have the skill and ability to present Pocomoke High School with one of the finest school newspapers ever published.

YEARBOOK STAFF WORKS HARD

FOR 1976-77 PUBLICATION

A yearbook is not an easy thing to put together. Many times a staff is faced with a shortage of materials, and with the disappearance of needed pictures. Often tempers flare and staff members find themselves opposing each other in views on how the yearbook should be done. A strong staff is one who can manage to stick together and produce a respectable book for the student body. The PHS staff did so.

With nine returning members, the 1976-77 staff did not anticipate any major problems in putting the yearbook together. However because of internal problems the staff was faced with a lack of pictures. Because of this, the group got behind schedule and was forced to compile a great deal of the book in the last two months of the school year. Instrumental in getting the yearbook back on schedule were Jim Krimmel, who changed his duties from Ass. Sports Editor to the Printer of our pictures, and Mr. Bob Law, our advisor, who became the photographer.

ATHLETICS

EXPERIENCE PAYS OFF

Experience, aggressiveness, and determination are just three of the many qualities that brought the P.H.S. Soccer Team and Coach to victory. Because the Team achieved the titles of Worcester County Champs, Bayside Southern Division, and District 8 runner-up they were able to play for the Bayside Conference Championships. During the battle of the Bayside Conference, Pocomoke with their many skills challenged St. Michaels. Pocomoke scored first against the rivals. As the game progressed the Warriors strived for the Bayside victory but were unable to accomplish such a task. The game was over, the P.H.S. Soccer Team had been defeated by a score of 1-4. The Warriors seasonal record was 9-2. Nick Chamberlain who had 9 goals and Jeff Dorman with 6 goals were the leading scorers for the skillful Warriors.

SKILL PROVIDES SUCCESS

The Warrioretts were successful during the season, being unscored upon until the last few games. Having the best record of the Southern District 8 Schools, the Warrioretts played Mardela for the Bayside Conference and District 8 Championships. Pocomoke was unable to score in the first half, but tied the score up 2-2 in the second half. Struggling hard for another goal to break the tie, the clock ran out. At the end of regulation time the Warrioretts had lost by a matter of seconds. Barbara McDermott and Brenda Tucker were the leading scorers for the Warrioretts. All in all, every varsity hockey player contributed to the success of the team.

JV SQUADS PREPARE FOR FUTURE

The JV Field Hockey team played only two games this year but the experience was helpful to the Varsity squad as most of the girls played on the Varsity team occasionally. The girls won both games that they played.

PLAY ON PHS' VARSITY TEAMS

Three members of the team headed downfield for a hopeful goal

Although the JV Soccer Team had a relatively short schedule, the boys showed good teamwork and soccer skills. Headed by Coach Detwiler, the team was able to build an impressive record of five wins and one loss.

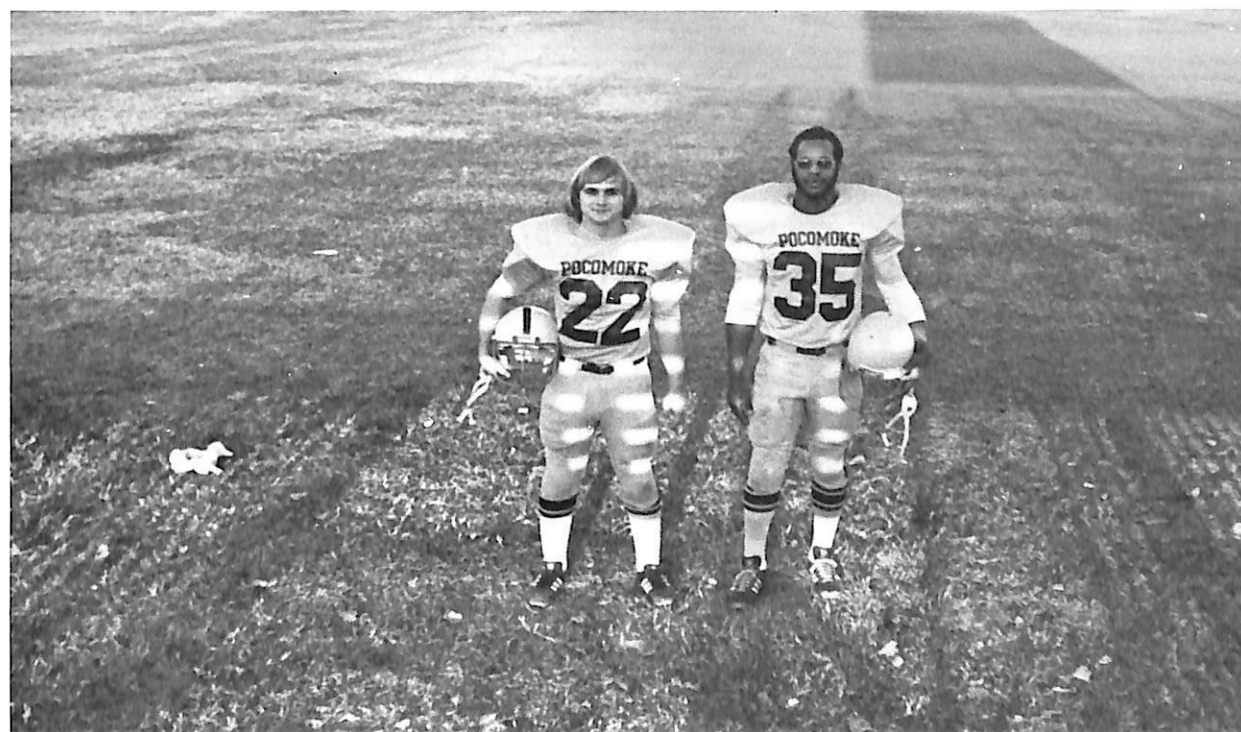

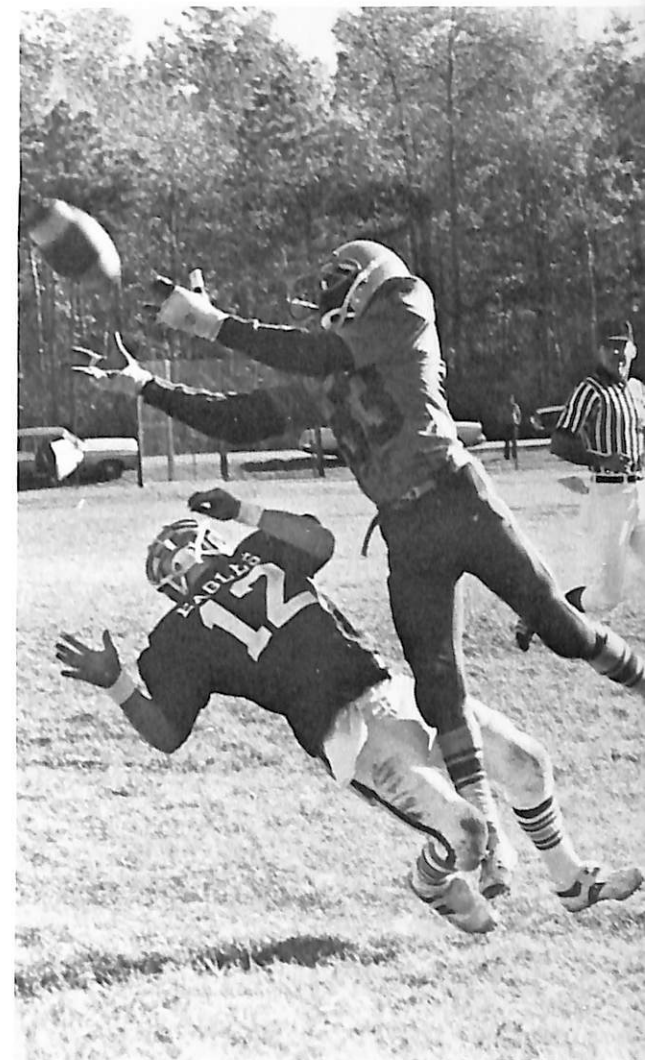

Standing: Assitant Coach Carr, P. Johnson, B. Young, T. Williams, O. Sturgis, D. Heiner, E. Golden, P. Brothers, D. Henderson, R. Jones, J. Krimmel, B. Brittingham, M. Glove, C. Turner, B. Although the Warriors didn't have a very successful season the young Team continued working together. Coach Shumate and his Team diligently worked hard for a win. The Team was finally successful when they defeated Colonel Richardson after a period of double overtime. Even though the Warriors seemed to have a losing streak the morale of the players remained high. Chosen for the County-All-Star Team was Tommy Williams, as linebacker, and John (Putt) Johnson as half-back. Tommy led the Warriors with tackles, while Putt ran for the most yardage.

Coached by Mr. Wilson Duncan, the four member golf team traveled to neighboring schools to play a much unrecognized sport. Although they had a rather unsuccessful season, Mr. Duncan is looking forward to successful play next year.

The JV Football team re-organized themselves at the beginning of the year. Comprised of ninth and tenth graders, the team won five games. They looked promising and hopefully will be an asset to next years varsity team.

VOLLEYBALL TEAM EXCELS!

The fifteen member volleyball team played it's first year with very impressive results. The team had well balanced scoring throughout the entire season and Miss Butler was very pleased with the girls' transition from Recre-

ation Volleyball to Power Volleyball. She also commented that the girls worked very well together in their first year of play. Renee Purnell was honored by her fellow teammates by being voted Most Valuable Player.

SPIRIT SQUAD '76-'77

Left to Right: Beebe Watson, Dalphine Dickerson, Teresa Dickerson, Carey Gaddis, Helene Justice, Cathy Thornton, Peggy Wilson, Margaret Bishop, and Gennine Milbourne

The JV girls perform one of their many cheers

The cheerleaders at PHS have always been known for the inspiration that they give to the basketball team and to the fans. Although the basketball team had rough times this year, the girls continued their winning way and managed to get the crowd involved in the game. Hopefully the girls will continue their hard work for many years to come.

The varsity girls pose in one of their acrobatic routines

REBUILDING . . . AND LOOKING GOOD

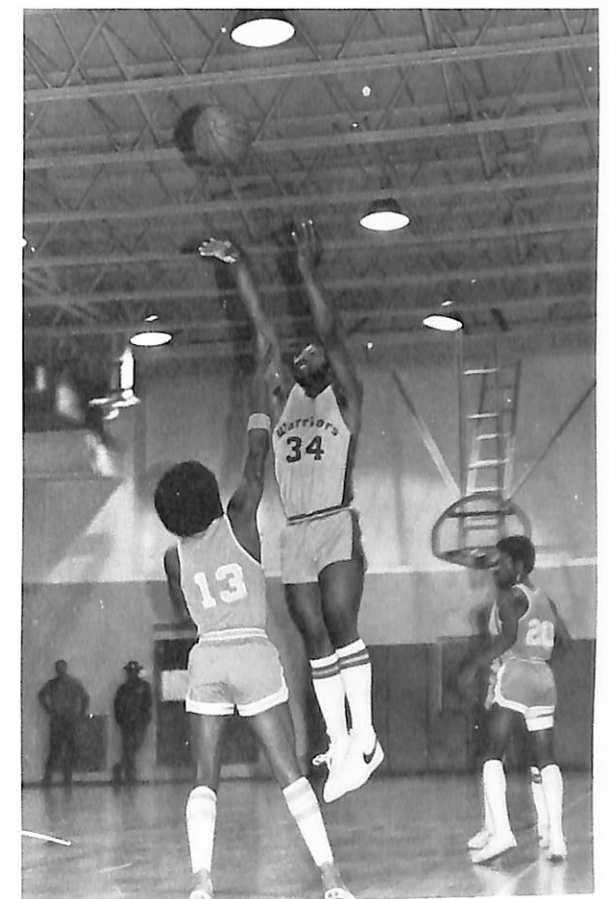

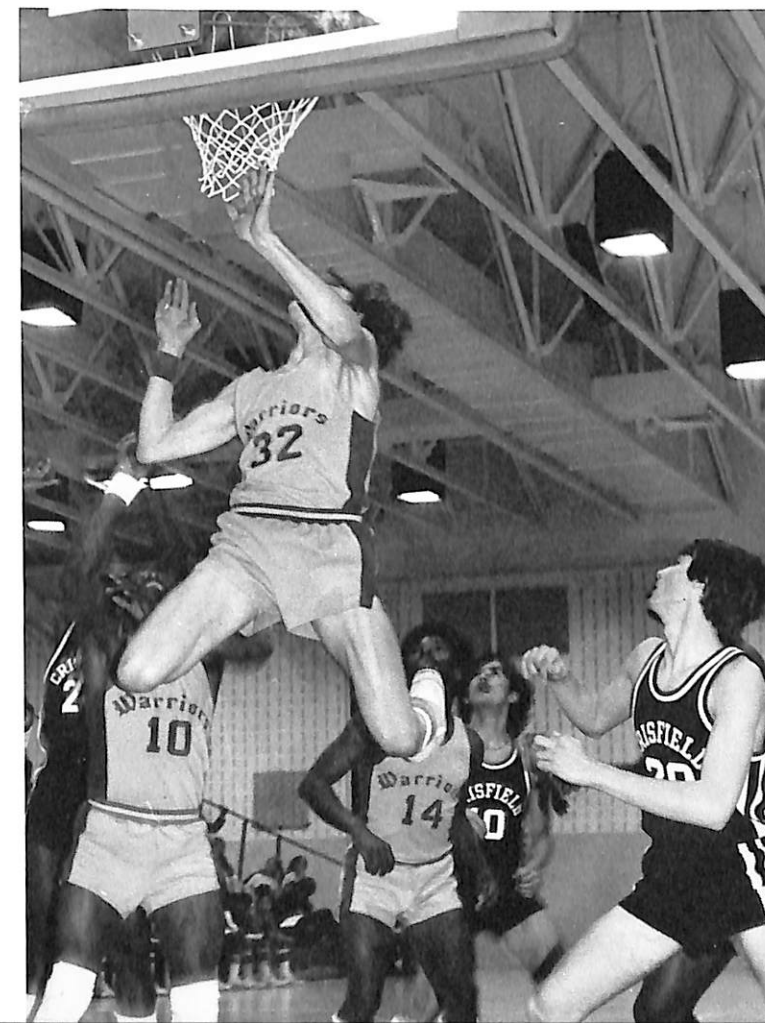

With the loss of four of its five starters, the PHS Basketball team faced a season of hard work, defeat, and pep talks. The team worked hard to rebuild the legend the team has become over the past years with impressive results. Their great team work was probably best apparent in their thrilling one point loss to Wilhi. Bruce Holden led the Warriors in total points scored. David Bodley and Putt Johnson also contributed to the Warrior drive.

Mabel's aggressiveness and outstanding offense and defense earned her the title of Most Valuable Player

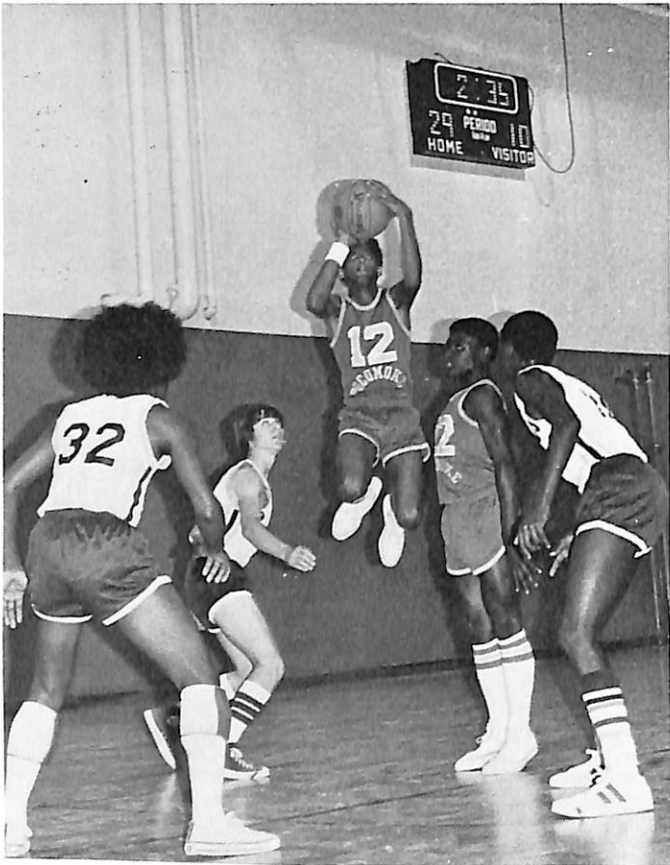

The girls basketball team finished the season with a record of eleven wins and eight losses, however the team play was better than the record indicated.

During the regular season the girls defeated arch rival Mardela and then eliminated another foe, Snow Hill in the playoffs. These talented and dedicated girls always worked together to do their very best.

Shelley Cropper led the team in scoring with 247 points for the year and also led in rebounds, collecting 204. Other outstanding players were Mabel Holden, Myra Mills, and Karen Dennis.

WINTER 1977

Along with Basketball, Christmas and the other events winter brings, this past winter was the harshest winter many of us can remember. Sitting in 50° school rooms and homes, we all survived with only colds to show the winter's damage. Many people will not complain when the temperature drops to 50° now.

PHS BASEBALL TEAM

HAS SUCCESSFUL SEASON

Senior Jeff Dorman in a crucial play against Bennett

The PHS Baseball team ended their regular season with an 11-8 log. Coach Tom Daisey said that overall the team hit very well, although quite a few games were lost due to costly errors and bad fielding. He also stated that the pitch-

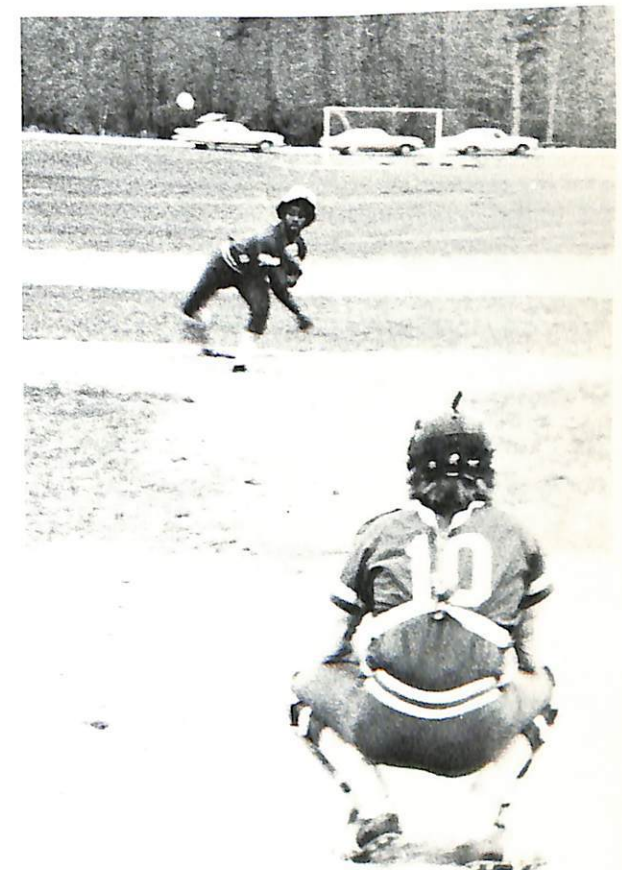

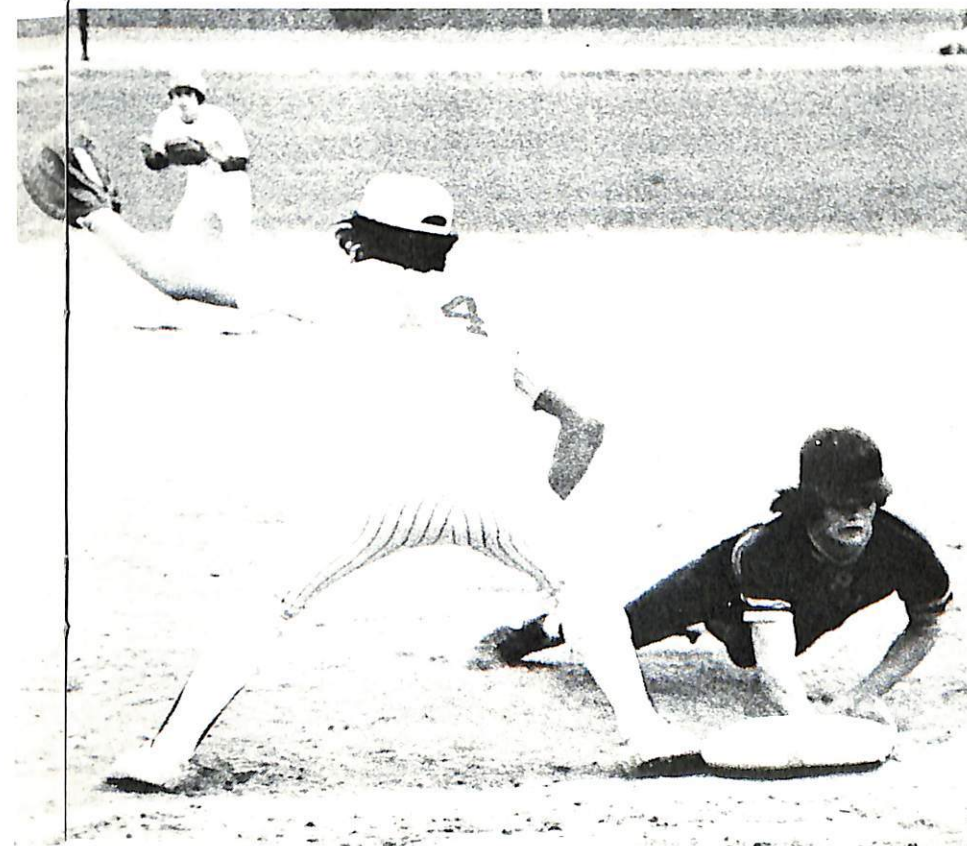

ing staff was very impressive. Outstanding players were Philip Matthews with a .368 batting average, Doug Colonna with a .360 batting average and Bill Breithut with a .360 batting average.

SOFTBALL TEAM LEARNS THROUGH EXPERIENCE

With a record of 6 wins and 10 losses the girls softball team was more impressive than the record would imply. Losing only one senior this year, the team will not have to worry about rebuilding next year's squad. Hopefully the experience will pay off for Coach Butler's team next year.

SPRING SCOREBOARD

EVENTS

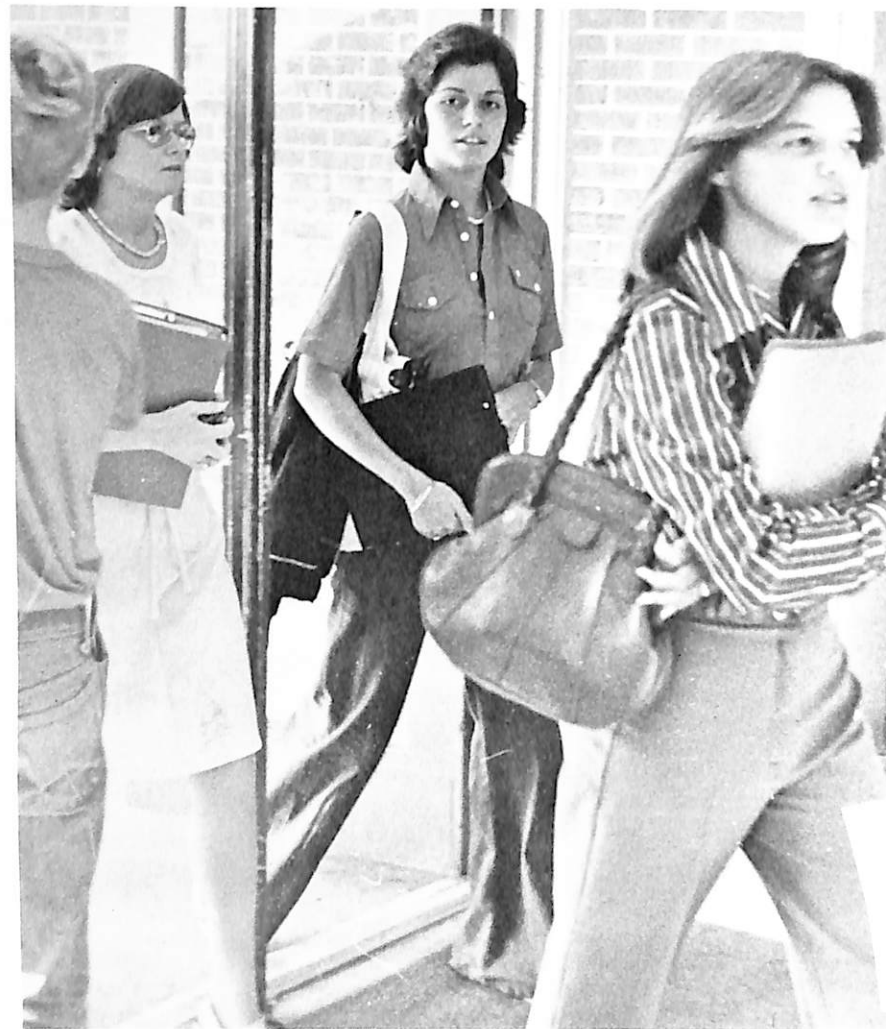

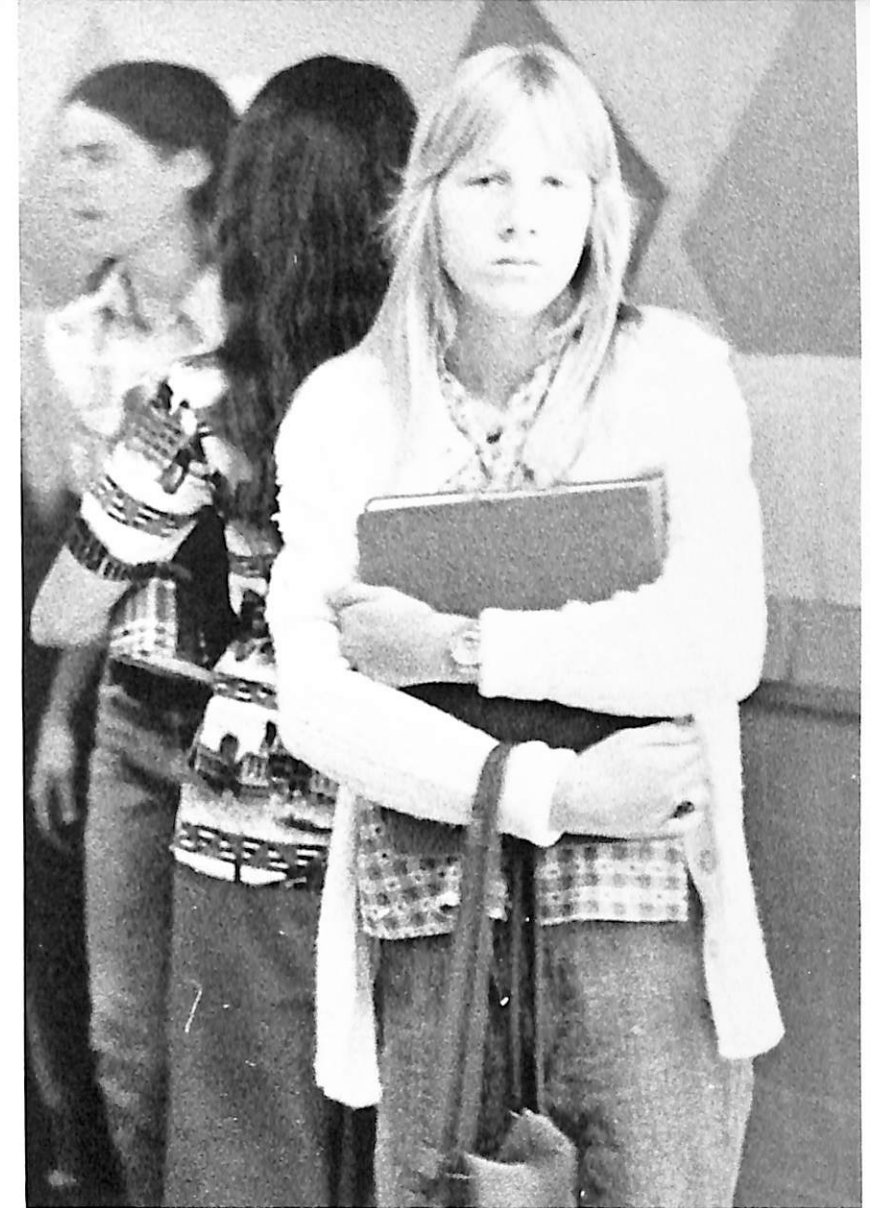

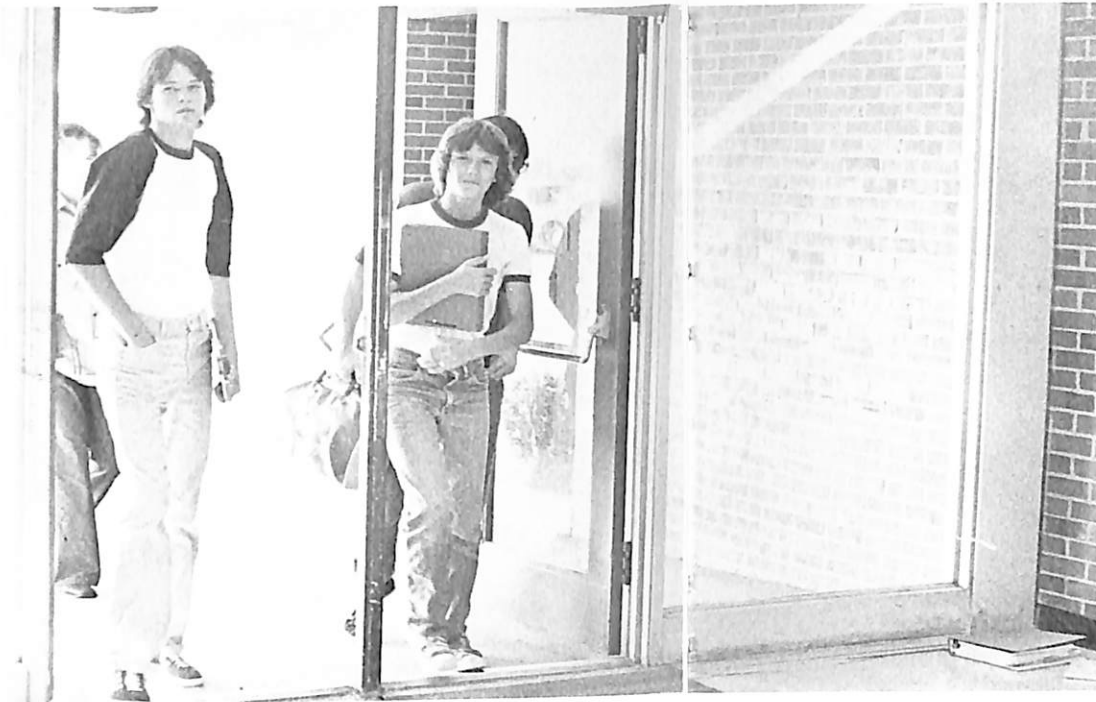

A NEW YEAR

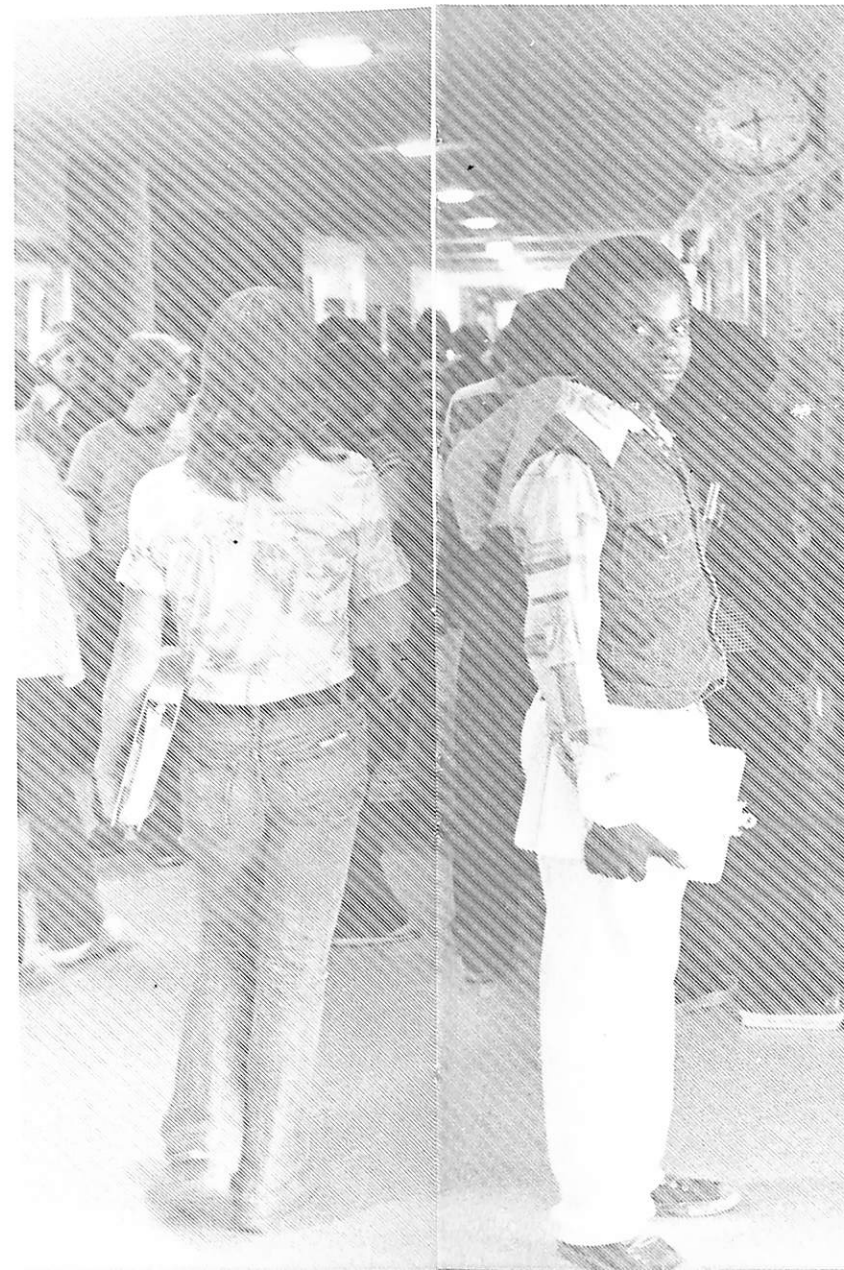

Although students were sorry to see the summer end, the first day of school brought a little excitement to everyone. For some, the beginning of a new year was a time for showing off new clothes, a summer tan, or maybe even a new car.

The majority of students at P.H.S. took a seven class day. Some Sophomores and Juniors attended Vocational School, and some Seniors took part in the Work Release and Advanced Placement programs.

The first day at P.H.S. was summed up by the Freshmen with the words challenging, confusing and fun.

Exchange student Cherie Davis, from Barbados, enters P.H.S. for her first day at an American school.

STUDENTS SHOW THEIR TALENTS IN VARIOUS WAYS

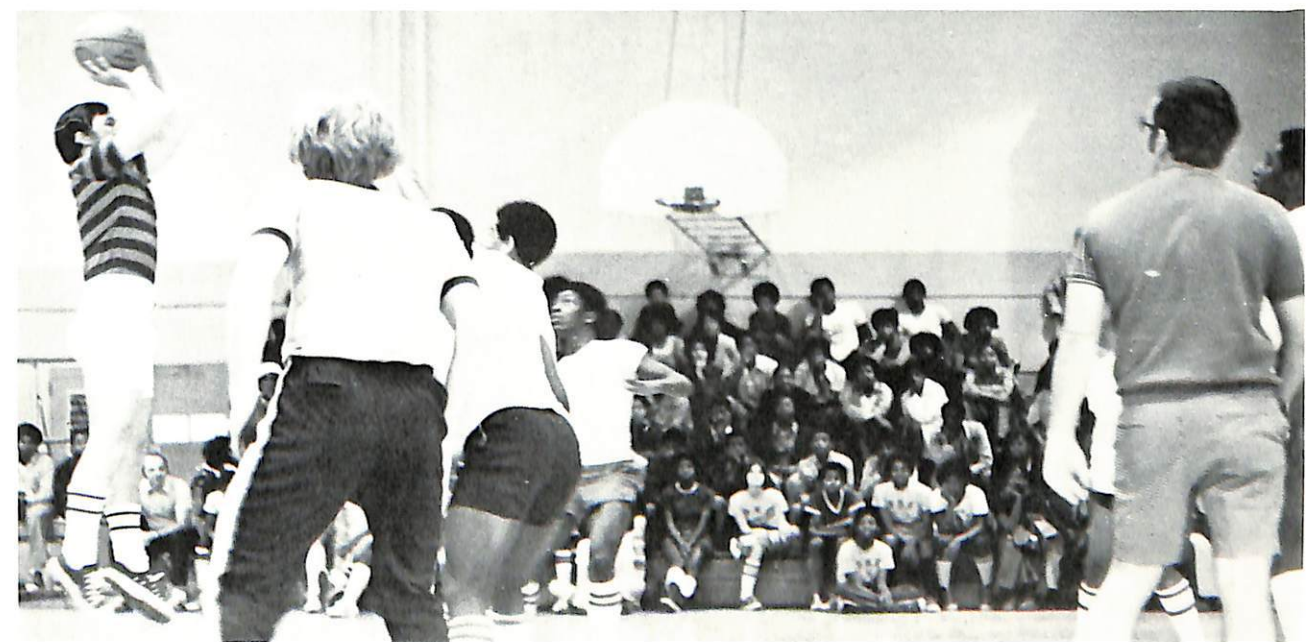

Carey Gaddis expresses her opinion for her candidate during the election.

Miss Redfield jumps high over Rosanne Stewart in the women's student-faculty game.

Emcee, Mike Harmon presents the first, second and third place winners in the talent show.

Mr. Daisey shoots for 2 points against Mr. Detwiler's J. V. Basketball team.

The Homecoming Day started with the Pancake Breakfast held at Pocomoke High. Then came the football game, Warriors vs. Eagles. Although the Warriors were defeated by the Eagles a great deal of excitement was involved during halftime. The highlight of halftime was crowning Bruce Holden as the P.H.S. King and Tracy Malloy as the P.H.S. Queen. The day was far from over for the students of P.H.S. As the evening rolled around, the students jammed to the sounds of "Myca" at the Homecoming Dance. All in all this was an inspiring event for all the students.

“CURSE YOU JACK DALTON”

The melodrama, “Curse You Jack Dalton”, was presented twice on one Friday evening. Even though it was combined with a spaghetti dinner, the attendance was rather disappointing. Sam Sipe, the director of the play, devoted much time and effort to the play, and in preparing the students for the play.

Standing with Coach Jerry Shumate are Jim Krimmel, the Most Dedicated Player of Football and Putt Johnson, the MVP of Football

Receivers of the Sportsmanship Award are Barbara McDermott and Mike Harmon. Barbara also was chosen as the MVP for her participation in field hockey

Coach Marvin Detwiler presents Bill Breithut with the MVP Award for soccer

The Annual Sports Banquet, in honor of the athletes of Pocomoke High, was held on May 19, 1977. Mr. Lambert, Head Coach of SSC Basketball Team, was the distinguished guest speaker at the banquet. He discussed, "the thrill of victory and the agony of defeat." During the latter part of the evening all athletes were recognized along with the players receiving awards. All in all the Sports Banquet was a successful event.

Coach Penny Butler presents Mable Holden with the MVP Awards for both Basketball and Softball and Renee Purnell with the MVP Award for Volleyball.

Coach Chip MacDonald presents the MVP Award to Bruce Holden while Bruce presents Coach MacDonald with a token of the teams appreciation

“SEND ME NO FLOWERS”

“Send Me No Flowers” was the second play presented by the Drama Class this year. Given on three consecutive nights, Thursday, Friday, and Saturday, the attendance was rather good. The student performances went extremely well and the faculty performance on Saturday night was enjoyed by all who saw it. We hope that Mr. Sam Sipe will continue his good work in directing the Drama Class and it's performances.

PREPARING A STAIRWAY TO HEAVEN

With plenty of light and dark blue crepe paper, tin foil, glittery stars and roses, all that was needed to produce a beautiful prom was a little manpower and ingenuity. The Junior class was not lacking in any of these necessities. Decorating for the 1977 prom was not all work though—the juniors managed to sneak in a few moments of fun and laughs, while completing the decorating on schedule.

If one goes—we all go.

Catch it Gale!

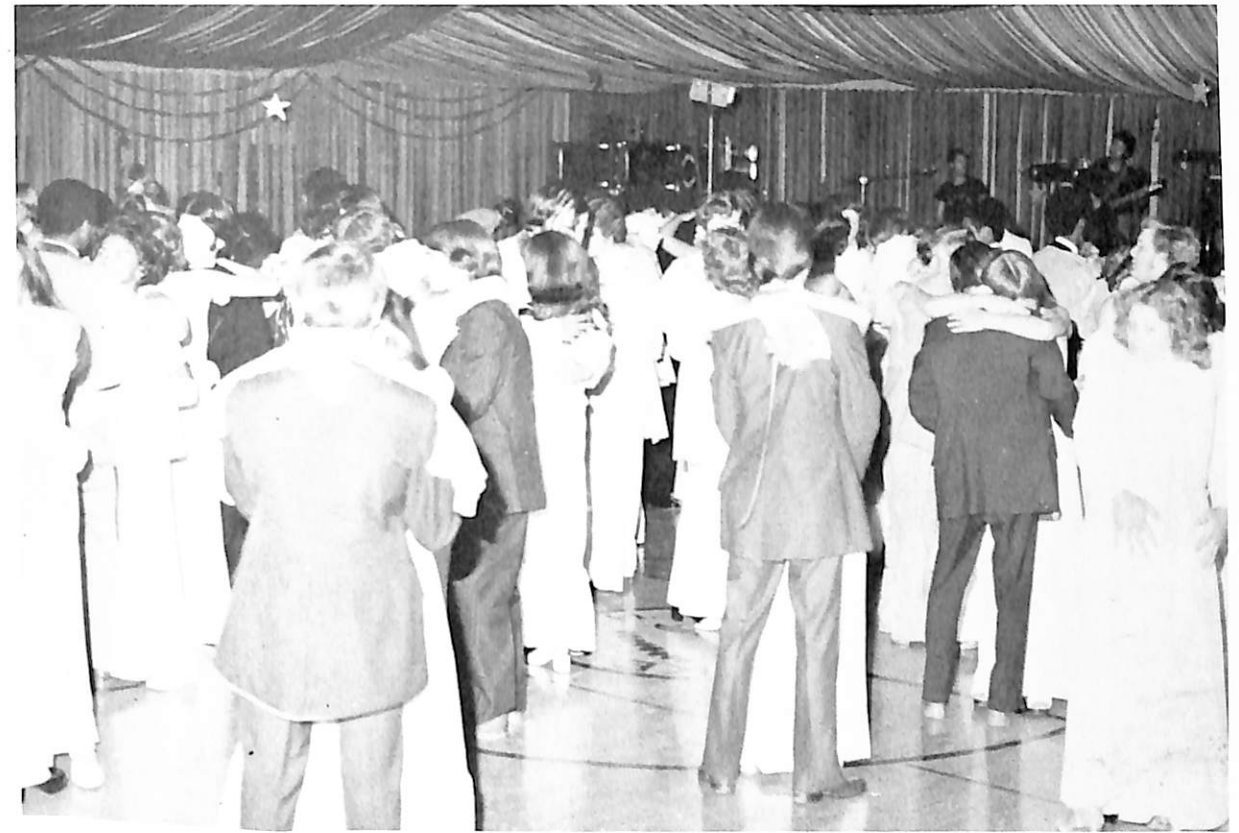

PROM NIGHT

Cherie Davis, Carie Gaddis, Melissa Matzner, Tracy Malloy, Miss P.H.S., Nick Chamberlain, Mr. P.H.S., Morris Dickerson, Brian Kragler, absent from picture: Bruce Holden.

Amidst a setting of silver and dark blue glittered stars, and a winding staircase, the 1977 Junior-Senior Prom proved to be a memorable occasion. The theme of the Prom was "Stairway To Heaven." After the Junior and Senior Grand March, each class danced to their respective class song. "Just To Be Close To You" for the Seniors, and "Do What You Want—Be What You Are" for the Juniors. Mr. and Miss P.H.S. and their court were announced by Mr. Carvel LaCurts. Everyone enjoyed dancing to the music of Myca until 1:00 when the Prom was officially over.

Mr. LaCurts announces the Grand March.

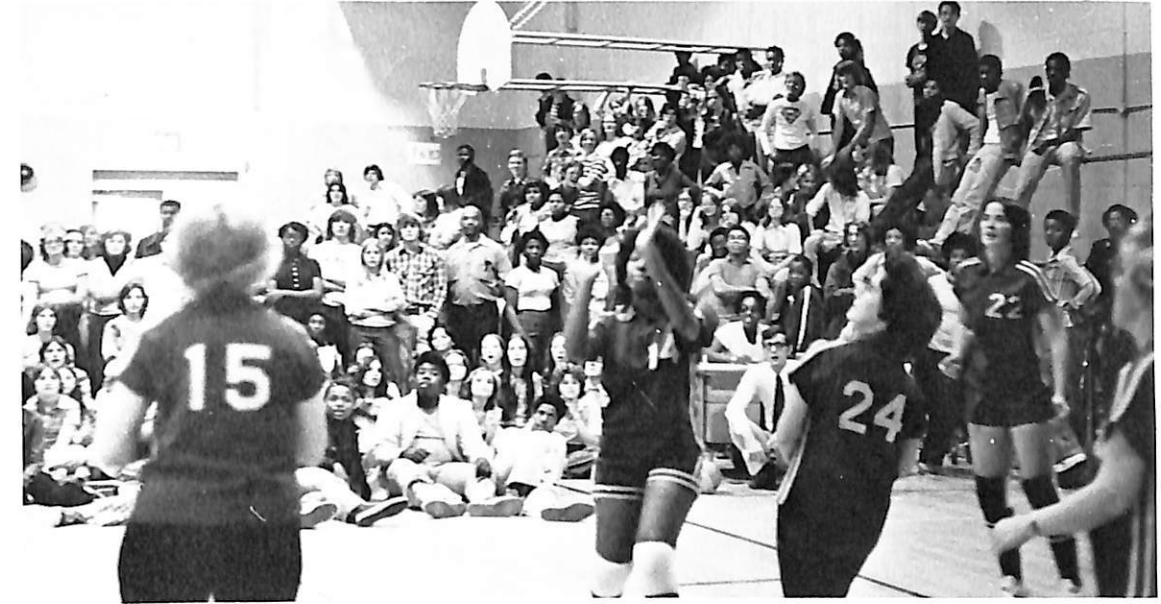

TEACHERS SHOW THEIR

The female teachers donned volleyball uniforms and the male teachers relinquished their pride to amuse the student body. The entertainment for the afternoon featured Mr. MacDonald, Mr. Carr, Mr. Crosby, Mr. La-Curts, Mr. Sipe, Mr. Ross, Mr. Covington, and Mr. Kelley as cheerleaders. Also in the show was a volleyball game between the volleyball team and the female teachers.

HIGH

STAFF

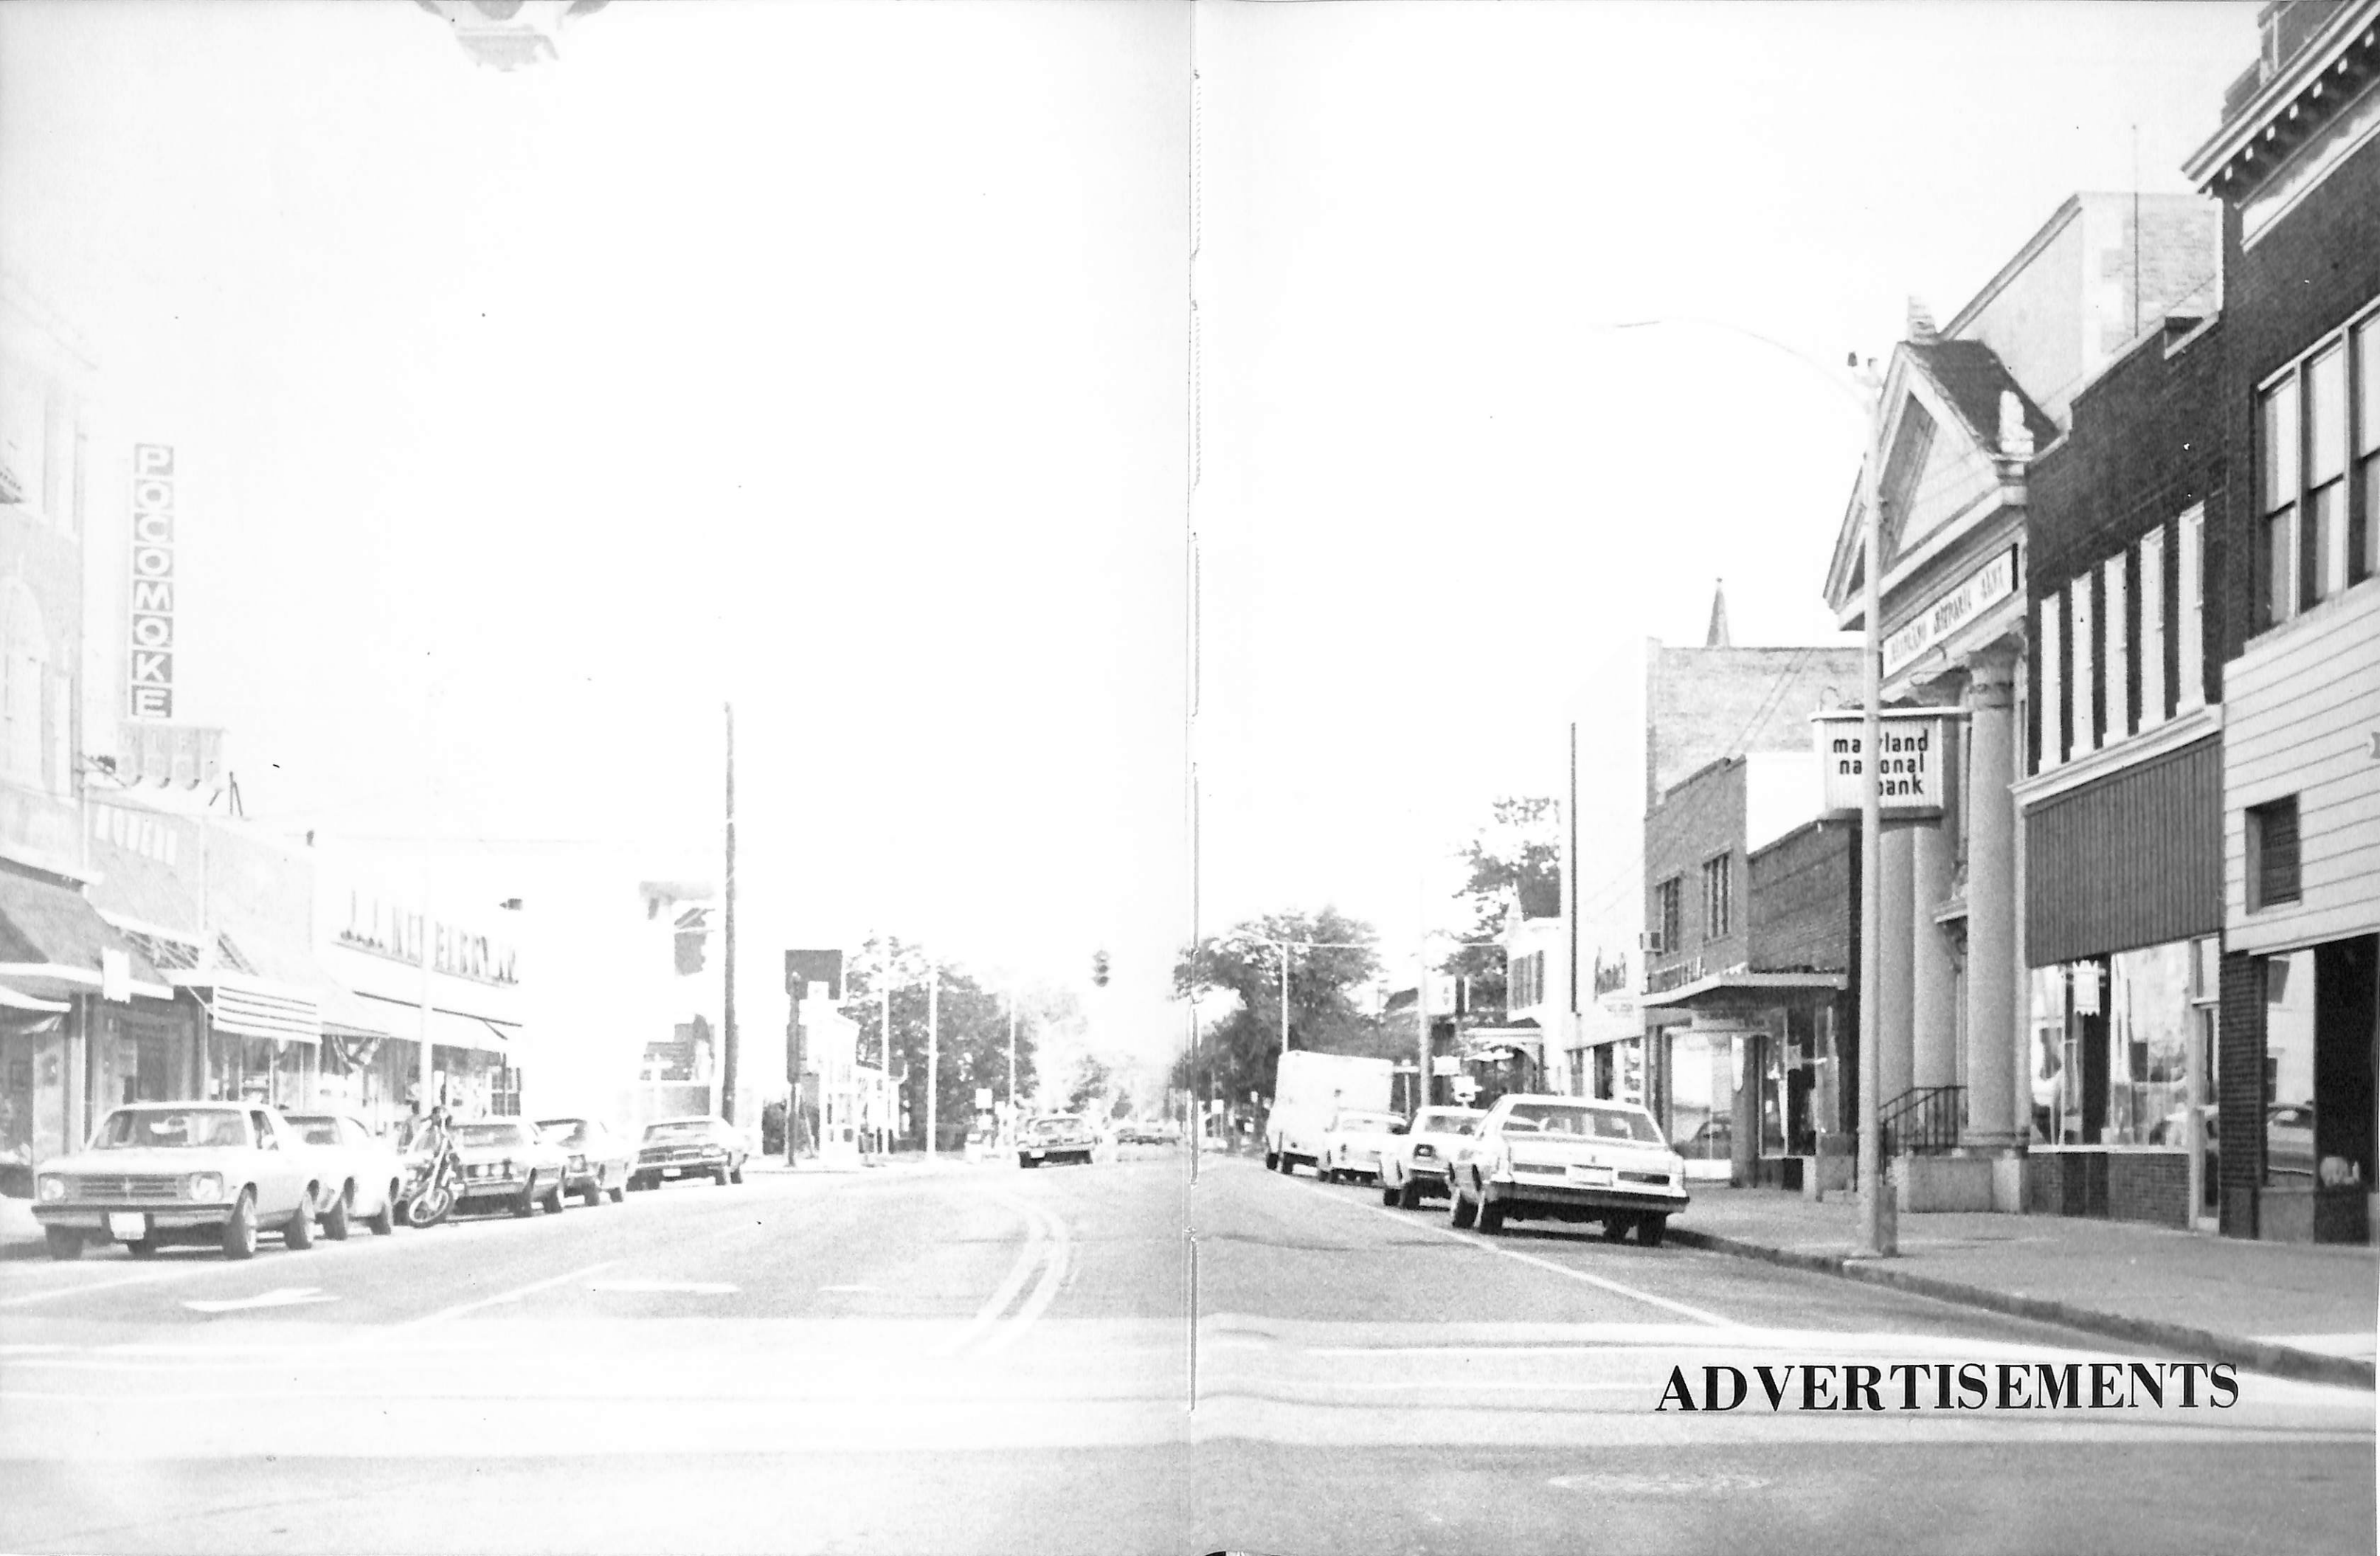

Cafeteria workers and janitors are members of the P.H.S. staff. These dedicated workers are seldom recognized for their importance in the up-keep of our school. The jobs that they do are often looked down upon by the student body, even when they are well done. So, from all of us at P.H.S. to all the staff workers we say thanks.

Mr. Gaines Jordon, and Richard Blake help repair a light fixture. Hor-
tence Smith, the Janitress, is also instrumental in maintaining the clean-
liness of P.H.S.
