"Go Placidly . . .

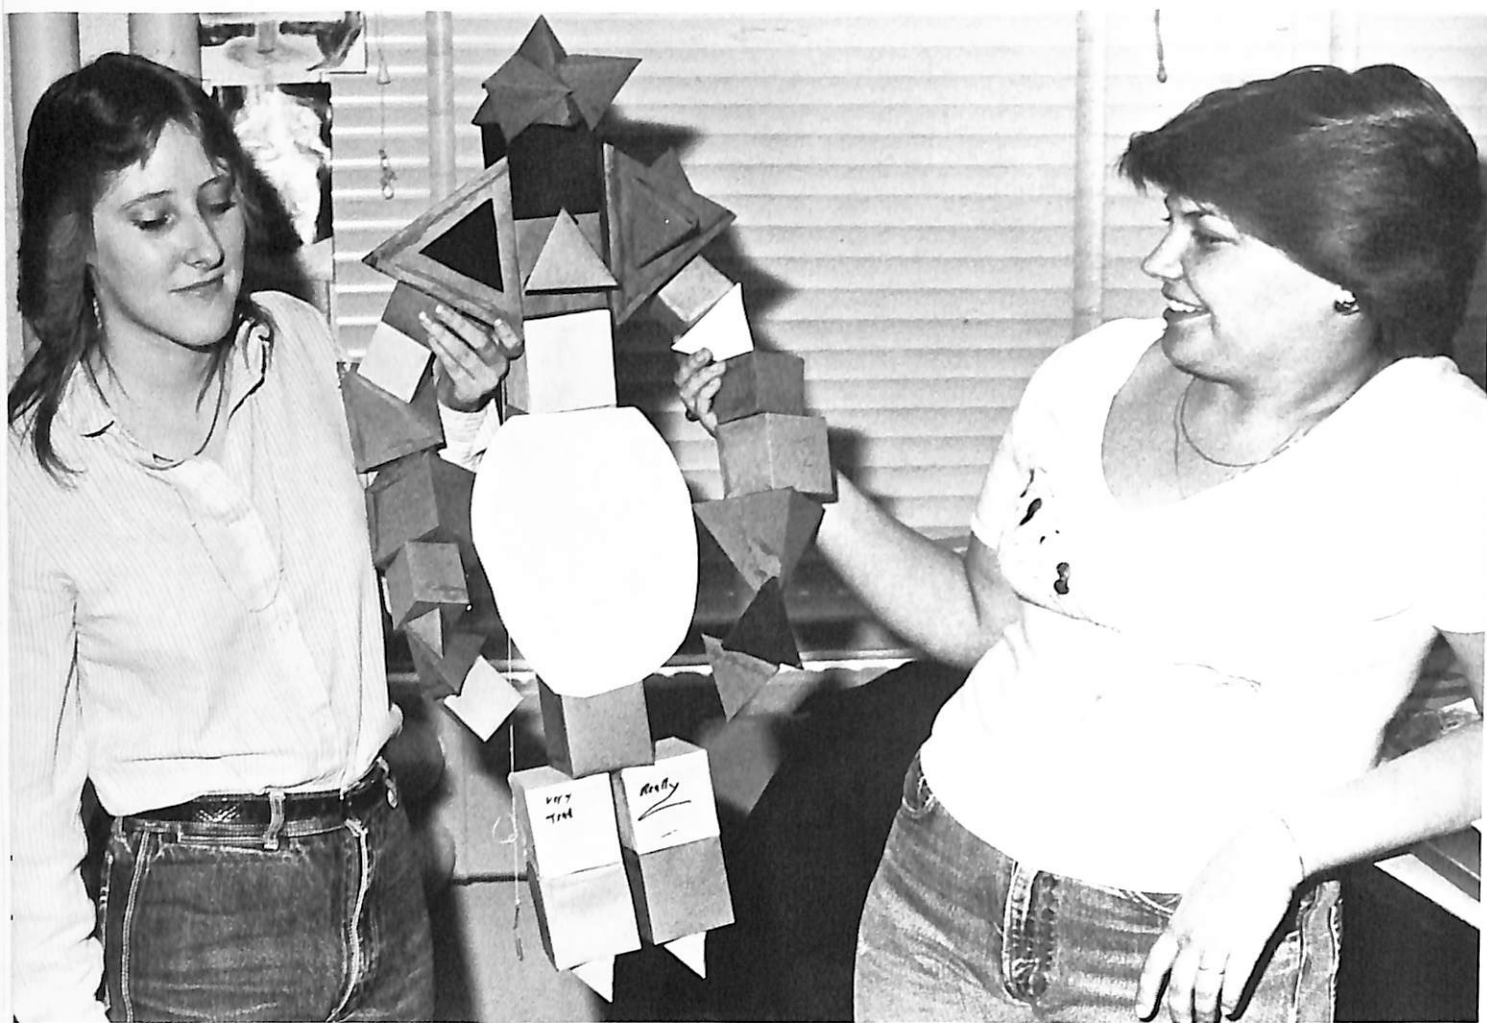

Amid the Noise

And Haste

What Peace

There May Be

In Silence . . .

As Far

The 1981-82 yearbook is fondly dedicated to the entire student body, teachers, administration, and staff for their courage and stamina in a year filled with change.

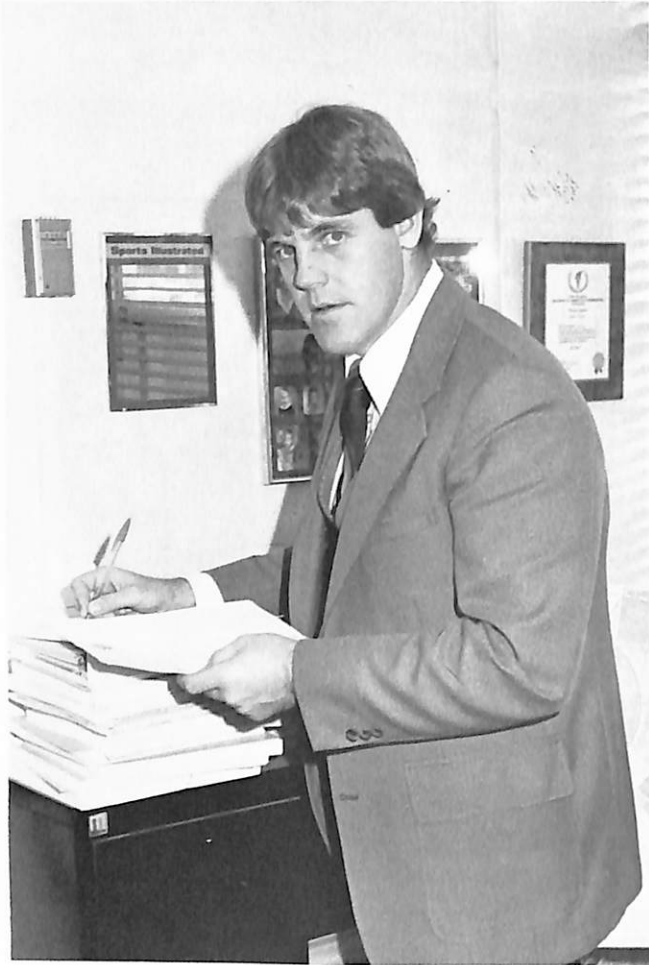

As Possible

Without

Surrender . . .

Principal's Message to Students

It takes the efforts of a lot of different people for a school to provide the wide range of experiences needed for a successful school year. Immediately the picture of the administration, the teaching staff and the Board of Education come to mind. Certainly, without a sincere commitment and adequate preparation on the part of these educators, the school would be lacking in both direction and purpose.

Still, it takes more . . . much more for a student to be given the opportunity to develop to the fullest, intellectually, socially and physically. Without the support of the custodial and cafeteria staffs, the school, as we know it, would be much different.

There are the booster organizations, who give of themselves in more ways and one more occasions than many people realize. The advisory committees help in plotting the course the experiences of our school will take, this year and in the future. The people in these organizations are the spokesmen of the community. Since the school is the community, the role these people play is critical in helping to shape our programs.

Service clubs and local businesses have time and again shown their interest in the school and its students. The resourceful support of these people have enabled the school to provide a wide variety of programs with a much greater scope.

Finally there are the students. Without you the school has no purpose. Without the school, you have far less opportunity to grow as a complete individual.

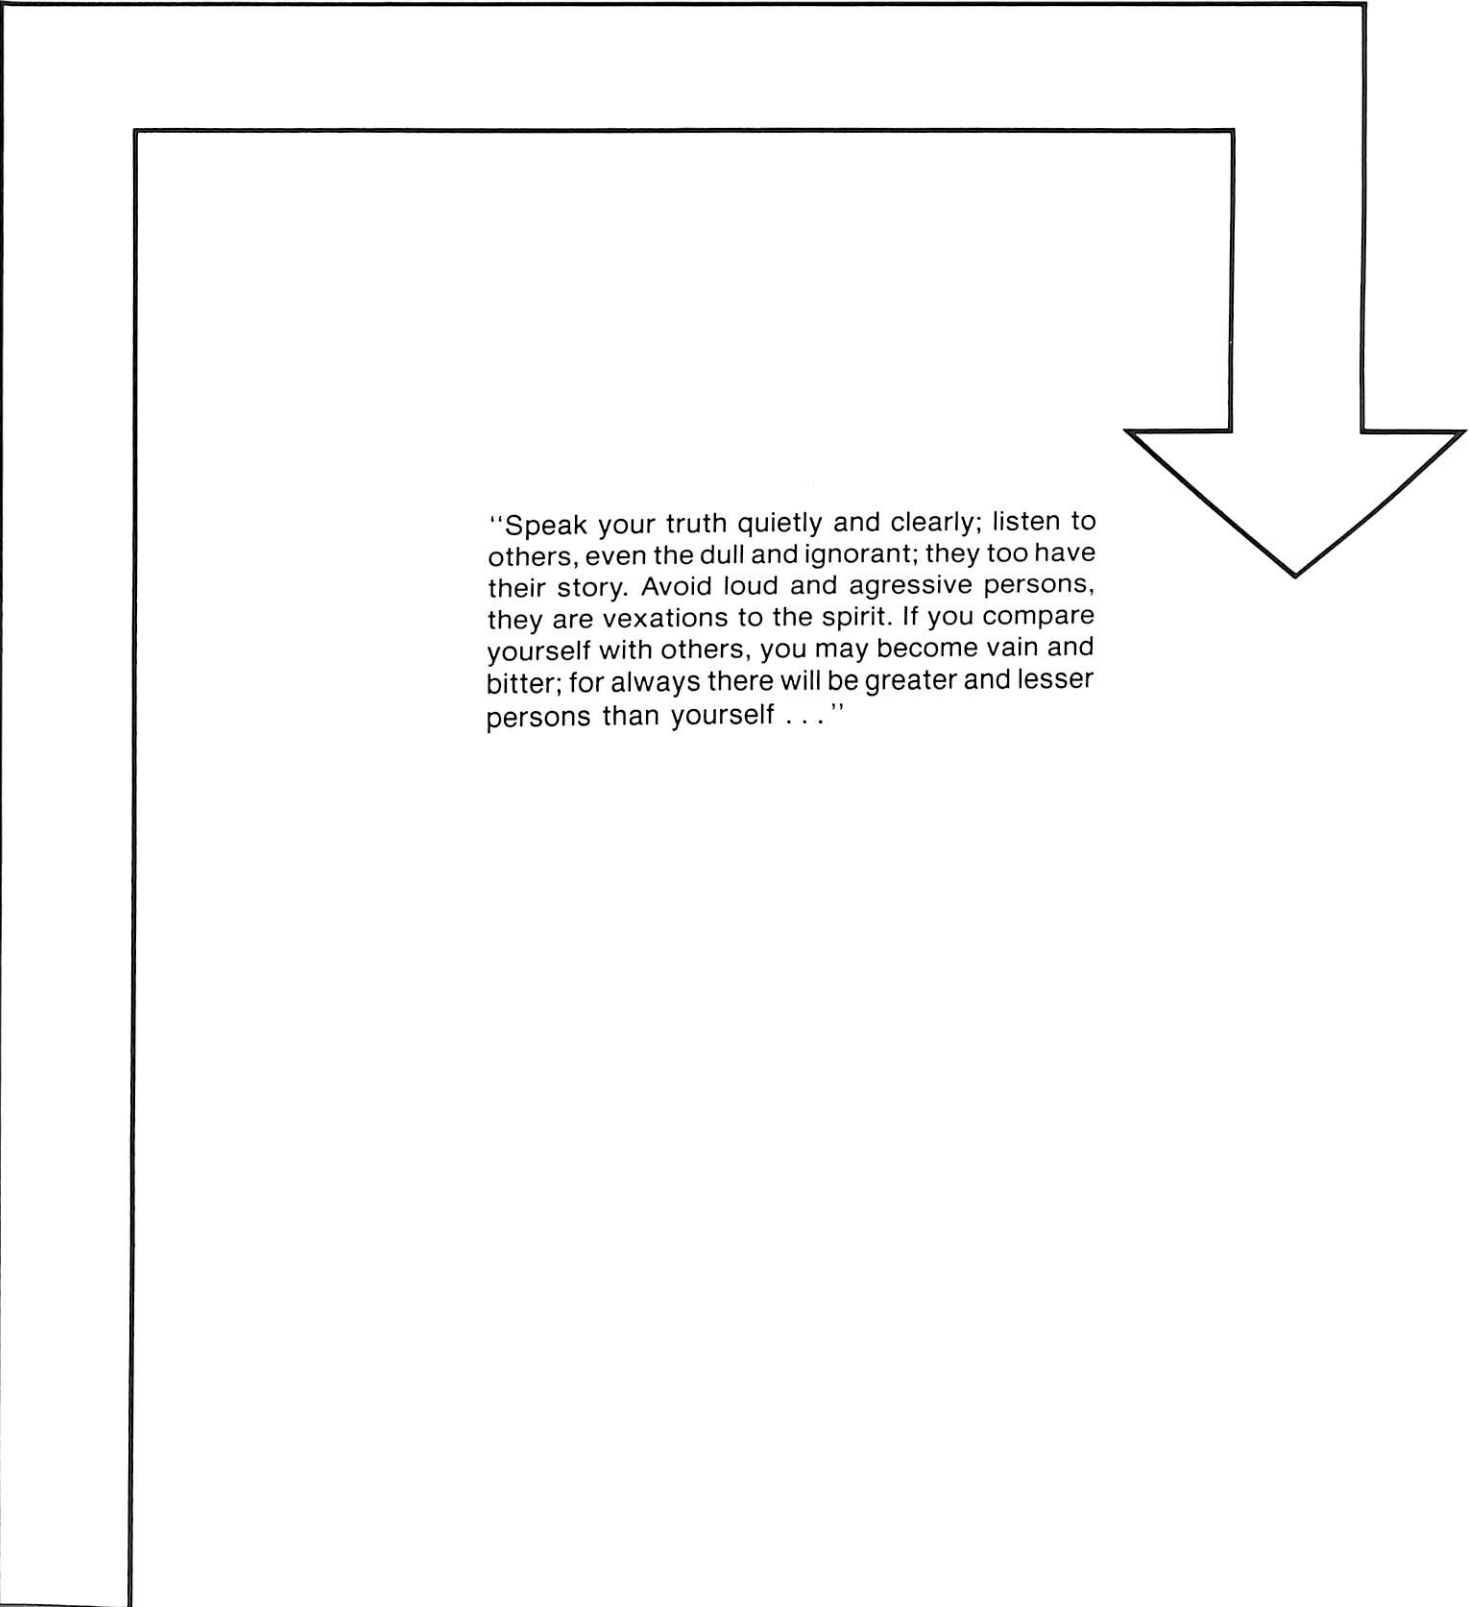

Use the school to its fullest; get involved in the creative, dynamic and challenging experience offered you by your school. You have done an exemplary job this year. I hope to see more of the same in the future.

On the pages of this issue of the Pocomoke High School yearbook, I hope you will find memories of an important year in your life. It is gone now. But, the manner in which you lived it will provide a direction for your future.

Thank all of you for making this school year what it was, a time of challenges, a time of growing and a time of understanding. This was an important lesson for the rest of our lives.

James H. VanSciver
Principal

FRESHMEN:

"Speak your truth quietly and clearly; listen to others, even the dull and ignorant; they too have their story. Avoid loud and aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain and bitter; for always there will be greater and lesser persons than yourself . . ."

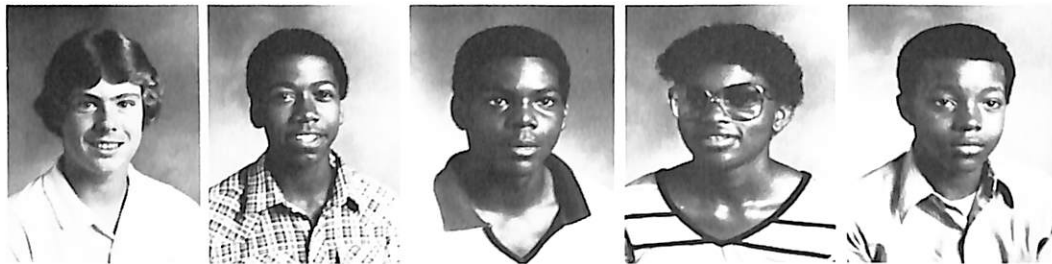

Class of '85

In addition to the change from Pocomoke Middle School to Pocomoke High School, the Freshman class had to adjust to a new administration. Their participation in academic and athletic events is commendable. Good luck class of 1985.

The sophomores of 1981-82 fared well in adopting, once again, to a new administration. Although this year's administration was quite different from last year's, that didn't knock down the "sophomore spirit." They excitedly performed the annual tenth grade rituals including driver education, ordering class rings, and awaiting the National Honor Society inductions. They are surely becoming mature, responsible adults.

JUNIORS:

"Be yourself. Especially do not feign affection. Neither be cynical about love; for in the face of all aridity and disenchantment it is perennial as the grass. Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings ..."

Starting off the year with elections, the Junior class picked the following people to be their officers: Val Downing — President, Lorrie Mills — Vice President, Angie Smith — Secretary, and Terri Stripling — Treasurer. All of these class members worked long and hard hours preparing for the Junior-Senior Prom. Raffles, baby photo contest, Tag Day, spirit chain, and a Field Day were just some of the events that they did sponsor to raise money for the big night.

But the Prom was not the only thing on the Junior's mind. They were getting set for their futures by taking S.A.T.'s, visiting the career room, meeting with college representatives, and talking with the guidance counselors, Mr. Shumate and Mrs. Wescott.

1982 Junior Class Officers: Terri Stripling — Treasurer; Angie Smith — Secretary; Lorrie Mills — V. Pres.; Val Downing — President.

JUNIORS

SENIORS:

"Many fears are born of fatigue and loneliness. Beyond a wholesome discipline, be gentle with yourself. You are a child of the universe, no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. Therefore, be at peace with God, whatever you conceive him to be, and whatever your labors and aspirations, in the noisy confusion of life keep peace with your soul . . ."

ADMINISTRATION

"Go Placidly amid the noise and
haste and remember what peace
there may be in silence . . ."

Administration

Our yearbook photographer captures a rare moment when Mr. Van-Scriver and Mr. Jackson take time out from discussing important school issues.

Although both of them made a fresh start here, they quickly settled in for an enjoyable first year at Pocomoke High School.

Every boss will admit that it takes a good secretary to make an office run smoothly, and Brenda is no exception to that rule.

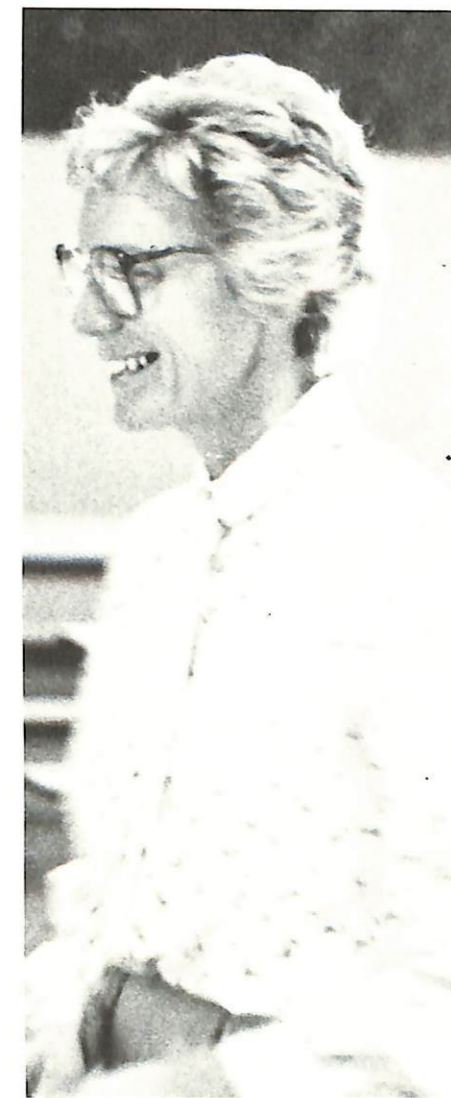

Guidance

Mrs. Becky Hitchens checks attendance. This is just one of her duties as secretary to Mr. Shumate and Mrs. Westcott

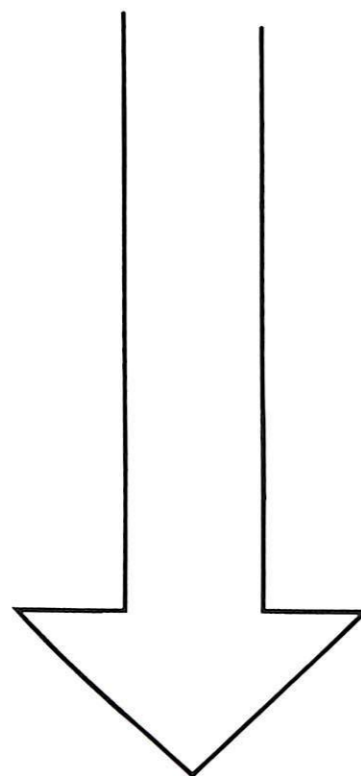

Mr. Shumate talks to a senior about plans for next year. His position as guidance counselor often gives him opportunities such as this. Mr. Shumate also teaches a Speech Class.

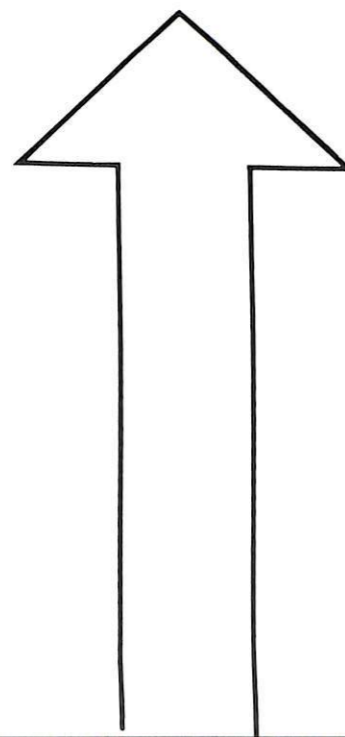

Mrs. Westcott teaches her ninth grade health class. She also serves Pocomoke High School as a field hockey coach and a guidance counselor.

TEACHERS

"Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time . . ."

2 Knowledge + fun₂ → Science

Mr. LaCurts, above, shows his class the correct way to do an experiment.

His classes include Chemistry I & II, General Chemistry, and Physics.

Mrs. Rich, below, places a quiz on the chalkboard for her class. She teaches Physical Science, General Science, and General Biology II.

Mr. Smith, above, gives one of his many lectures.

These lectures are listened to by B.S.C.S., Advanced Placement Biology, General Biology, and Earth Science students.

English?!

Mrs. Johnson teaches her tenth grade English class. Mrs. Johnson, although being one of the shortest teachers in the school, can be recognized for having one of the tallest personalities.

Mrs. Collier poses for the year-book camera after helping a student. In addition to teaching English, she also advises the year-book staff.

Everyone knows that it is hard to tame a senior who as his heart set on graduation. Mrs. Przybyla, we can proudly say, has done her best with the impatient class of 1982.

English (con't.)

Mr. Sipe takes time out from his scheudle to pose for a picture. He teaches English, Drama, and Journalism.

Mrs. Smith teaches her class the uses of a comma. Her classes are made up of freshmen taking English.

Ruth completes *another* English assignment.

This group of seniors find English a good time to catch up on all the "juicy" gossip.

History

Mrs. Corbin takes time out from grading papers. She teaches Western Civilization and U.S. History.

Mr. Covington makes a point. Among his classes are Contemporary Issues and Advanced Placement Government.

Mrs. Lewis adds some beauty to the Papoose. She teaches U.S. History, Development of Freedom, Advanced Placement Western Civilization, and Western Civilization.

1 + 6 = Math

Mr. LaCurts finds a moment of relaxation in his busy day. He teaches Geometry, Advanced Algebra, Trigonometry, and Calculus.

Mr. Layman listens to the response of a student. His classes include Basic Math, Algebra I and Intermediate Algebra.

Mr. Smith takes a breather from his classes which include Basic Math, Consumer Math, and Algebra II.

Resource Department

Mrs. Cheek, above, instructs one of her students. She teaches job assessment, math, and science.

Mrs. Fortune listens to the reply of a student. Her classes include job skills and reading.

Mrs. Massey's class keeps her in stitches. She teaches reading.

Resource Department

Ms. Smith poses for a picture. It is rare to catch her not doing anything, because in addition to teaching English and History, she is also the cheerleaders' coach.

Even teachers have fun sometime.

Brenda and Ms. Smith join up forces against modern technology.

Electives

Mr. Bragg is seen only on rare occasions without his baton. Mr. Bragg has led the Pocomoke High School band to many first place finishes in the parades they attended.

Mr. Buchanan takes attendance. His classes include Art I & II and Woodworking I & II. Although it was his first year here, he settled in well and has become a friend to all.

Mrs. Conaway prepares for the annual Foreign Language Club Christmas Bazaar. In addition to organizing such fund raisers, Mrs. Conaway teaches French I & II and Spanish I & II.

GYAC

The Governor's Youth Advisory Council consists of a group of students appointed to serve as youth advisors to the governor. They are given the opportunity to select one of three committees to serve on. These committees are concerned with the problems of the youth, education, and service to the community. These students also attend conferences in their own district as well as at the state level. The purpose of this council is to get the youth involved in government by sharing their ideas with the governor.

Six were the Maryland Mathematics League and six were the Atlantic-Pacific League. Carvel LaCurts has been in charge of the League all seven years. This year the challenge was a team challenge with three members to a team. The Kiwanis sponsored a dinner for the Math Challenge participants on May 25, 1982. The Kiwanis presented the winning team with three pocket computers. The winning team is pictured above.

After winning their first two matches of the season, the 1981 Pocomoke Warrior Soccer Team went on to post an impressive 7 and 4 record putting them in the Class C playoffs. The Warriors lost a close first round match to arch rival, Crisfield High School. The highlight of this past season was a 17-0 thrashing of county foe, Snow Hill. In that game the team set a single game scoring record and Rick Huey scored six to set a new school record. Bruce Cottman became the all-time leading single-season scorer with 20 goals. Huey, Cottman, and Greg McGoogan were named to the All Bayside Conference first team. Huey was also named to the All State team. Honorable mention Bayside players were: Donald Hatfield, Steve Bundick, John Chamberlain, Tommy Johnson, and Kevin Robertson.

PHS Field Hockey

1981 Bayside Champs!

To The State Playoffs . . .

The PHS field hockey team made itself known during the fall of 1981. Their major taste of victory came by winning a hard-fought game against Mardela High School, by a score of 2-1. This victory won them the title of "Bayside Champions" and enabled them to advance to the state playoffs held in Centerville, Maryland.

Although the playoff game against Middleton High School ended in defeat for the Pocomoke girls, all are in agreement that the 1981 field hockey team was definitely a great success!

A Hawaiian

On May 8, 1982, the annual Junior/Senior prom was held at the Pocomoke Elks Lodge. The theme of this year's prom was a "Hawaiian Paradise", and the room was decorated in a colorful atmosphere of pineapples, palm trees, and colored streamers.

The junior class this year learned originality and broke away from the conformity of past proms by having dinner beforehand. The Elks served a delicious steak dinner, and then the music began.

Charade and Jerry Nicholas joined forces in providing non-stop music until 1 a.m. The dance floor was reluctantly cleared twice during the night. The first break in action was for the grand march, and then later for the crowning of Mr. and Miss P.H.S. This year's honors were awarded to Joyce Hardin and Greg McGoogan.

All seemed to enjoy the 1982 prom and the junior class set a precedent that will long be remembered by all who were in attendance.

Everyone was ready to "fuel up" with food for a long evening ahead.

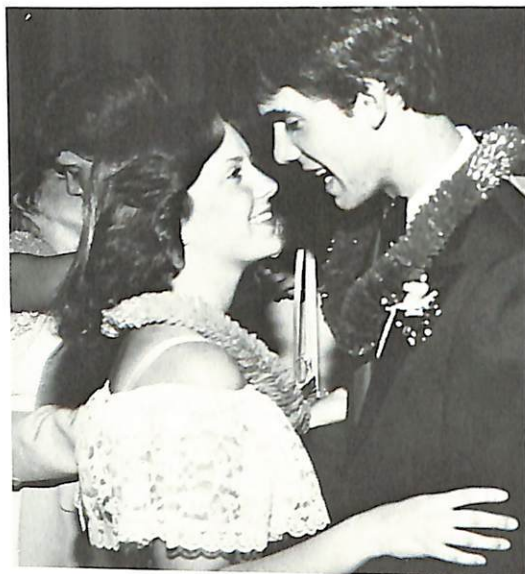

Rosario Daza, our exchange student from Bolivia, seemed to enjoy an American style prom.

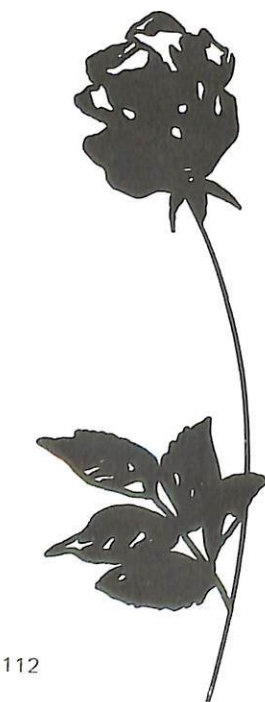

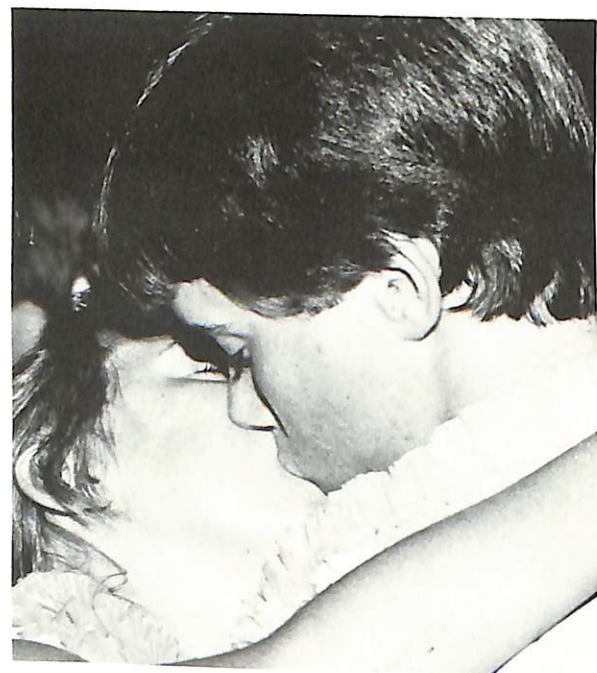

Charade did an outstanding job, pleasing every taste in music.

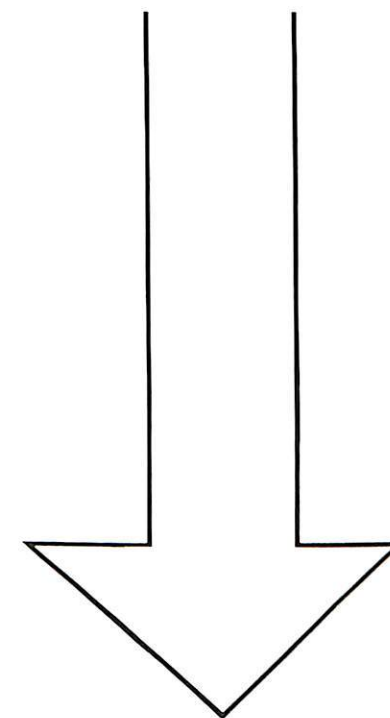

And all danced happily ever after, or at least until 1 a.m.!

SENIOR WILL

We, the graduating class, of 1982, being of sound mind, and having reassured ourselves that the high moral and ethical standards which Pocomoke High School has set forth will enable us to achieve the goals toward which we strive, do hereby submit this — our will and testament. We, therefore, declare all previous wills null and void. It is hereby the will of various seniors to bequeath their most cherished possessions to the following individuals:

- To Jason Russell, Jeff Young, leaves his awesome ability.
- To Steve Bundick, Steve McGee, leaves all his toothpicks, fast cars, and bad jackets, in hopes that it will help Bundick get a date.
- To Jason Russell and Glenn Tindle, Laura Sparrow, leaves sister, Susan. Good luck guys!
- To her sister Debbie Copes, Claudia Copes leaves her quietness. P.S. You will have to put a zipper on her mouth.
- To Mr. Covington, Allen Butler, leaves his ability to build a deer stand.
- To Patrice Timmons, Gardenia Taylor, leaves her ability not to flirt so much.
- To her brother Scott, Kim Richardson, leaves her ability to make it through four years of high school.
- To Alan Byrd, John Chamberlain, leaves his ability to control his temper. (Next year's soccer team captain will know what he means.)
- To Kim Hardin, Suzan Gebo, leaves her long fingernails. Kim has been trying for years to get perfect nails.
- To Karen Smith, Teresa Duffy, leaves her big beautiful legs.
- To Mrs. Collier, the senior class of 1982, leaves Robert Murray and two dictionaries so next years classes won't have to look up every other word.
- To everyone who takes Covey's class, Carl Voss, leaves his ability to totally ignore Covey.
- To Mrs. Pryzbyla, John Chamberlain, leaves his sense of humor.
- To Kevin Fisher, Scott Hughes, leaves his driving ability.
- To the freshmen members in the PHS band, the senior members, leave their discipline. Mr. Bragg needs all the help he can get.

SENIOR WILL (cont'd.)

To anyone with the patience of a saint and the endurance of a track star, Maureen Darcy, leaves the position of yearbook editor.

We, the graduating Seniors, are about to venture into a world full of challenges. We believe that the principles and ideals fostered at Pocomoke High School will enable us to conquer whatever obstacles we encounter. Seniors Can't Forget

WHEN . . .

Pocomoke Elementary School burned, Donald Hatfield lost his lunchbox and cried because he wanted it back.

Mark Davis passed a class.

It was 1979, and "old man" was supposed to graduate.

We used to think Mr. Detwiler was strict.

David Leitao kissed Joyce Hardin in the junior class play and her boyfriend got mad and left.

Dana Bodley brought her thermos to the eighth grade party and we all got the Christmas "spirits"; then we all got suspended.

We dissected a frog in the fifth grade and Robbie Sacks fainted.

Steve Mister and Mary Somers danced in the spring concert and he dropped her.

Mr. Sipe wore his snake skin suit to the 1981 junior-senior prom.

Mark Davis was called "Tinkerbell."

Tim Brittingham shot a toy gun in Mr. Sipe's face and got sent to the office.

Cheryl Whiting . . . (Oh no, that's too mean).

Being a "Senior" *used to be* full of fun and privileges.

Mrs. Westcott thought the whole field hockey team was mad at her for something she did, and they ran off the field to get her birthday present.

Henry Dickerson asked Mrs. Collier what he got on his research paper, and she told him to salute the flag.

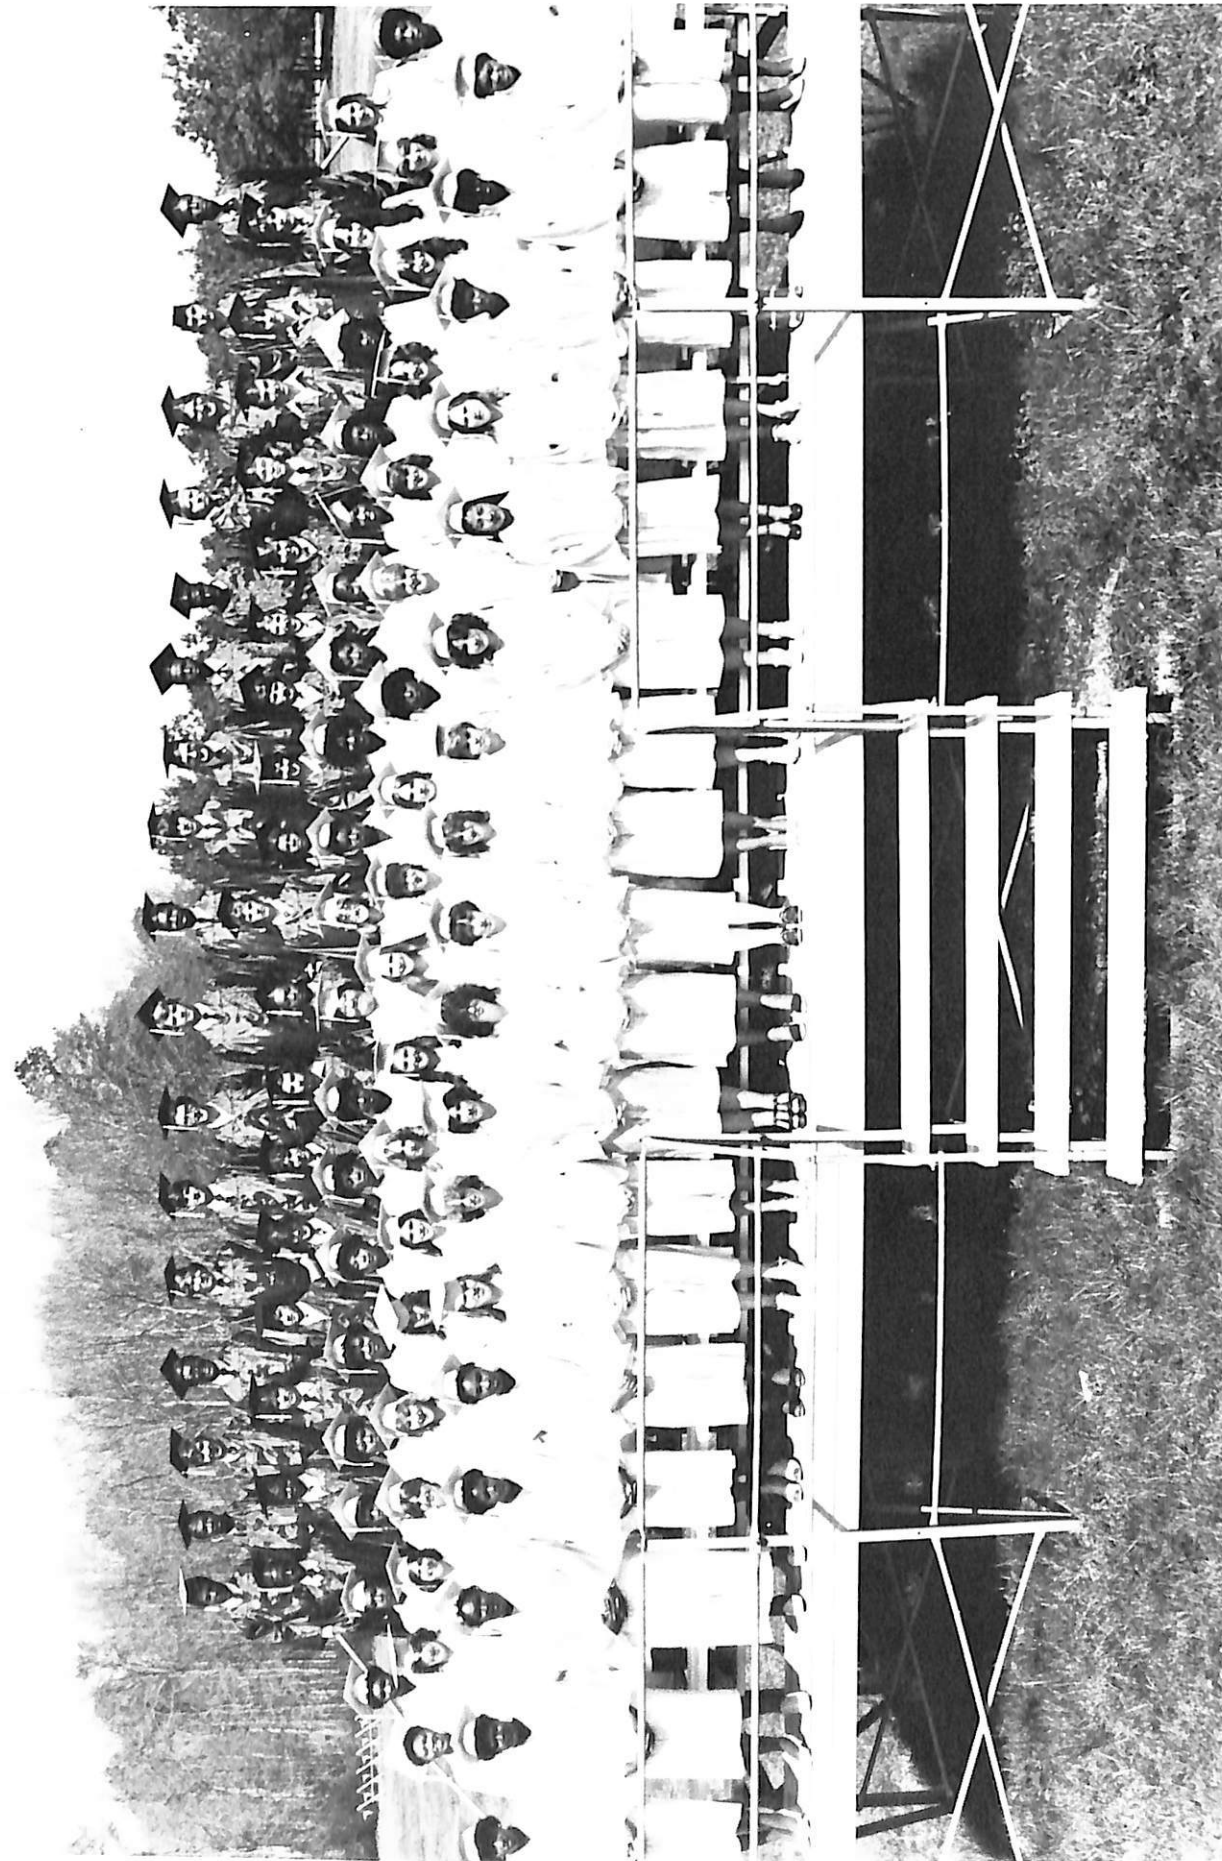

Donald Hatfield combed his hair.

Robert Murray went around the middle school using his drumsticks to change the gears in his "car."

Dana Cyle had nothing to say.

Mr. LaCurts wasn't wrapped up in softball.

CLASS SONG

"Through The Years"
by Kenny Rogers

I can't remember when you weren't there
When I didn't care
For anyone but you

I swear we've been through everything there is
Can't imagine anything we've missed
Can't imagine anything the two of us can't do

Through the years you've never let me down
You've turned my life around
The sweetest days I've found I've found with you
Through the years I've never been afraid
I've loved the life we've made
And I'm so glad I stayed right here with you
Through the years

I can't remember what I used to do
Who I trusted in
Who I listened to before

I swear you've taught me everything I know
Can't imagine needing someone so
But through the years it seems to me
I need you more and more

Through the years through all the good and bad
I know how much we've had
I've always been so glad to be with you
Through the years it's better every day
You've kissed my tears away
As long as it's okay I'll stay with you
Through the years

Through the years when everything went wrong
Together we were strong
I know that I belong right here with you
Through the years I've never had a doubt
We'd always work things out
I've learned what life's about by loving you
Through the years

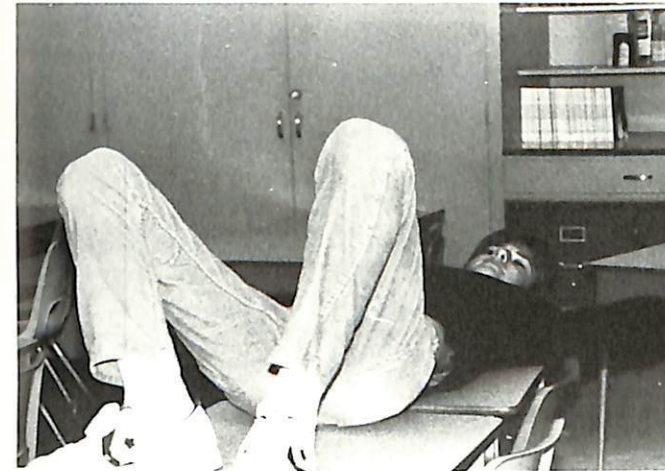

Through the years you've never let me down
You've turned my life around
The sweetest days I've found I've found with you
Through the years it's better every day
You've kissed my tears away
As long as it's okay I'll stay with you
Through the years

Drudgery and Broken

As editor of the Pocomoke High School yearbook for 1981-1982, I feel there are many people I need to thank on behalf of the yearbook staff, our advisor, Mrs. E. Collier, and myself.

First of all, I would like to express special appreciation to Wally Makuchal who designed our yearbook cover, and Johnny Noto who helped with artwork throughout the book.

Secondly, I would like to thank the teachers and administration for their support and tolerance during the school year.

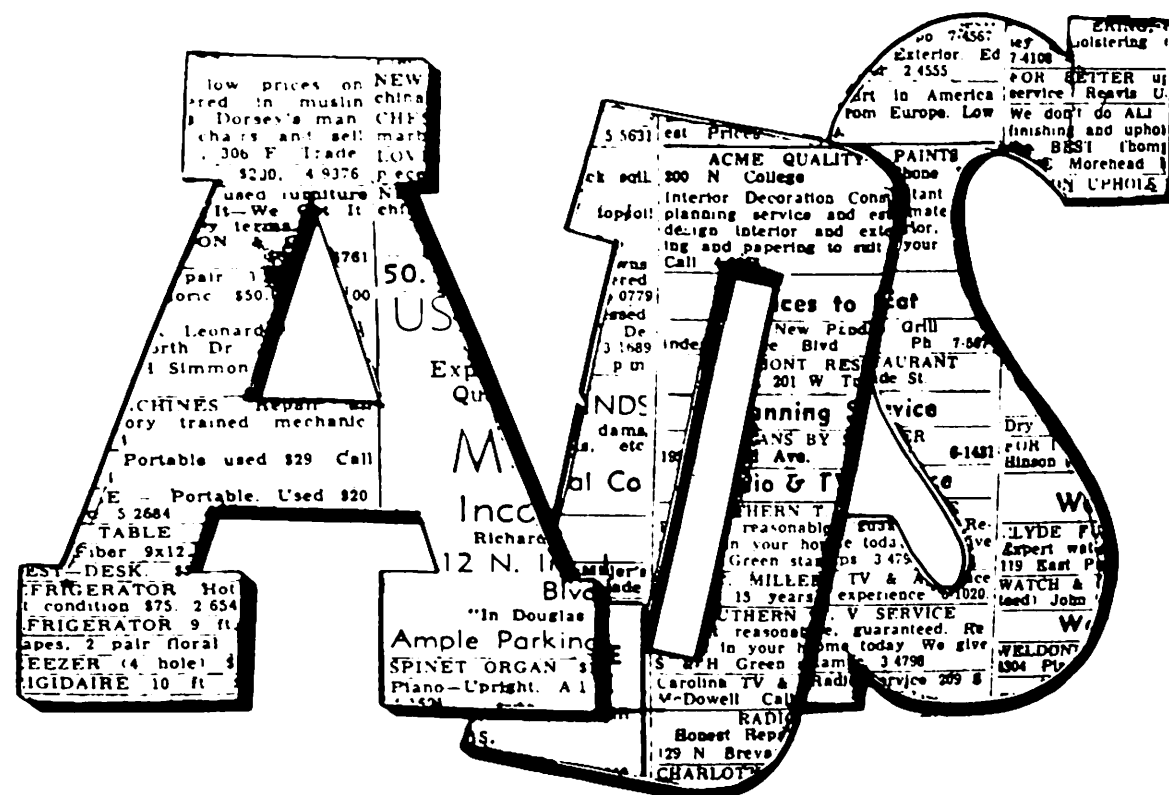

Thirdly, I would like to thank Mrs. Collier and my yearbook staff for "hanging in there" as we all learned together how to produce the year's book.

Finally, I would like to express my gratification to the people of Pocomoke City. The merchants who bought advertisements, the parents and students who took part in our fund raisers, and all those who purchased a yearbook made it possible, through their support, for this book to become a reality.

Fondly,

Maureen Darcy

DESIDERATA

"Go placidly amid the noise and haste, and remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly and clearly; listen to others, even the dull and ignorant; they too have their story. Avoid loud and aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain and bitter; for always there will be greater and lesser persons than yourself. Enjoy your achievements as well as your plans. Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism. Be yourself. Especially do not feign affection. Neither be cynical about love; for in the face of all aridity and disenchantment it is perennial as the grass. Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue and loneliness. Beyond a wholesome discipline, be gentle with yourself. You are a child of the universe, no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. Therefore, be at peace with God, whatever you conceive him to be, and whatever your labors and aspirations, in the noisy confusion of life keep peace with your soul. With all its sham, drudgery and broken dreams, it is still a beautiful world. Be careful. Strive to be happy."
