

# **WELCOME THE CLASS**

**OF**

**1964**

**The class of 1963 would like to take this opportunity to welcome our friends and classmates from the Class of 1964. It seems like only yesterday that we all walked the halls of Pocomoke High School. Little did we know the challenges, which we were to face in the years ahead? Like all young people at that age we were confident enough to know everything about life and all its wonders. Boy have we learned lessons that not even PHS could provide answers for. Though thru the years with the knowledge and guidance we were given we have learned one of the most important things that life can ever give us and that is Friendships are one of the greatest and most important assets of life.**

**We were fortunate enough to have been invited to the reunion held by the class of 1964 a few years ago and it seemed as though time stood still and we were back at PHS walking those halls and terrorizing the teachers as some of us once did. They were good days and days we can remember with pride and accomplishment. Looking around I know that out of the two classes there are no failures, we have doctors, lawyers, nurses, engineers, florist, farmers, teachers, homemakers, secretaries, accountants and many other professions, all that are very essential in today's society. We have come a long way Baby and Mr. Timmons would have been proud of us. As we all know there were times I am sure he thought we would never make it but we did and speaking with much pride we did a darn good job.**

**We would like to thank the members and committee of the class of 1964 for all the assistance they gave us in getting this reunion started. A special thanks to Elaine and Bill Herz for being so kind as to having us gather there and plan, without Elaine we may never have made it to tonite. Elaine has been our support and surely Bill's secretary. She did a great job. Thank you Elaine for all your support and help.**

**We hope you enjoy this evening and remember it until we meet at our 50th reunion.**

**I'M FREE**

**(TAKEN FROM SERVICE OF CHARLES W. TRADER, Jr.)**

***Don't Grieve for me, for now I'm free  
I'm following the path God laid for me.  
I took his hand, when I heard him call,  
I turned my back and left it all.***

***I could not stay another day,  
To laugh, to love, to work or play.  
Tasks undone must stay that way,  
I've found my peace at the close of the day.***

***If my parting has left a void, then fill it with a  
Remembered joy.***

***A friendship shared, a laugh, a kiss,  
Oh yes, those things I too will miss.  
Be not burdened with times of sorrow,  
I wish you the sunshine of tomorrow.  
My life's been full, I savored much,  
Good friends, good times, a loved one's touch.  
Perhaps my time seemed all too brief,  
Don't lengthen it now with undue grief.***

***Lift up your heart and share with me...  
God wanted me now, he set me free.***
