Mr. and Mrs. John P. Presby  
300 W. Federal St.,  
Snow Hill, Md. 21863

Dear Mr. and Mrs. Presby,

At the recent meeting of the Worcester County Bicentennial Commission it was recommended that both of you be invited to become members of our group. We would be very happy to have you if you would care to work with us. Our next meeting is Wednesday, June 25th at 8 p.m. at the Snow Hill Public Library. It seems a very short notice, but it was my understanding that Mr. Robertson, chairman would get in touch with you and he must have thought that I would get in touch with you - however, when Mr. Robertson called me yesterday to get the notices for the meeting out for this coming Wednesday, - he informed me that he had not gotten in touch with you. Please accept my apology.

At the Wednesday meeting we are to meet our "Horizons" intern who will work on the county map of historic places and homes.

I've enclosed a copy of our most recent minutes so that can get some idea of what we are doing or trying to do.

We hope you will decide to become one of our group.

Very truly yours,

*Mildred K. Brittingham*

Mrs. Elmer A. Brittingham, Secretary-Treasurer  
Worcester County Bicentennial Commission
