Memories . . .

What do we have to remember? The good times, the laughter and joy. The bad times, the tears and let downs. Now, we remember the good and the bad, but in years to come we will remember only the good, because they by far out weigh our sad experiences throughout our one and only trip through high school. These memories will help us recall the paths we chose, the friends we made, and the way we fought to find ourselves as individuals. These memories of yesterday could be hope for tomorrow. Letting us learn from our mistakes and marking the days of our beginnings as greater human beings. As we turn from page to page may we see a smile on the faces of all of those who shared these memories at P.H.S.

## With Gratitude . . .

. . . We dedicate our book to Mrs. Pat Westcott, a devoted and sincere member of the teaching and coaching staff of P.H.S. She has given twenty years to the students and faculty at Pocomoke High. As well as being a teacher and coach, she is also a part of the Guidance department. More than all the positions she holds on the faculty, she is a friend to all. She is always there to listen and to give advice when asked. Mrs. Westcott is understanding, compassionate, and helpful, as well as being tolerant and forgiving.

Has it ever occurred to you who gets the field hockey team together, or who encourages sportsmanship among players? Well, it is Mrs. Westcott.

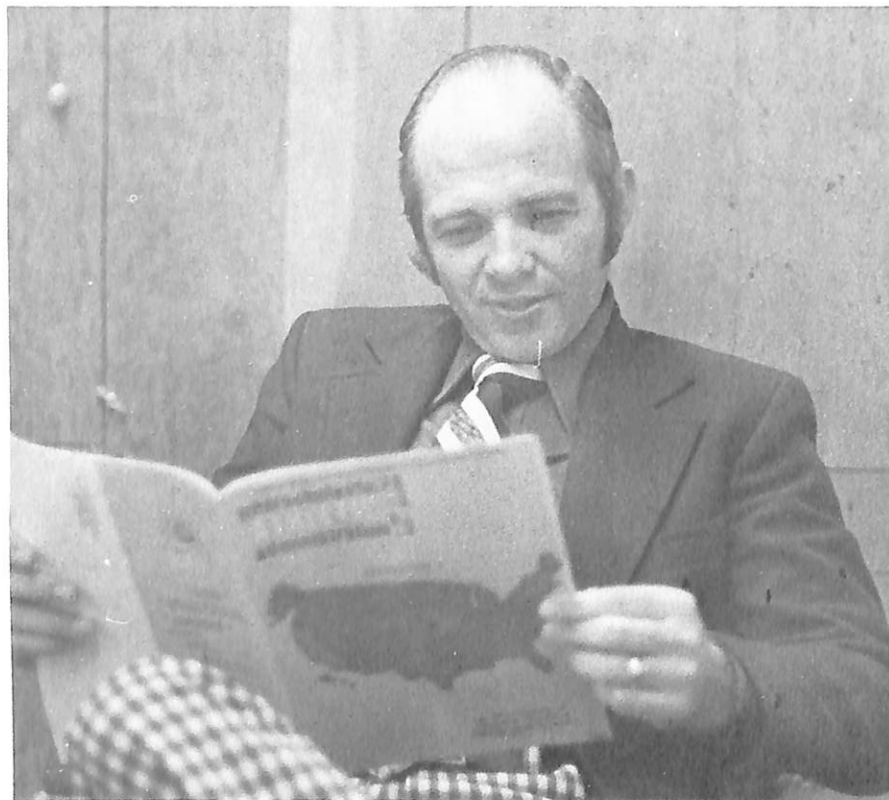

Have you ever wondered who is always called on to help someone with a huge problem, or who is forever being asked to be at the school functions that mean so much to the students, but yet the ones in which no other faculty member wants to be involved? Again, we have Mrs. Westcott.

What more can we say? For all these things and more, we thank you Mrs. Pat Westcott, for being our friend, our teacher, our advisor, and just being you.

## ADMINISTRATION

The administration of P.H.S. is definitely to be commended. It is from this department that we obtain Guidance, Understanding, Efficiency, and Discipline. Through our two guidance counselors, we find the guidance needed to face problems in many areas, both in and out of school. The Understanding of the administration comes from each and every member. Pocomoke High has the efficiency of competent and well-informed secretaries whose tasks, well done, keep the rest of P.H.S. in line. The Discipline at P.H.S. ranges from Mr. McComb's overseeing eyes to Mr. Detwiler's daily rounds.

## SENIORS

To try to make the year a more memorable one, the Senior Class of P.H.S. helped to plan extra activities throughout this 78-79 year. The major activity of the year was "The Senior Extravaganza". This activity proved to be profitable to the Senior Class and was enjoyed by the student body.

# JUNIORS

The enthusiastic Juniors of P.H.S. had the pleasure of planning and preparing for the Junior-Senior Prom this year. Through the year, the Juniors have had fund-raising activities such as a bake sale, a food raffle, and a Junior Basketball game between Arcadia and P.H.S.

# SOPHOMORES

The Sophomores appear to be enjoying their second year at P.H.S. The Sophomore year has always proven to be an exciting one, with the ordering of class rings, and the receiving of driver's licenses. In addition, the Sophomores are faced with the task of making decisions which will affect their future lives. They are now on the second step of the ladder to graduation.

## FRESHMEN

The 1978-79 Freshman class of P.H.S. has taken time to adjust to an entirely different atmosphere than the ones to which they have been formerly exposed. Although they have been confronted with many changes they have adapted fairly well. These freshmen displayed a great interest in becoming a part of the active life of "P.H.S.ers."

# ACADEMICS...

"Our minds are finite, and even in these circumstances of finitude we are surrounded by possibilities that are infinite; and the purpose of human life is to grasp as much as we can out of that infinitude."

## CLASSROOM

This year, eight students from P.H.S. attended Presidential Classroom in Washington, D.C. from January 20-March 3. Two students went on a weekly basis throughout the six week period. They enjoyed learning about the present governmental structure under which our country is governed. Activities consisted of visits to the Capitol, the Lincoln Memorial, the Jefferson Memorial, the Smithsonian Institute, and other places of interest. A visit to sessions in the Senate and the House of Representatives proved to be most beneficial for their studies in Presidential Classroom.

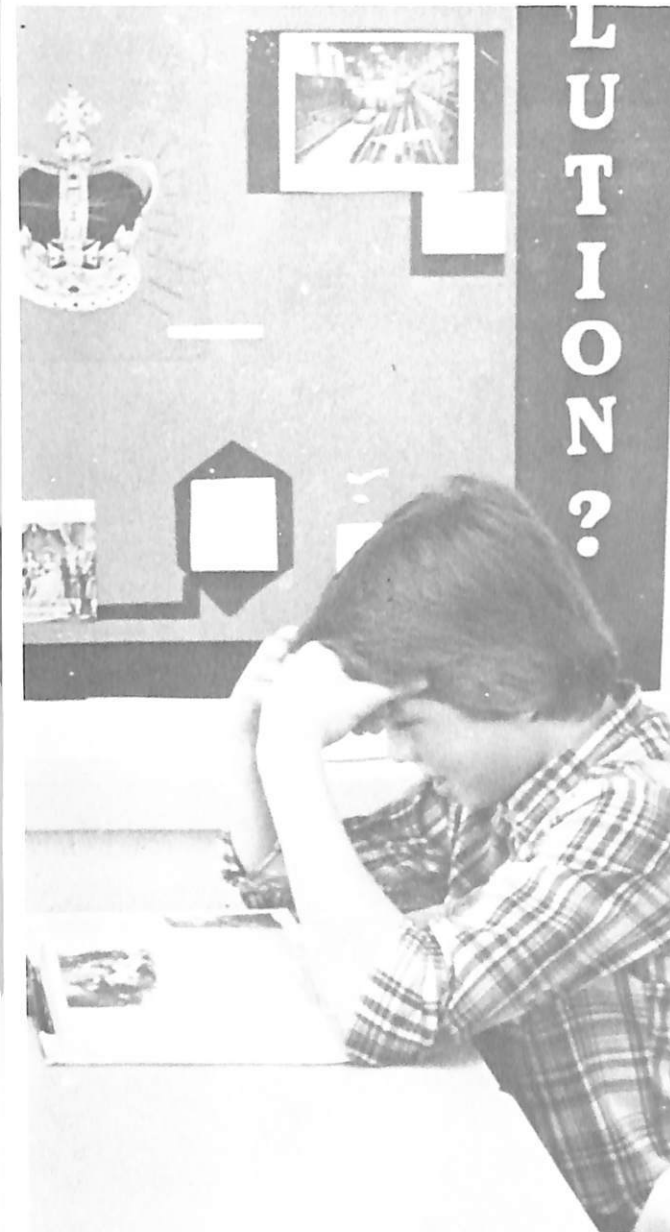

This statue of the Marines raising the American flag at Iwo Jima is the United States' Marine Corps War Memorial.

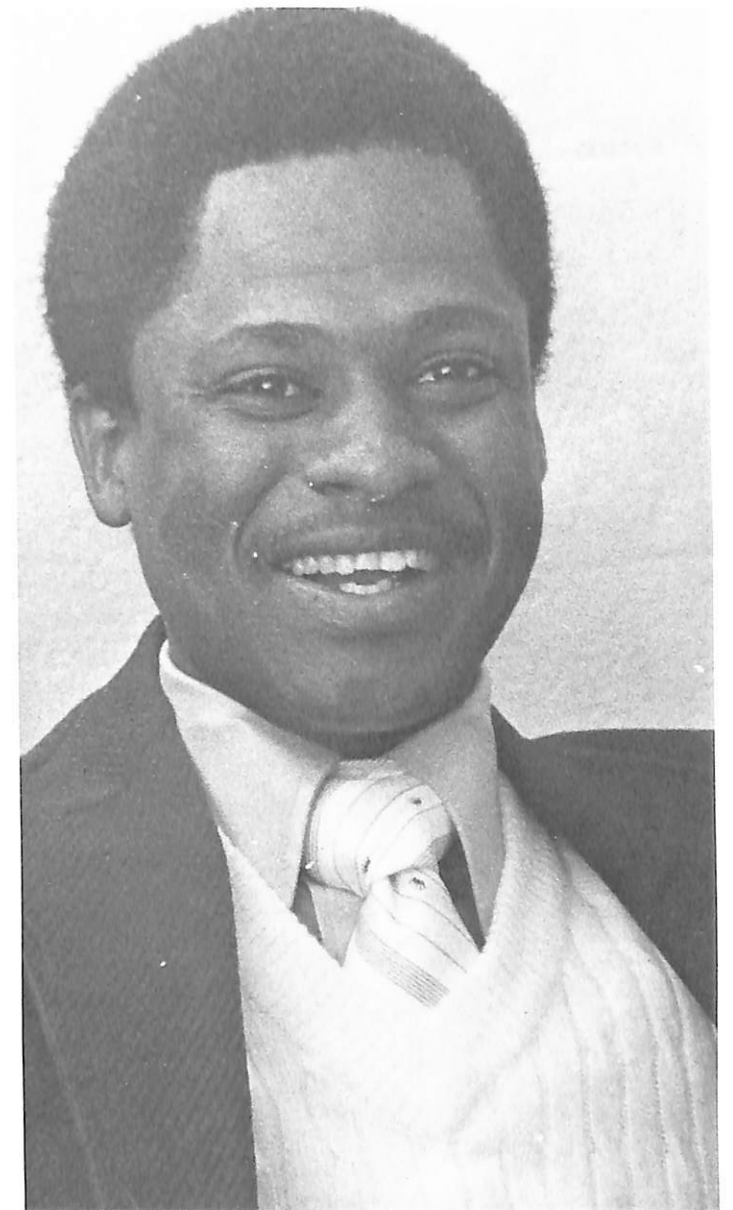

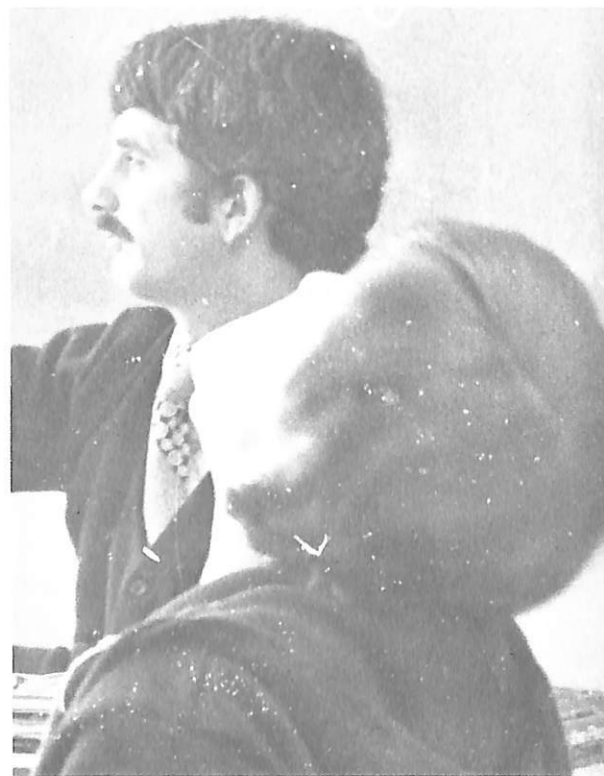

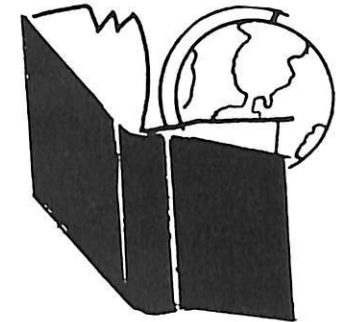

# HISTORY

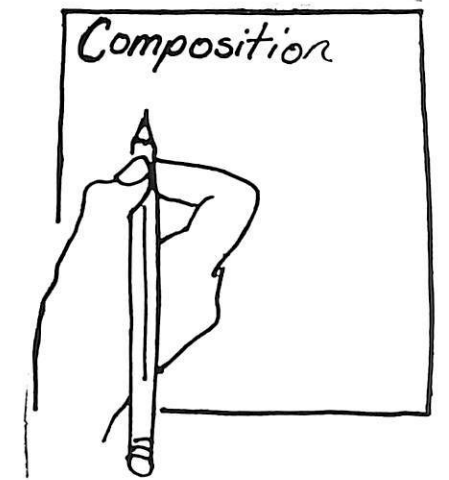

History happens to be a required subject here at P.H.S. Our history courses cover many areas of interest. They include the problems of American government, foreign relations, United States History, or even the contemporary issues of today. Either of the areas a student may choose can prove to be most beneficial.

# ENGLISH

The English Department at P.H.S. offers many areas in which students may achieve the proper background to further their education and communicate in everyday living. These areas range from William Shakespeare's literature, to punctuation and capitalization of English grammar, and then of course our very own short stories and poems in creative writing.

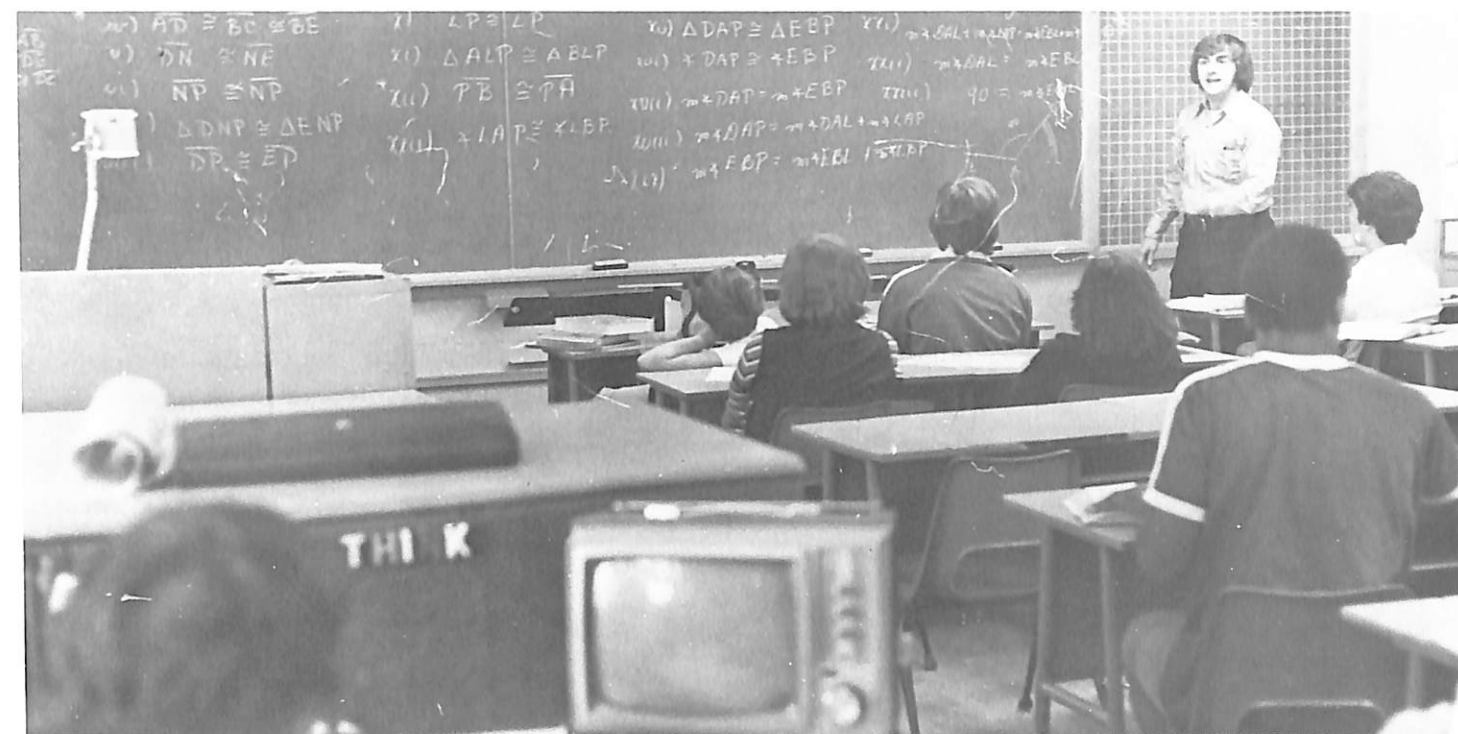

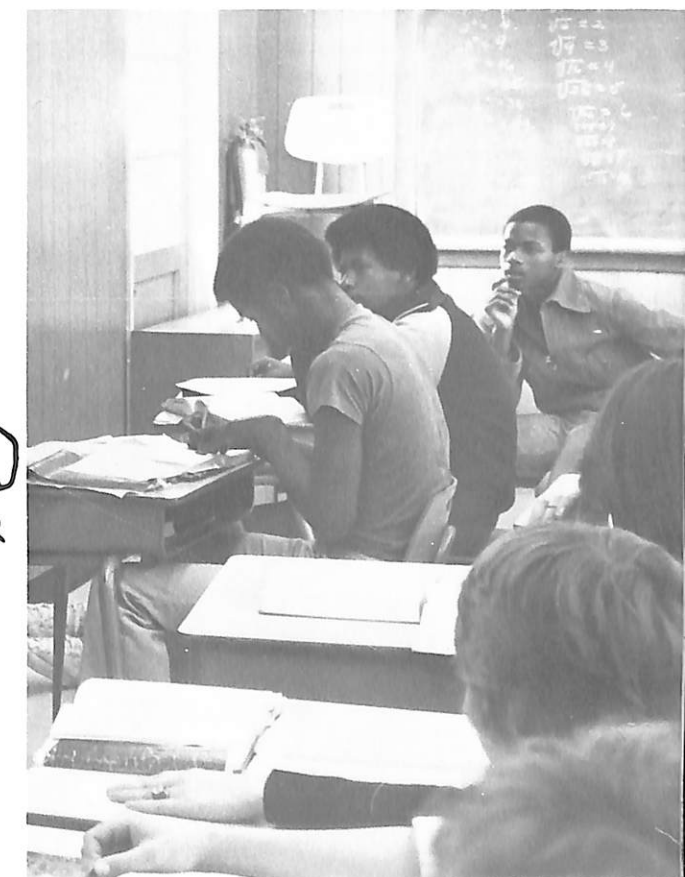

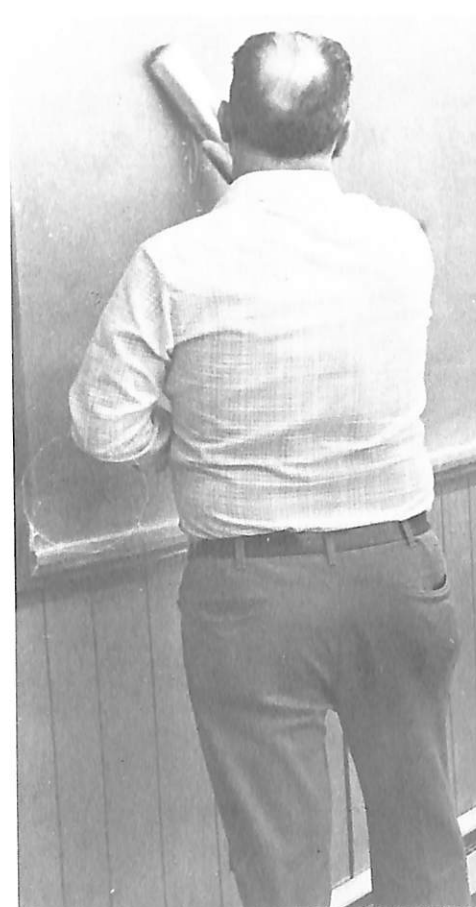

# M A T H

The offerings in mathematics at P.H.S. include basic math, algebra, geometry, trigonometry, computer, and calculus. One may start in algebra II in the ninth grade and end up in calculus in his senior year, thus acquiring three hours of college credit.

"And this, my friends, is one of the shortest and easiest proofs that we will do all year."

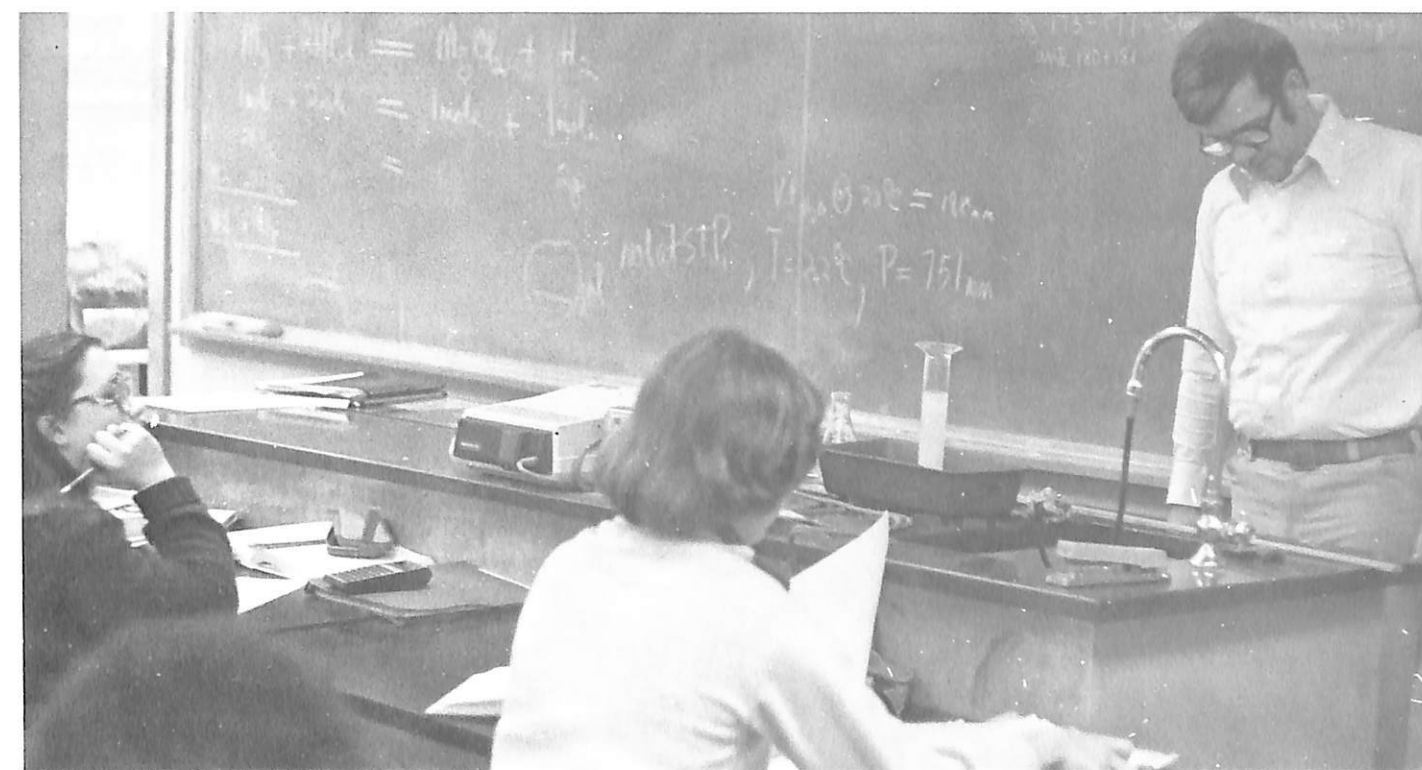

## SCIENCE

The science program at P.H.S. is often found to be a very interesting subject, especially to those students who have a keen awareness for aspects of the scientific field. All levels in the science area can range from participating in exciting experiments to lengthy lectures. Upon completion of the basic science program, students are more closely in touch with who and what make up the world around them.

Mr. Smith converses with one of his former students.

# ADVANCED

The advanced placement courses offered at P.H.S. are: calculus, biology, history and English.

These courses prepare the eligible seniors involved for the curriculum they will be exposed to in college.

Credits earned from the successful completion of these courses should be transferable to any college.

Did you choose college for next year?

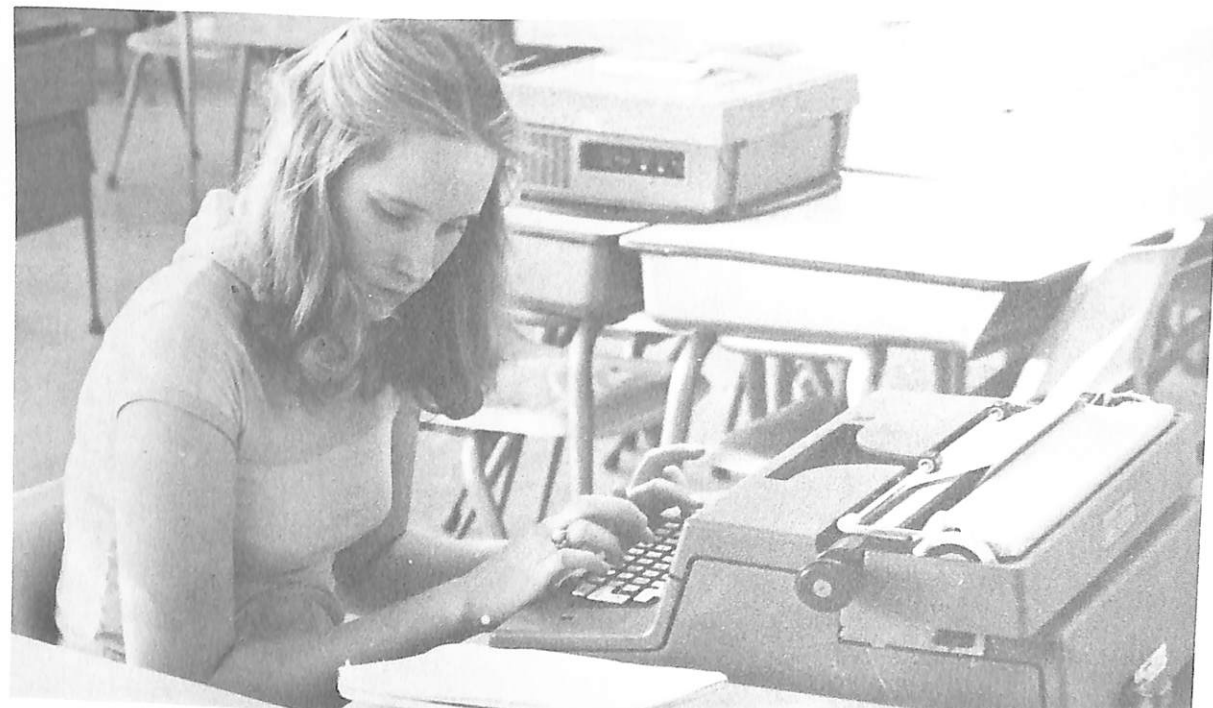

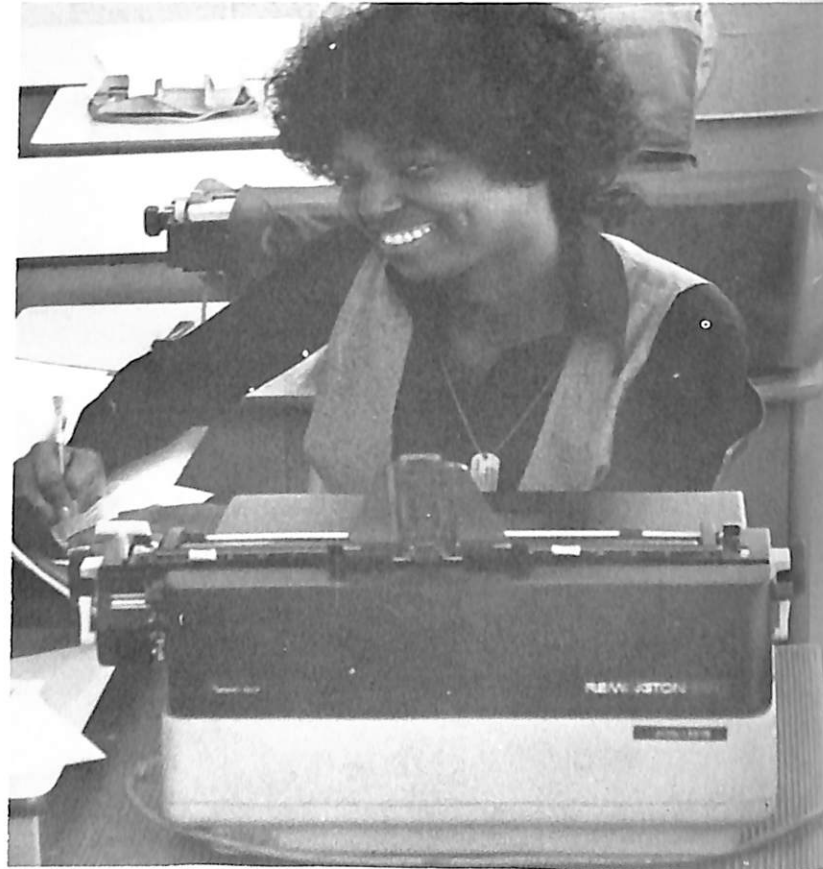

# Business

Effective career planning enables the business students at P.H.S. to develop themselves for the many changes that will occur later on in life. They can develop themselves in such areas as typing, shorthand, accounting, business law, office practice, and office machines.

KNOWLEDGE  
CONFIDENCE

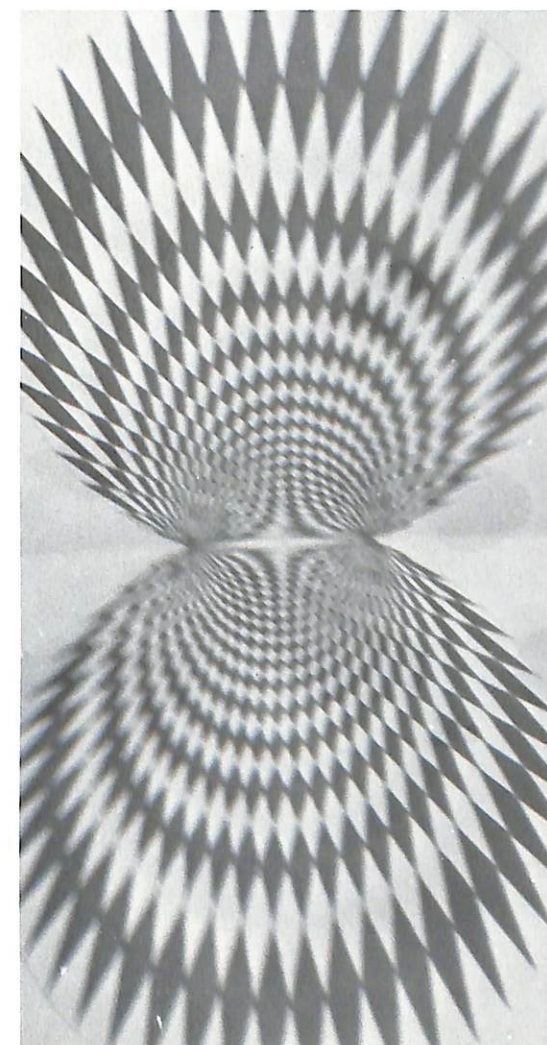

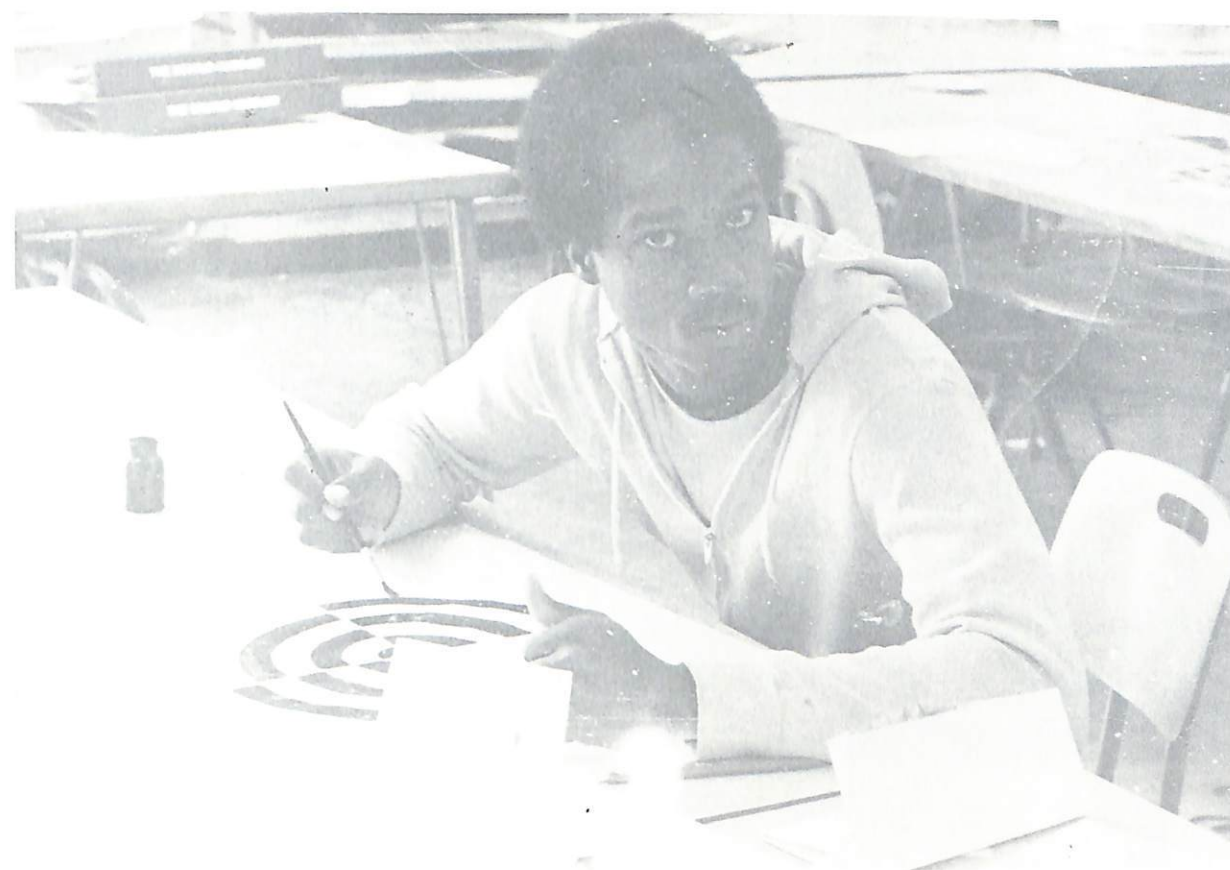

DEDICATION  
INITIATIVE

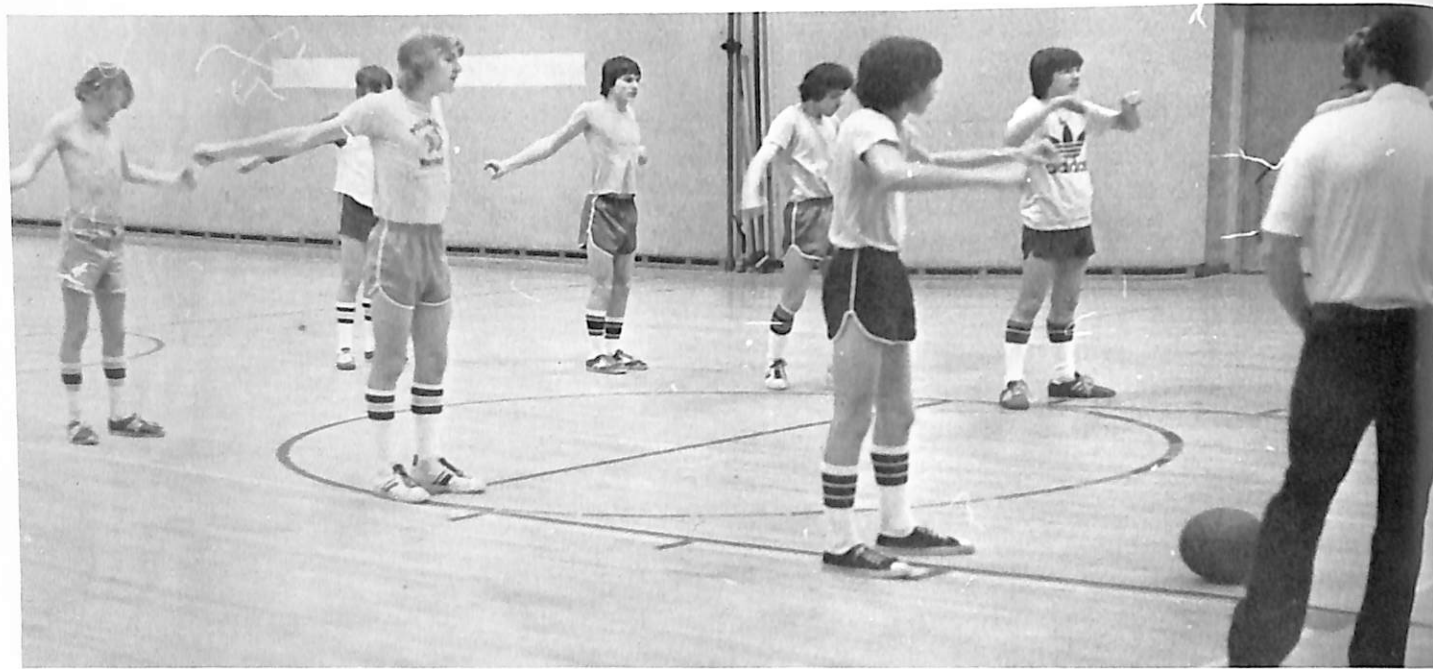

Art is a very creative subject. Some of the activities done in Art are pottery, painting, sketching, drawing, and macrame.

## PHYSICAL

The Physical Education Department at P.H.S. is under the direction of Marvin Detwilder. The classes are directed by Mrs. Westcott, Miss Butler, Mr. Daisey, Mr. Byrd. The students take this class as an elective and can obtain one credit for the year. The students also do many enjoyable activities and body building skills.

## EDUCATION

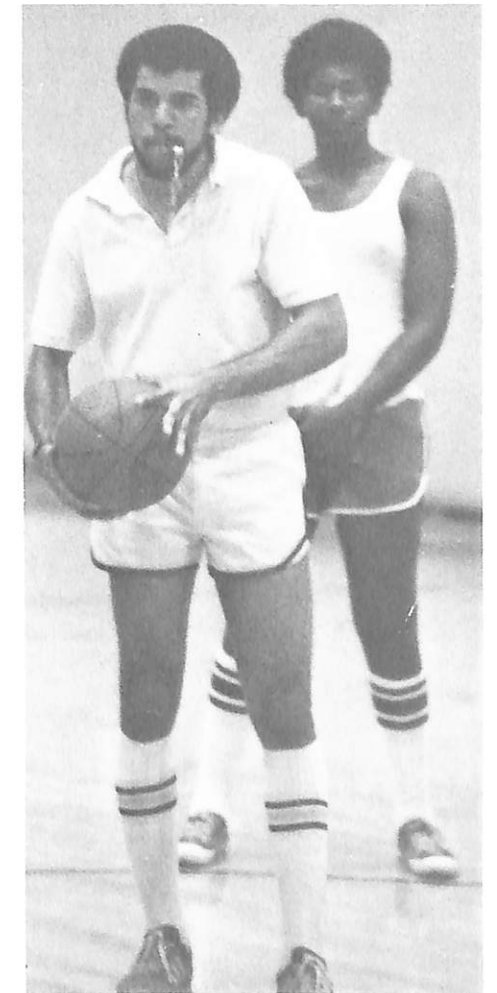

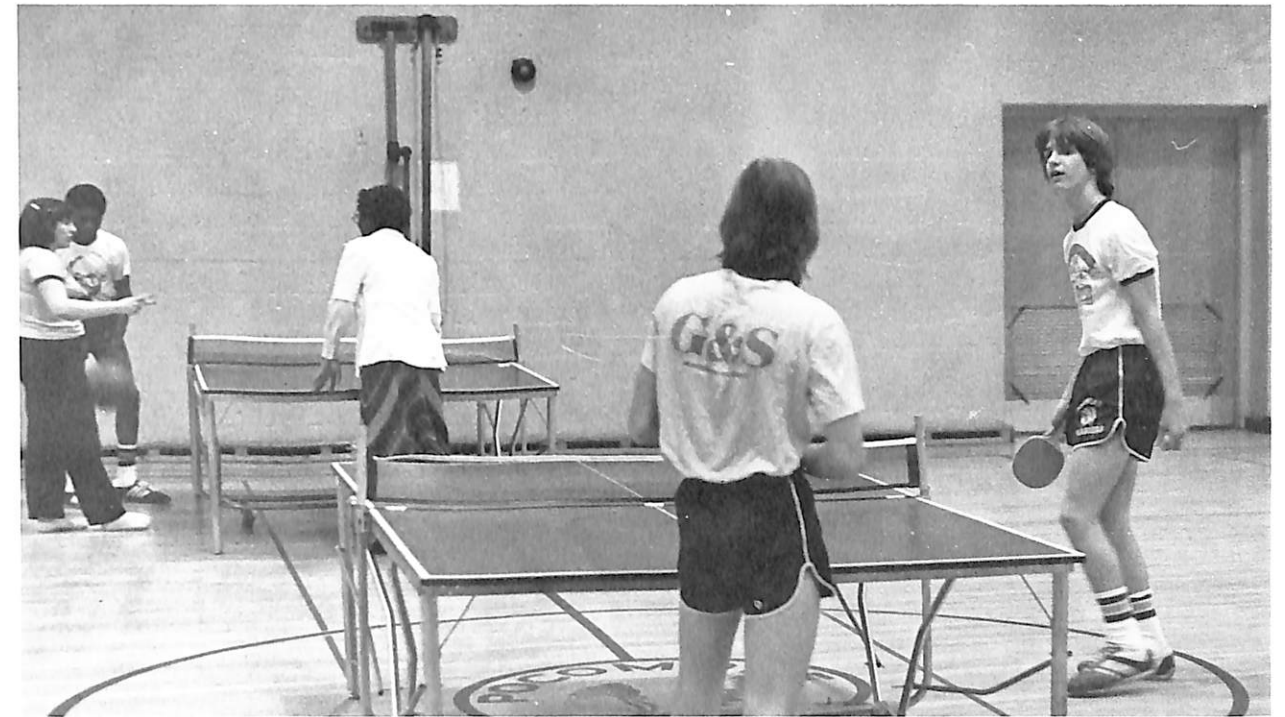

## PHYSICAL

The Physical Education Department at P.H.S. is under the direction of Marvin Detwilder. The classes are directed by Mrs. Westcott, Miss Butler, Mr. Daisey, Mr. Byrd. The students take this class as an elective and can obtain one credit for the year. The students also do many enjoyable activities and body building skills.

## EDUCATION

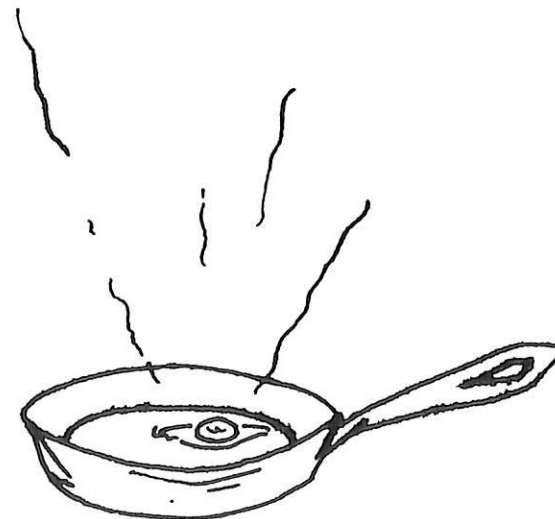

# HOME EC . . .

The Home Economics program is directed toward teaching students in such areas as cooking, sewing, and consumer education. The students are taught the four basic food groups, and ways in which to plan well-balanced meals. Under the direction of Mrs. Peggy Stewart, the girls learn how to create a wardrobe that will reflect their individual personalities.

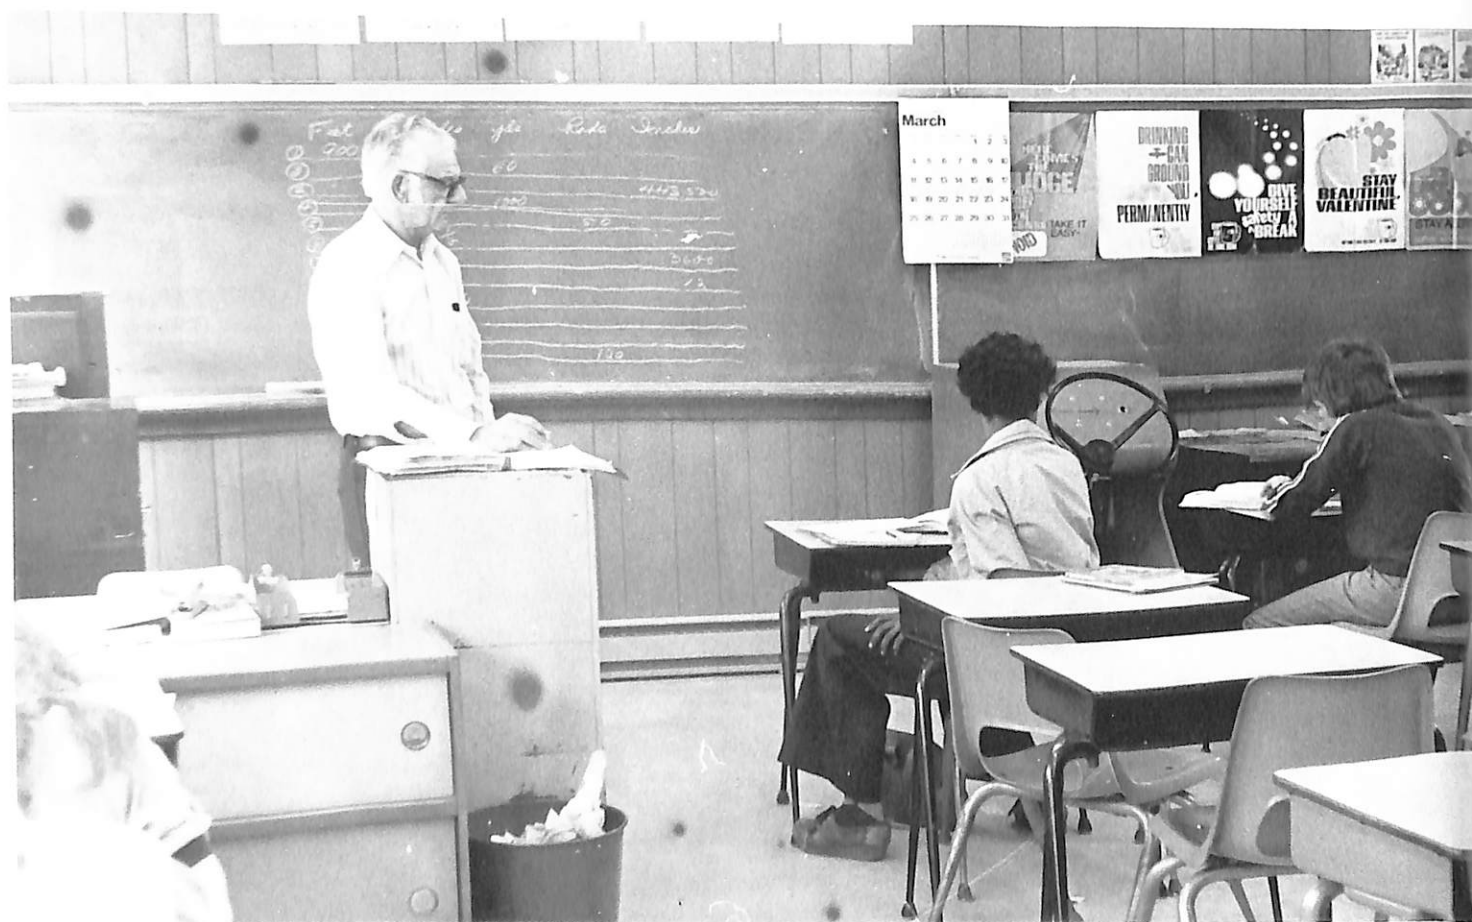

# DRIVER'S EDUCATION

When a student makes up his schedule for his sophomore year, one of the most frequently asked questions is "What term do I take Driver's Ed?" One of the biggest thrills throughout high school is passing the driver's exam and being able to profile down the cruisin' path of our fair city of Pocomoke.

In Driver's Ed., the students are taught the proper ways to drive and care for a car. The procedures for judging distance become quite humorous when, measuring through little boxes in class, your best friend ends up in a ditch on the south side of the classroom. All in all, Driver's Ed. is one of the few courses which is actually capable of trying to help save your life.

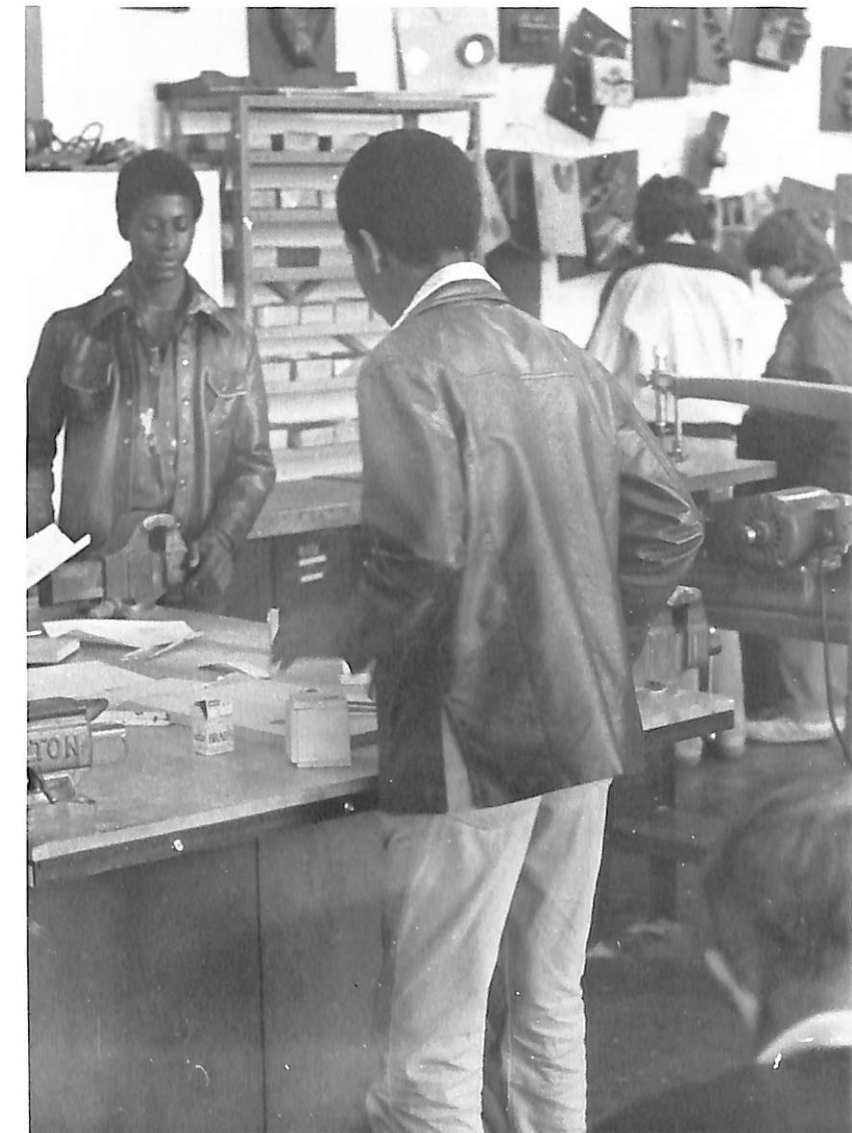

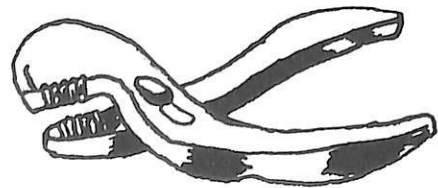

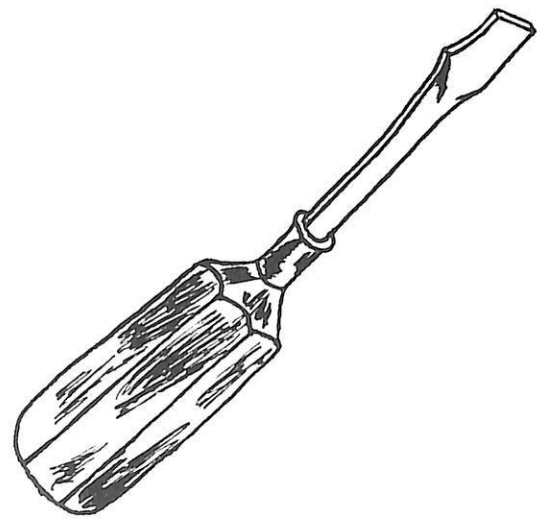

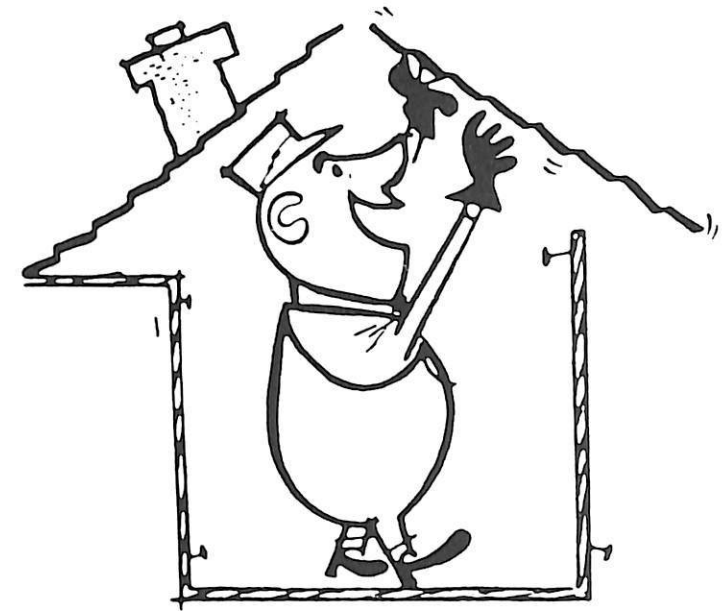

# INDUSTRIAL ARTS

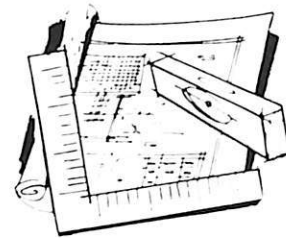

Students who plan to further their education in the industrial arts field enjoy the various courses offered in this department. Under the guidance of Mr. Jack Dolby, future carpenters learn the basic fundamentals of their trade, while deepening their understanding of other related ideas.

# TECHNOLOGICAL VOCATIONAL

The Vo-Tech Center at Cedar Chapel offers a variety of areas in which the vocational students may enter. These areas include cooking, cosmetology, agriculture, masonry, nursing, auto-mechanics, plumbing, welding, and carpentry. Upon completion of these courses, the students are usually prepared to enter into their various trade areas as competent, responsible people. This facet of learning enables students to pursue careers without having to attend academic colleges.

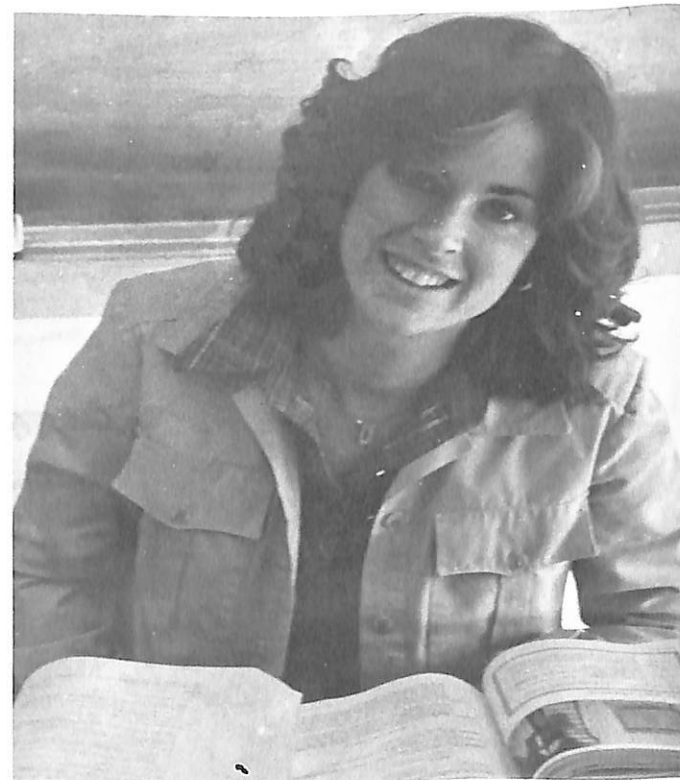

# CLASSE DE FRANCAIS . . .

This year was the first year that the Spanish language has been offered at Pocomoke High. Although the students who attended these classes were branching off into a world of different surroundings, different cultures, and definitely a different language, they made themselves right at home.

The French classes excelled to three levels this year. Whether you were an accomplished third year student, a first year beginner or somewhere in between the art of learning, a foreign language is always new and exciting. The French students were able to put this art to use, as they said Au Revoir, upon their departure for a six-day trip to Quebec.

Under the direction of Mrs. Ann Myers, both languages are made creative, interesting, and fun to learn. We couldn't do it without her!

## BASIC SKILLS

This year, Pocomoke High School has added a new program. Its purpose is to provide selected students with individual help in their basic skills. Parents play an important part in the program. They, along with the resource teachers and other staff members, help to plan an educational program for their child.

Periodically, progress is reviewed. So far, everyone working with the program feels that the program is a great addition to the educational program offered at P.H.S.

# EVENTS...

The Events taking place inside the walls of Pocomoke High this 78-79 year, have been numerous and fun.

Starting out the year, and plowing through the goal posts, was Homecoming.

Marching to the tune of a different drum, we viewed the many talents of various students here at P.H.S. in a talent show performed before the student body.

The sports banquets were divided into Fall and Spring this year, and this division proved to be very successful.

One of the most exciting events throughout the year was the prom, which the juniors readily prepared for the seniors.

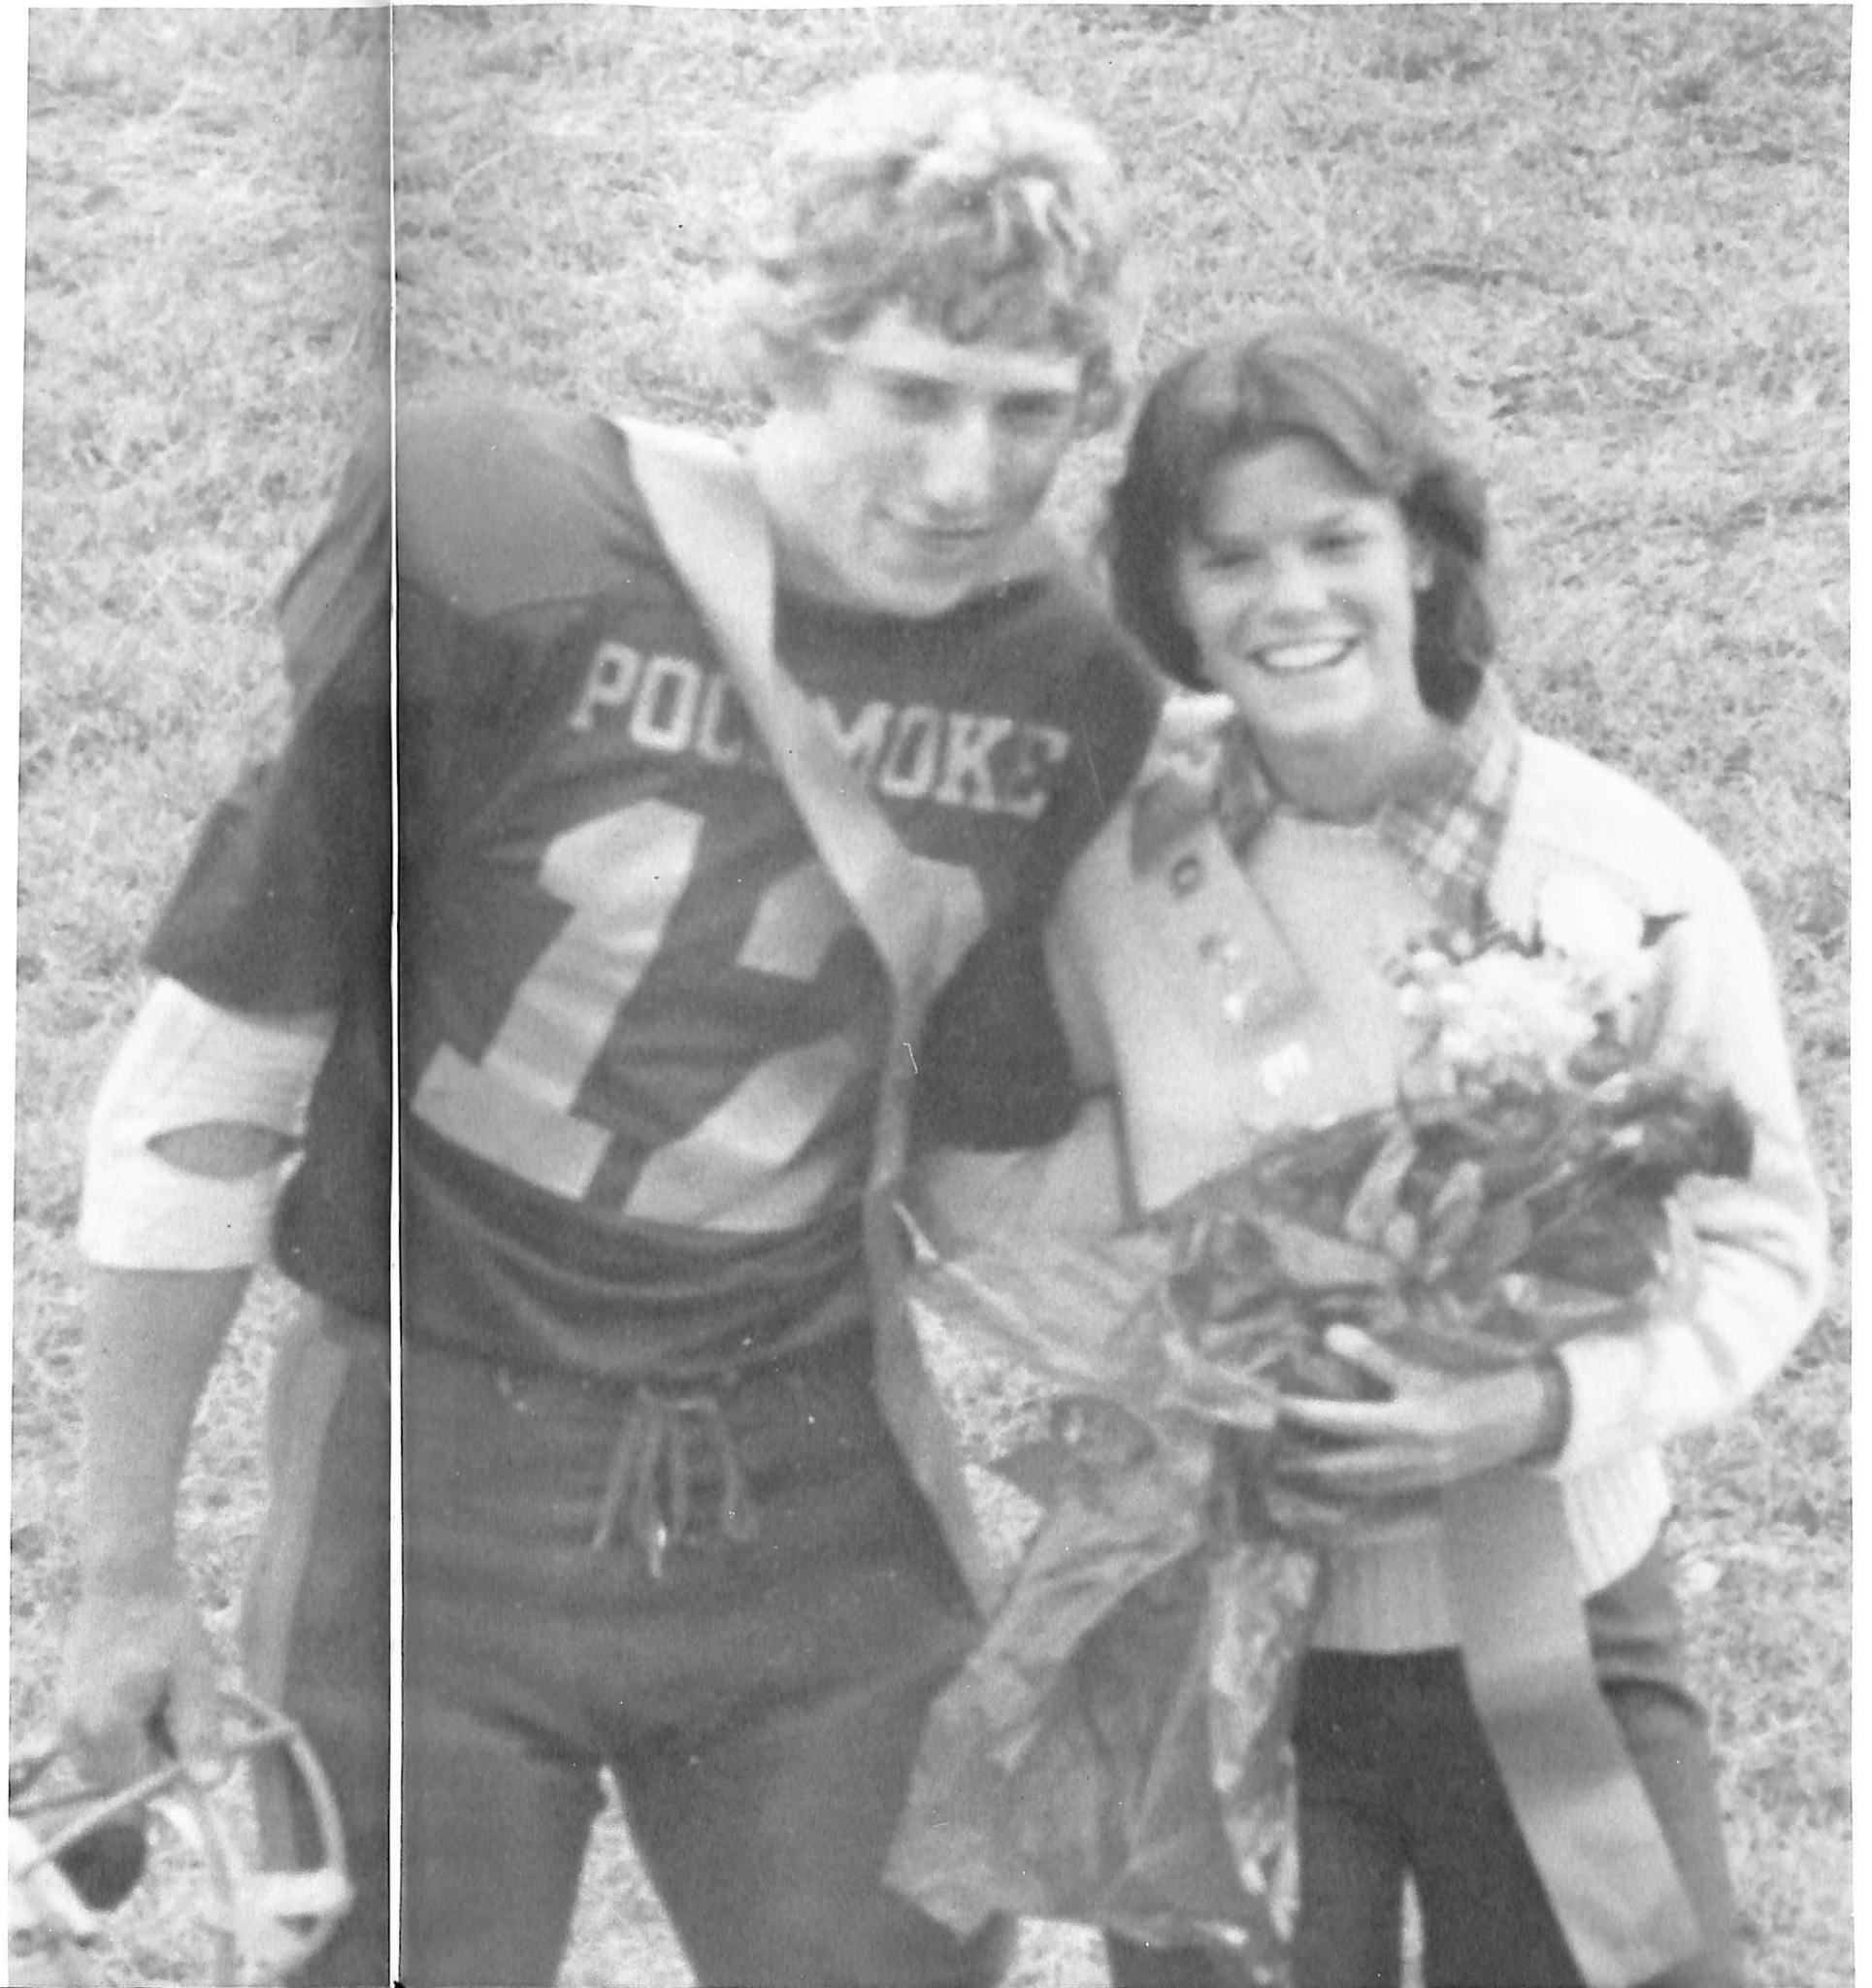

Lastly, we have graduation, the event that is both happy and sad for most graduates.

# H O M E C O M I N G

## 1978

Homecoming 1978 was perhaps one of the most eventful activities of the year. The day began with the annual pancake breakfast sponsored by the booster club. Next, we had soccer and field hockey games in which the alumni of P.H.S. played our varsity teams. Unfortunately, the alumni beat us, on both counts! As the day progressed we crowned the King and Queen during halftime activities of the football game. The King was Art Raine, and the Queen was Rhoni Chamberlain. Members of the court were: Shelley Cropper, Shelly Tull, Jane Davis, Susan Bailey, Rhoni Chamberlain, Rosanne Stewart, Scott Howser, Ricky Holland, Art Raine, Mark Lusby, Bruce Marshall, and Sabastian Sturgis. The grand finale to the homecoming activities, was a dance in the P.H.S. gym featuring the sound of IMANI.

HERE SHE IS, OUR MISS POCOMOKE ...

The 1979 Miss Pocomoke contest was held on March 22 in the P.H.S. auditorium. Participants in the contest were: Denise Williams, Shelley Vilov, Karen Wible, Lisa Matthews, Lori Dorman, Teresa Miller, Ginny Chamberlain, and Landa Allen.

Selected Most Talented was Ginny Chamberlain. Miss Congeniality was Lisa Matthews, and the First Runner-Up was Shelly Vilov. Miss Pocomoke 1979 was Ginny Chamberlain.

The pageant was divided into three segments, but the girls were judged in four areas. These areas were: a personal interview with the judges, a street dress competition, a talent competition, and an evening gown competition.

This year's Miss Pocomoke Contest was a memorable one. Each girl gave it her best shot, and whether chosen or not, each was a winner in her own right. Each contestant gained new self-confidence and closer friends through this experience.

# BUILDING A CITY OF DREAMS

The 1978-79 Juniors prepared for a memorable evening as they welcomed the Seniors into their "City of Dreams." The prom took place in the P.H.S. gym on Saturday, May 12th, lasting from 9 p.m. to 1 a.m. Upon the conclusion of the grand march, Mr. and Miss P.H.S. were crowned. Gary Hancock was voted Mr. P.H.S. and Kathy Chamberlain as Miss P.H.S. The court consisted of Annette Sacks, Helene Justice, Sherri Tull, Ivan Conquest, Greg Swindell, and Ricky Holland.

Left to right: Ricky Holland, Greg Swindell, Gary Hancock, Kathy Chamberlain, who were chosen Mr. & Miss PHS, Annette Sacks, Helene Justice, Sherri Tull, and not pictured Ivan Conquest.

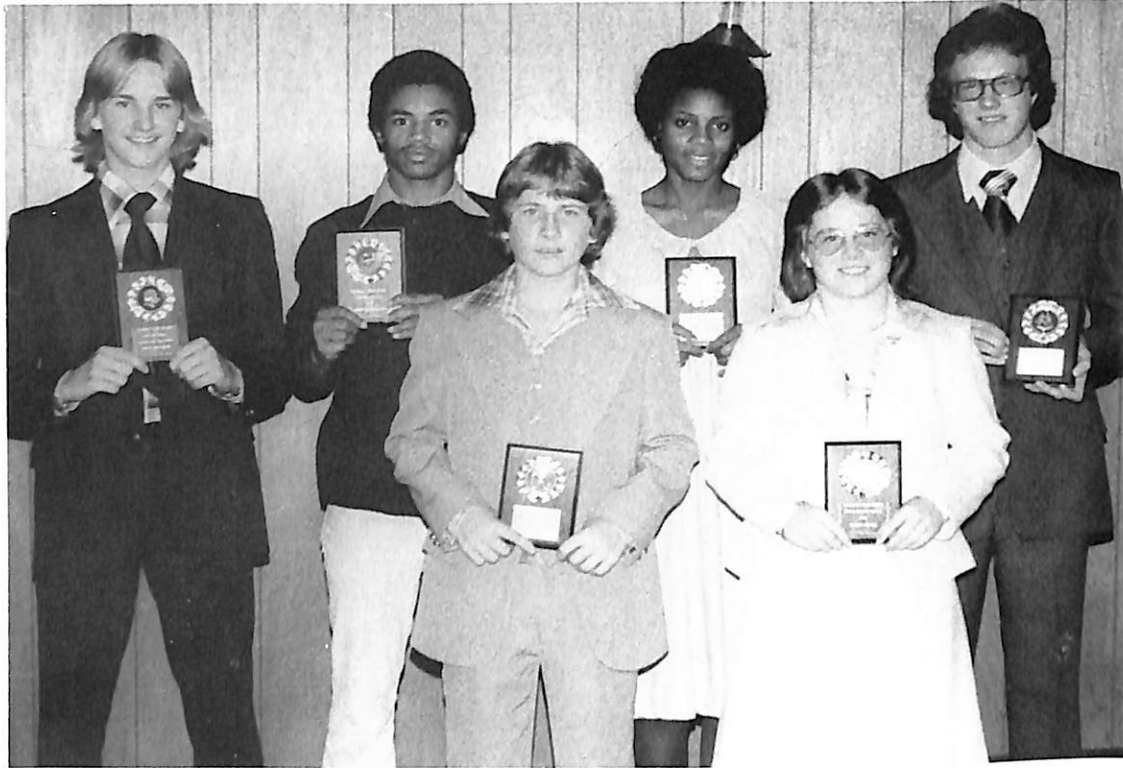

Servers: Suzanne Waters, Tywana Finney, Beth Kelly, Cheryl Whitting, Dand Bodley, and Melody Hill.

# FALL ATHLETIC BANQUET

This year PHS had two sports banquets, the first of these being the Fall Sports Banquet. The guest speaker, Mrs. Sharon Tawes, talked of her remembrances teaching students, which made up a great deal of the audience. Her speech was mainly centered around her memories of teaching at Pocomoke Middle School.

Back row: Player of the Year in Football David Stevenson, Football MVP Jimmy Schoolfield, Volleyball MVP Rosanne Stewart, Soccer MVP C. W. Bragg, Golf MVP Tim Brittingham, and Field Hockey MVP Bonnie Maddox.

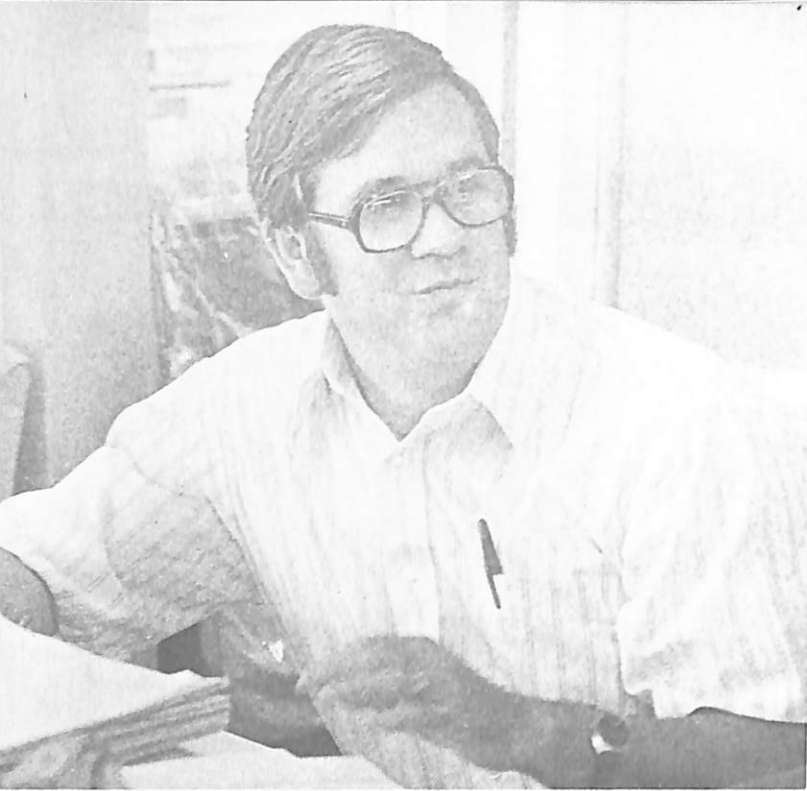

# SPRING ATHLETIC BANQUET

On May 23, at the Elks Home, Bob Palmer was guest speaker at the Spring Sports Banquet. Bob Palmer is a graduate of Philadelphia Bible College, President of Mornig Cheer Inc., which works with the youth. He talked about how one will respect, and give up rights when he becomes a member of any team. The audience really enjoyed the speech and gained some interesting facts from the speech.

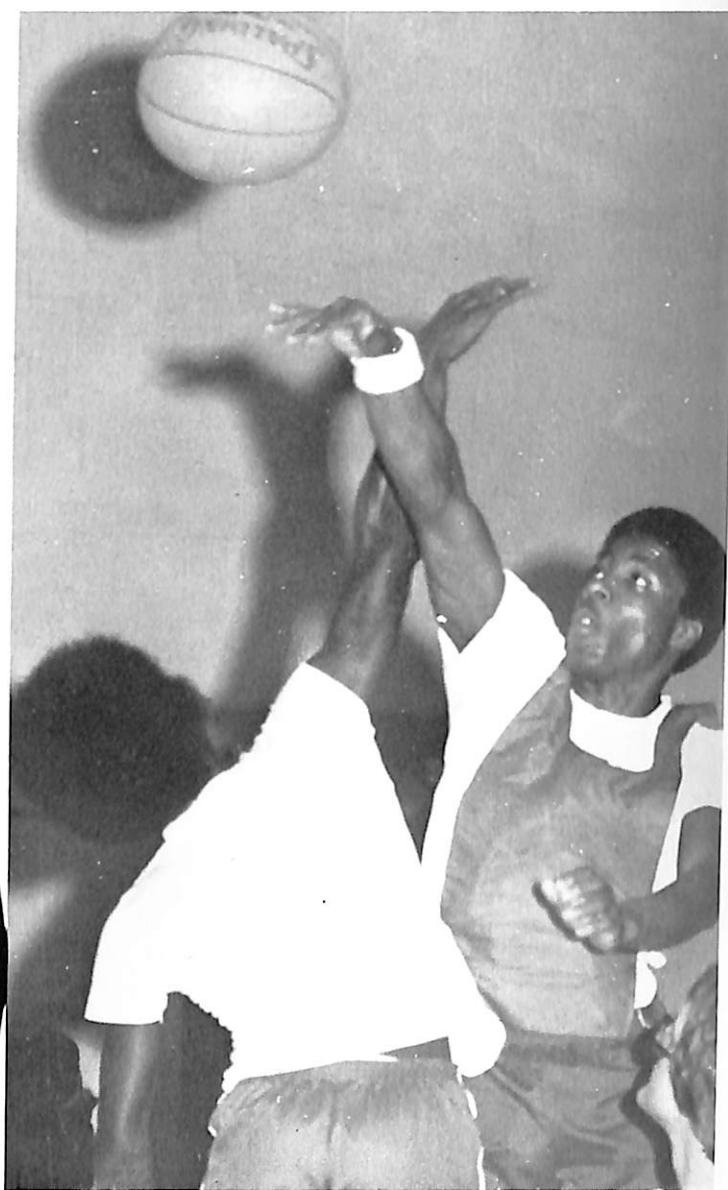

# JUNIOR

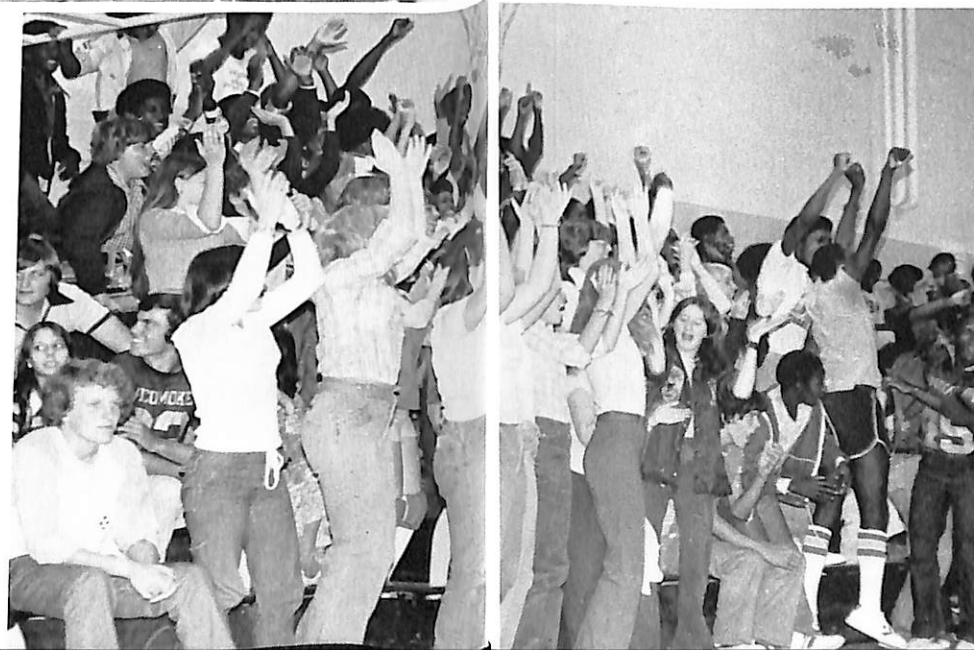

# STRATEGY

One of the Junior class fund raising activities was the basketball games against the two Junior classes of Pocomoke High School and Arcadia High School. This proved to be a very exciting game with the "Junior Strategy."

# ACTIVITIES...

Stamina and determination are two of the ingredients which help to make up a successful extra-curricular program at P.H.S. Enthusiasm from the students not only produces award-winning accomplishments, but also inspires the spectacular activities throughout the school which are instilled in the minds of all of us for years to come.

# YEARBOOKABILITY

Back row: Judy Krimmel, Rita Vaeth, Scott Howser, Patty Stille, Laura Gladding, Michael Melson, and Debbie Judd. Front row: Toni Smith, Sherri Tull, and Karen Purnell.

This year's yearbook staff worked extremely hard to learn and apply all the skills required to assemble a yearbook.

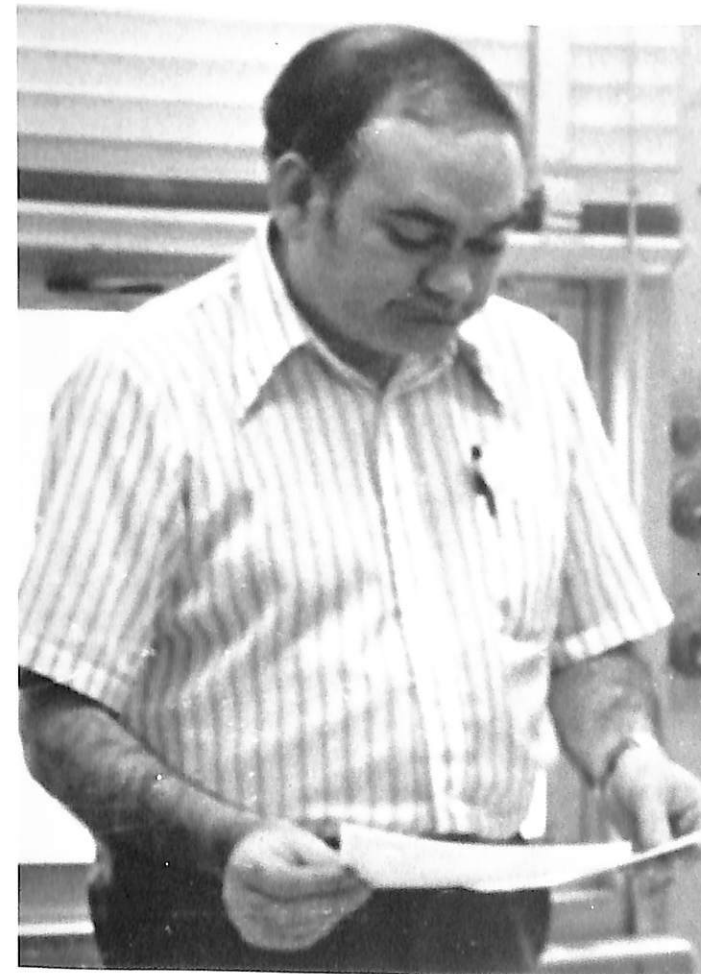

"What in the world is a pica?" This is a question asked by much more than half of the 1978-79 yearbook staff.

Not one of the members of the staff had any previous knowledge of what should be done — everyone just plunged in head first.

As a result of the combined efforts and various abilities, not to mention the responsibilities, this year's staff has come out on top.

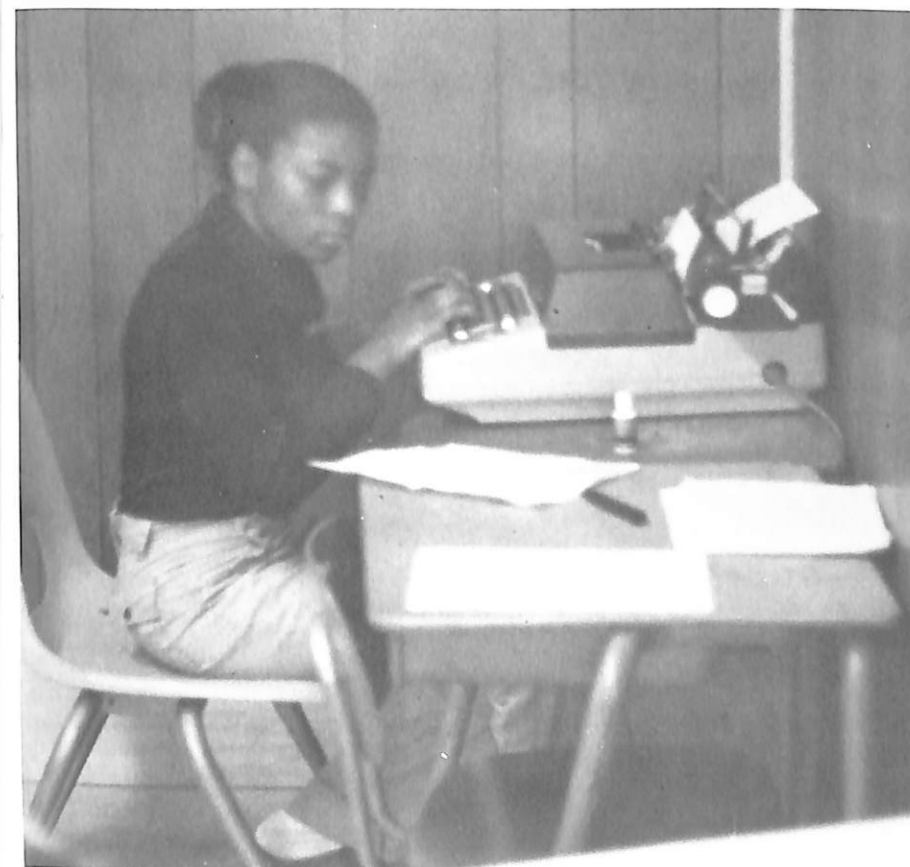

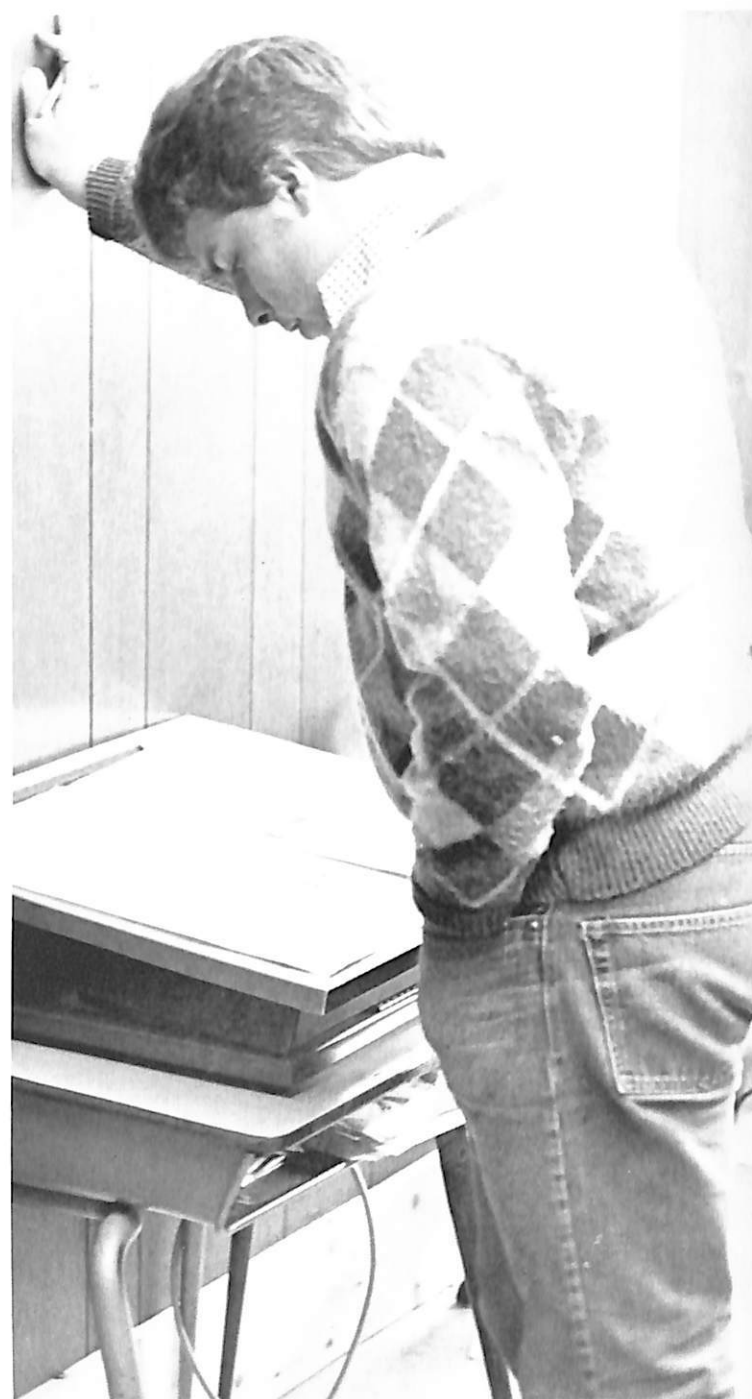

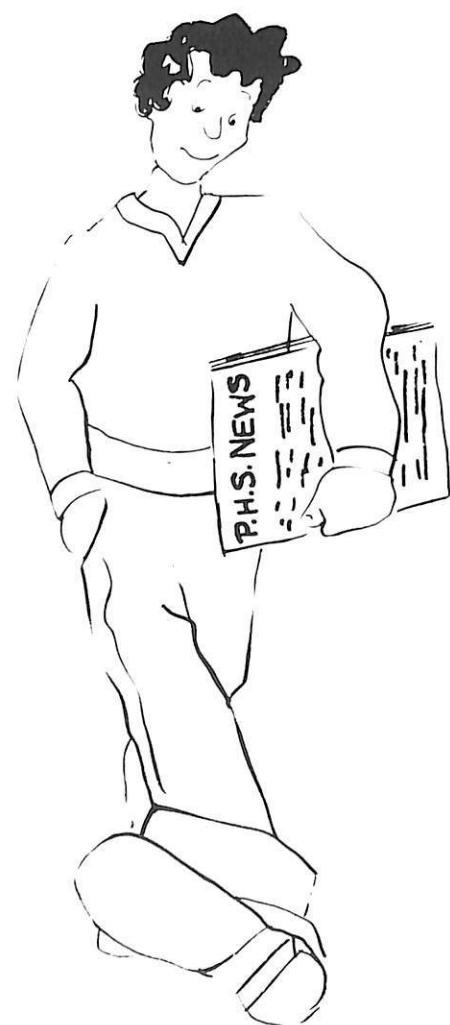

Here the photographers, Art, Ricky, and Greg "shoot" the breeze!

# JOURNALISM

Under the direction of Mr. Sam Sipe, the journalism staff at Pocomoke High produces seven newspapers a year. These newspapers contain puzzles, games, information concerning awards received by students in the school, sports results, horoscopes, birthdays, etc.

The Tomahawk is very informative, and on the day of sale, occupies many students, who find nothing better to do with their class time.

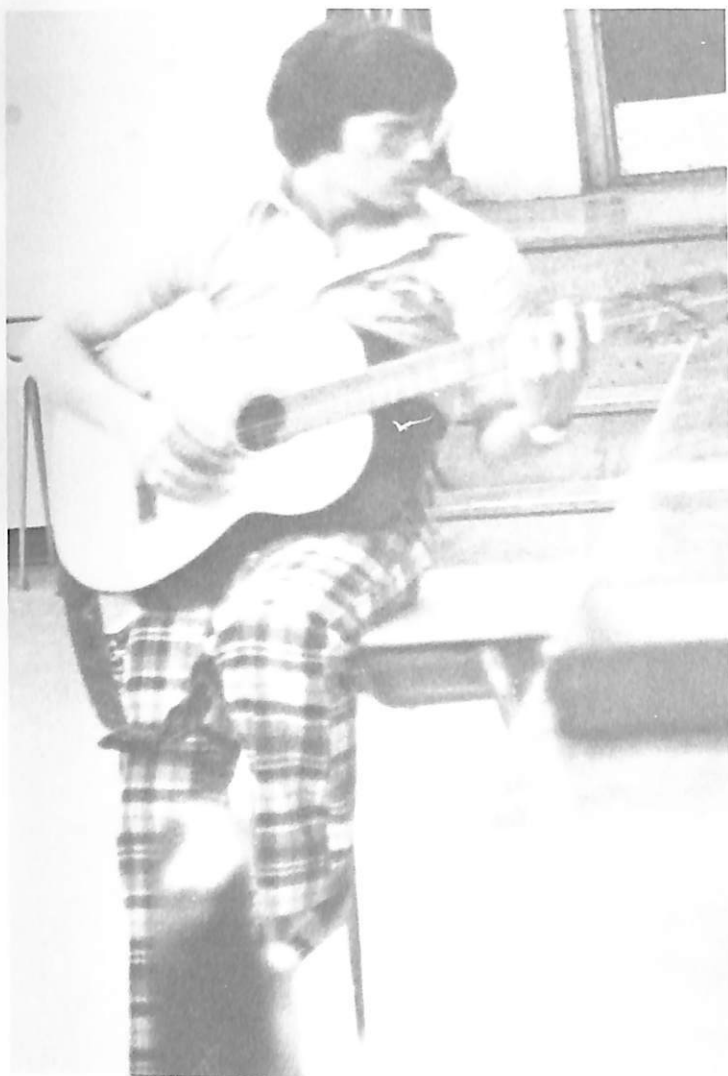

Back row: Mark Lusby, Wendell White, Jeff Justice. Front row: Genise Collins, Karen Purnell, Pam Tull, Stephanie Guercio, and Dena Cornell.

# CHORUS

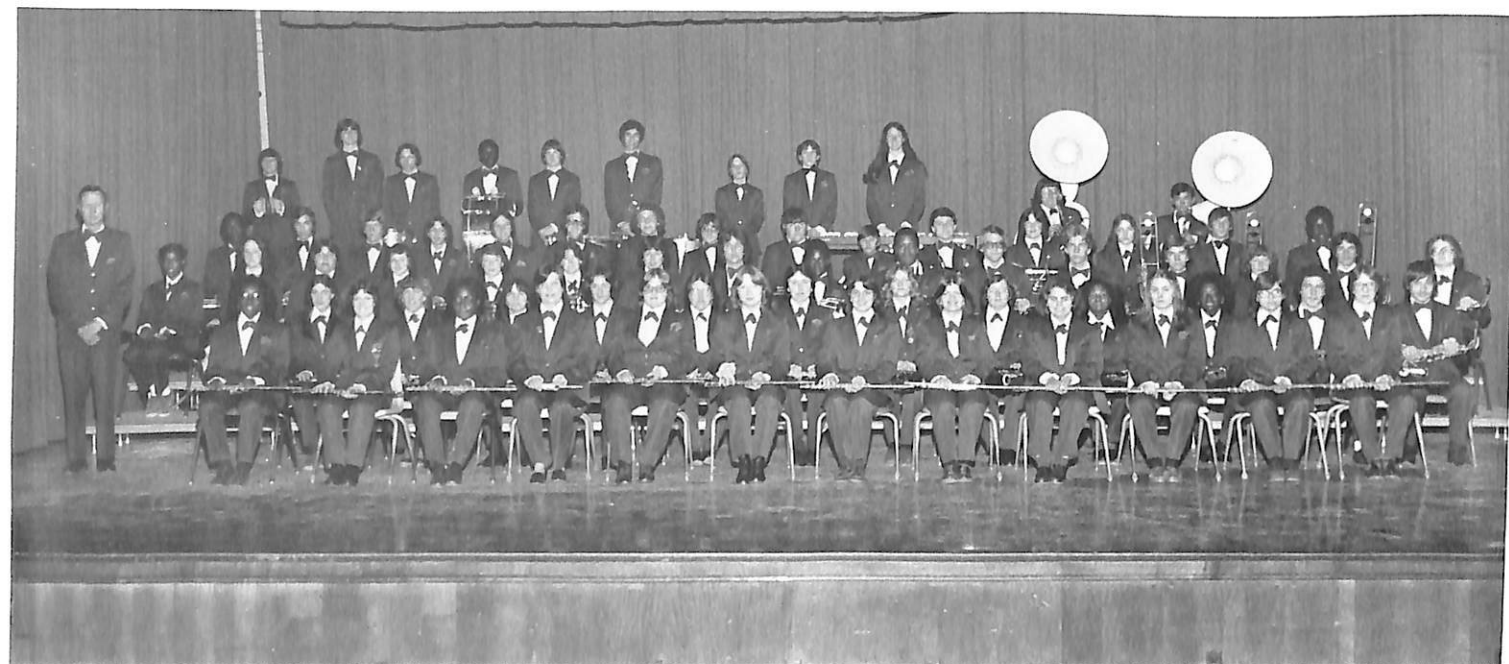

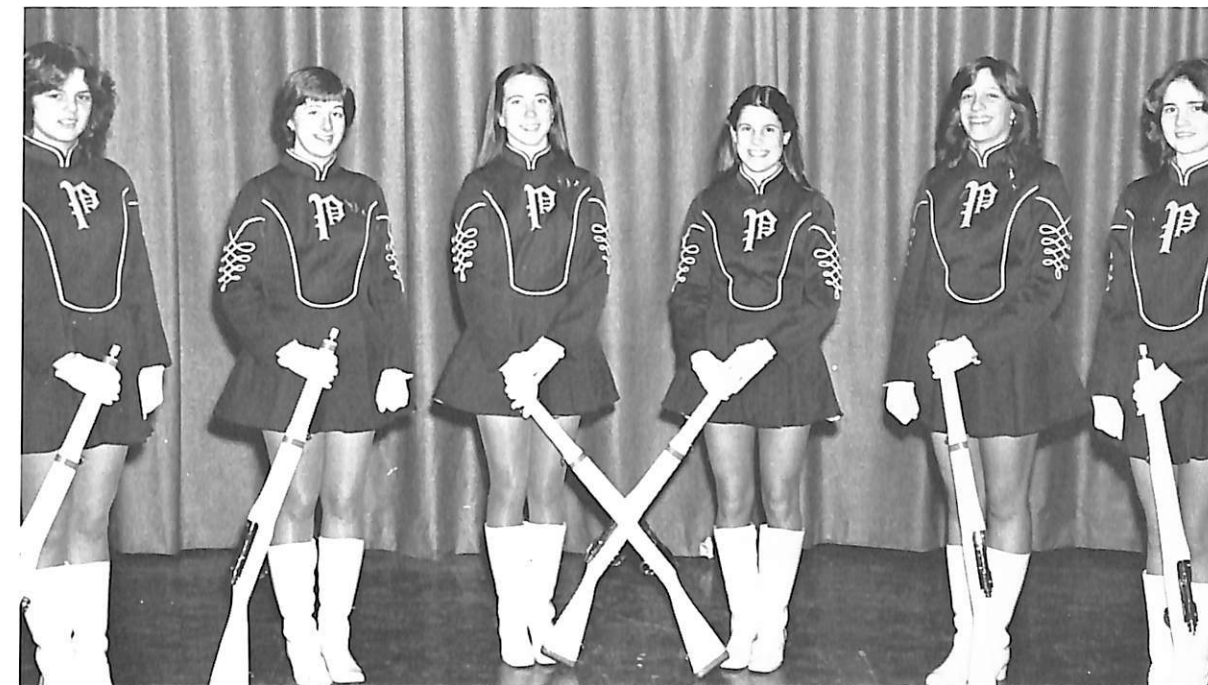

Back row: Cynthia Young, Tina Justis, Andrea Culp, Joel Schoolfield, Victoria Bishop, Karen Taylor, Bruce Robinson, Teresa Young, Barbara Allen, Andrea Cookro, Regina Robinson, Pedro Valdez, Pat Wodkins, and Patty Smith. Front row: Pearlie Fletcher, Belinda Merrill, Kathy Wise, Debbie Newsome, Sherry Colonna, Mary Collins, and director, Henry Miller.

The Pocomoke High School Chorus has come a long way in its short existence. Many years ago, P.H.S. had a melodious group of songsters; however, they soon dwindled away. Now, Mr. Henry Miller has put together a group of interested and talented students that enjoy singing and have traveled around the area performing on various occasions. Mr. Miller puts in many hours of hard work with his students, preparing for programs both in and out of school.

WINNER. Laura Gladding (left) and her advisor, Mrs. Esther Robbins, admire the plaque that Laura received as the winner of the public speaking contest at the Maryland State Leadership Conference.

This year's FBLA chapter has been extremely active. During the course of the year the chapter has put on two movies entitled, "Premature Burial," and "Dial 'M' for Murder." Also there were two discos, a fashion show, and candy sales.

The profits from these activities enabled the chapter members to compete in the state competition at Hunt Valley, Md.

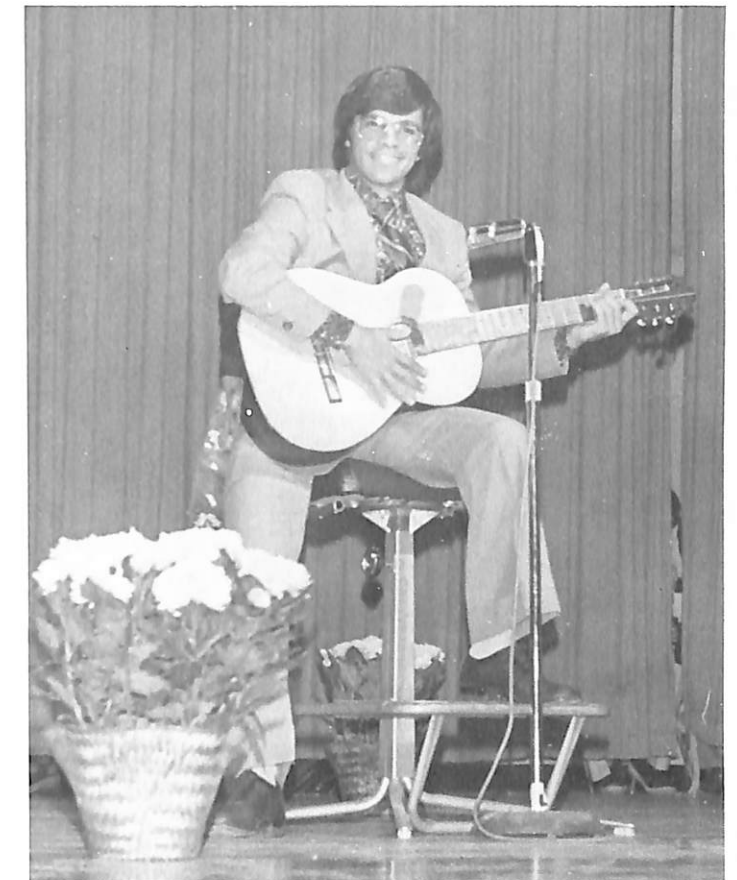

Laura Gladding, a junior, walked off with a first place prize in the public speaking division. Other members of the chapter who placed in the contest were: Andrea Culp, 8th place in business law; and Liaina Harmon, 10th place in shorthand one.

The Pocomoke High School FBLA chapter received an 8th place rating as Chapter of the Year.

The FBLA held a fashion show on October 31, 1979, it was entitled, "Fiesta of Fashion." The five categories of clothing were: evening gowns, swimwear, night lights, school apparel, and sports wear.

Lots of entertainment was provided by FBLA members and by special guests such as Pedro Valdez. Pedro demonstrated his talents to the audience on his guitar.

The show turned out to be a great success and everyone enjoyed it.

Pedro Valdez entertains the audience during a short break in the FBLA Fashion Show.

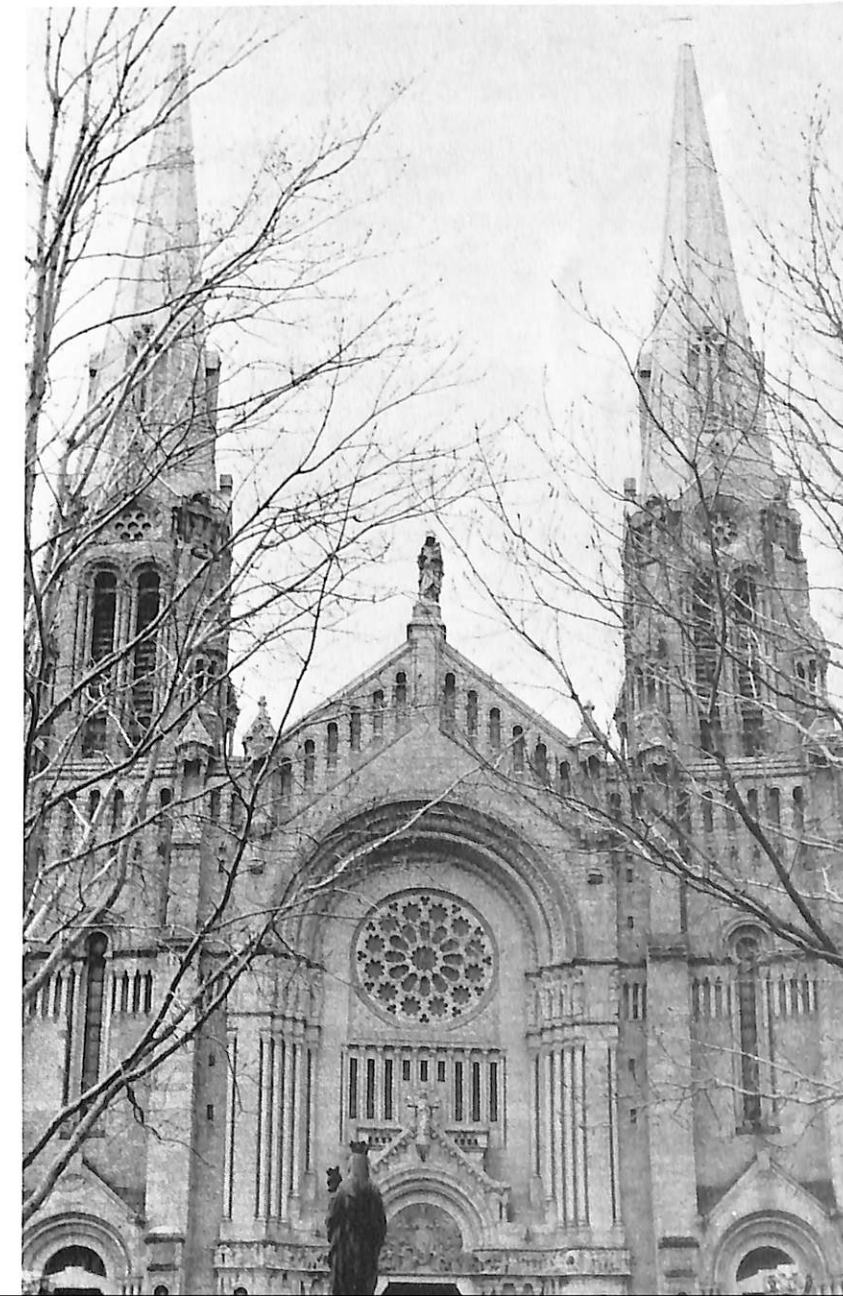

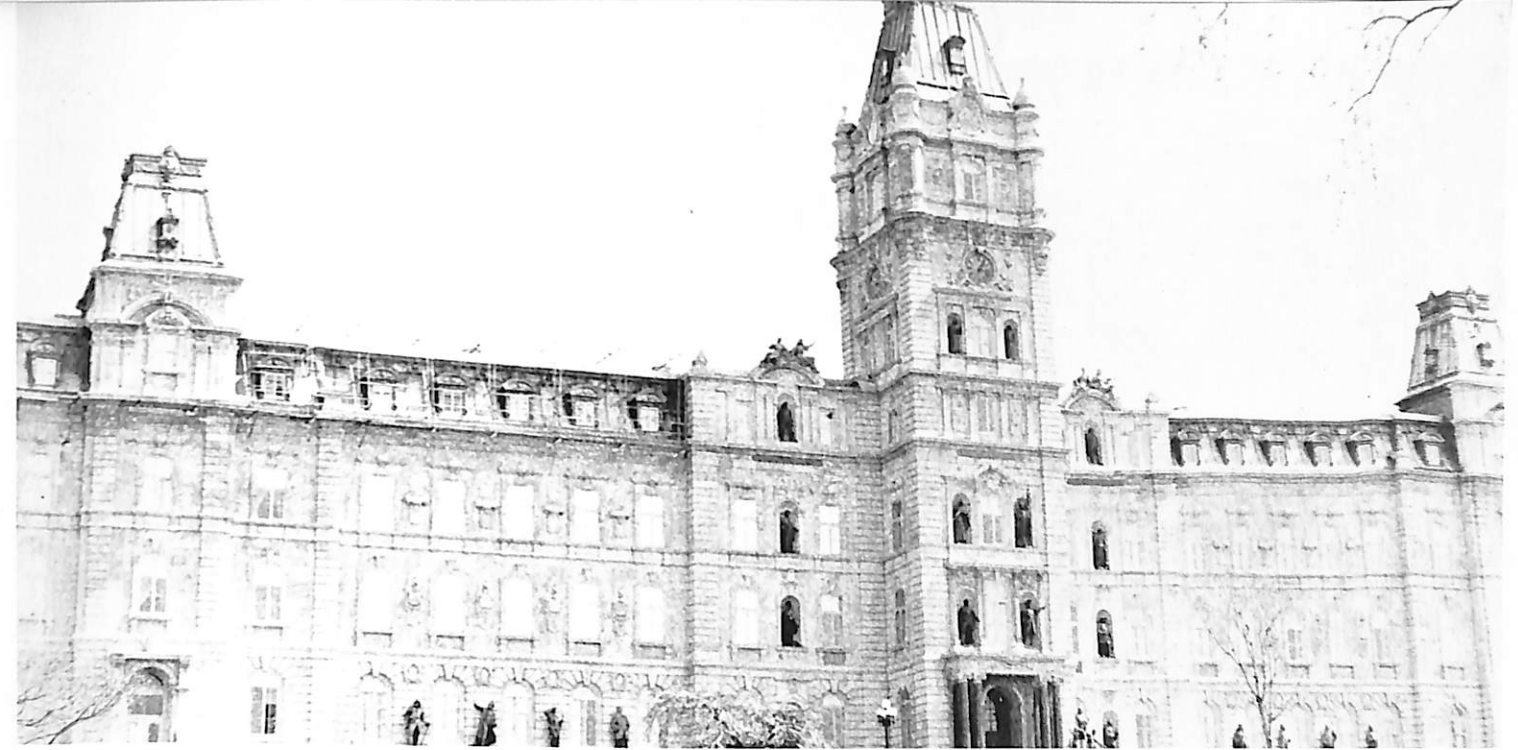

Toni Smith, accompanied by Laura Gladding, sings, "You Light Up My Life."

The 1978-79 exchange student was Pedro Valdez.

Pedro is originally from the country of El Salvador.

A.F.S. is an organization within the school that tries to promote the exchange of cultures by allowing students from different countries to exchange ideas.

This aspect of the A.F.S. Club allowed two of our P.H.S. students to visit other countries for the summer. Shelley Vilov went to Turkey while Betsy Brothers visited Sweden.

This year has been an eventful one for our A.F.S. chapter.

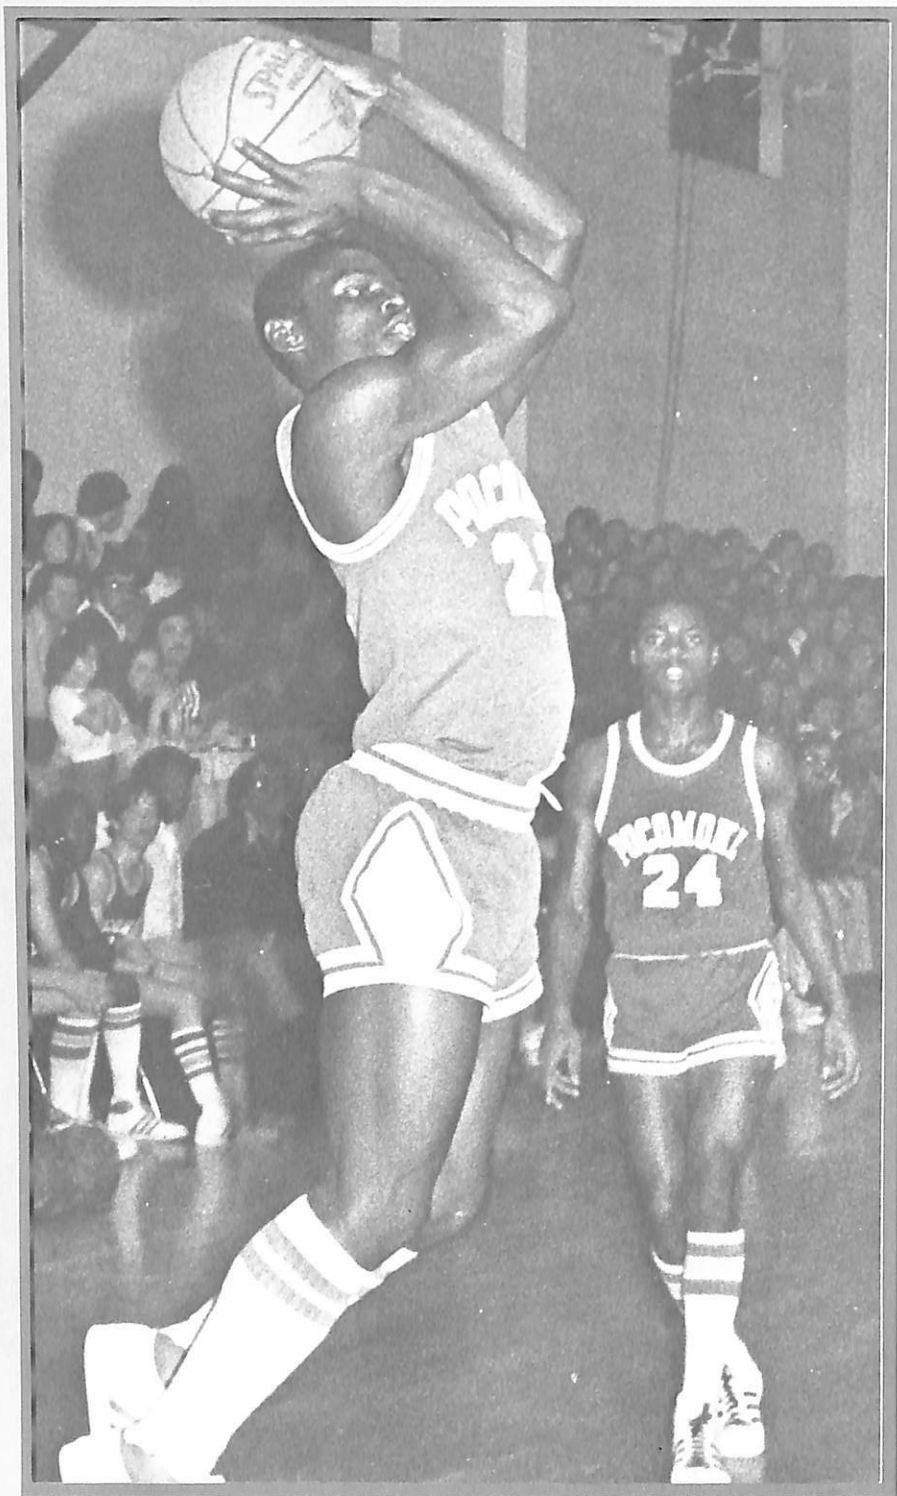

Shelley Vilov was chosen to go to Turkey for the summer.

Betsy Brothers spent her summer in Sweden.

# Sports . . .

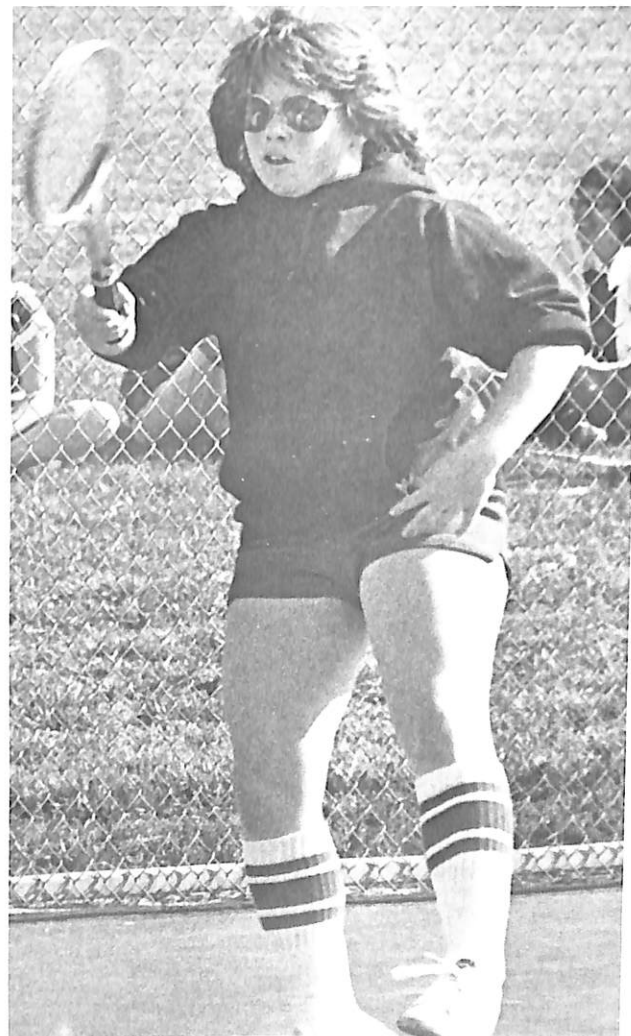

Skill;  
Determination;  
Aggressiveness,  
are a few of the many qualities that  
make the athletes at P.H.S. what  
they are. The WARRIORETTEs and  
WARRIORs really make their fans  
proud by following the instructions  
of their dedicated coaches.

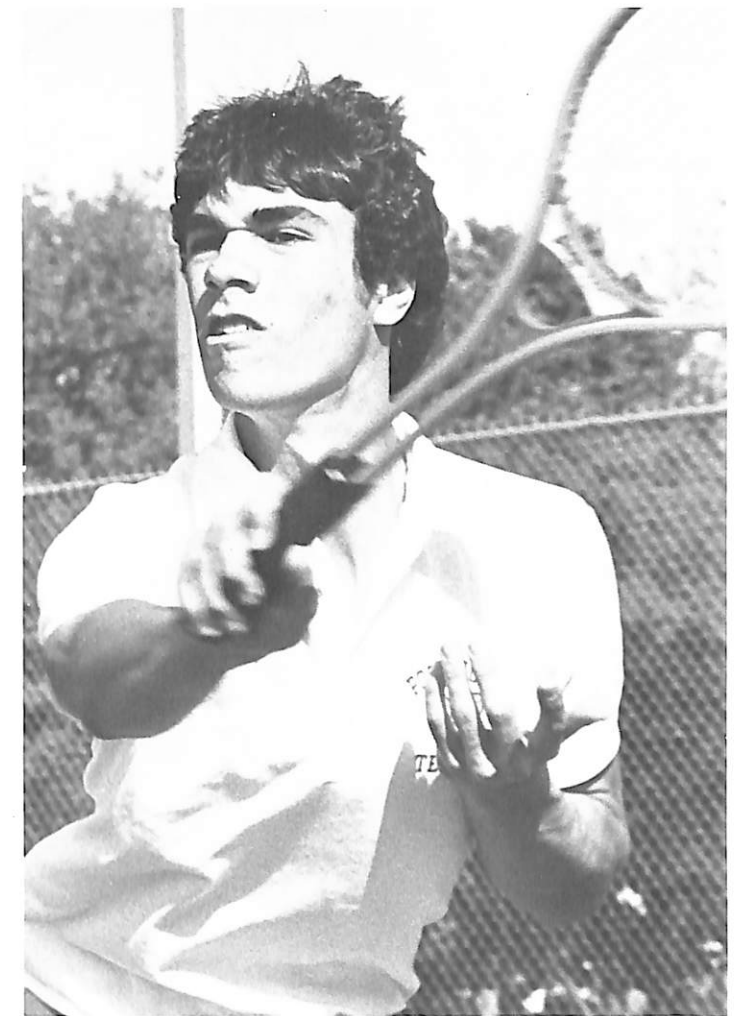

Back row: Coach, Don Kelley; Susan Schmidlin, Karen Wible, Ellen Raine, Kathy Reeves, Sharon Taylor, Dana Bodley, Mgr. Cheryl Whiting, and Coach, Pat Westcott. Front row: Jane Davis, Betsy Brothers, Bonnie Maddox, Ginny Chamberlain, Colleen Ryan.

This year, the athletic department of P.H.S. has added a new sport to its program. Under the direction of Mrs. Pat Westcott and Mr. Don Kelley, the tennis team has had a very successful season. Diligence and determination characterized the attitudes of this year's team members. We hope to keep this sport in the program for the future years.

The HULK??

Back row: Mgr. Mary Somers, James McComb, Bob Stancil, David Zeigler, Greg Butler, Greg Swindell, Bruce Marshall, Rob Huey, and Coach, Don Kelley. Front row: David Leitao, Bobby Bragg, Tim Darcy, Don Chesser, Mike

# FIELD HOCKEY

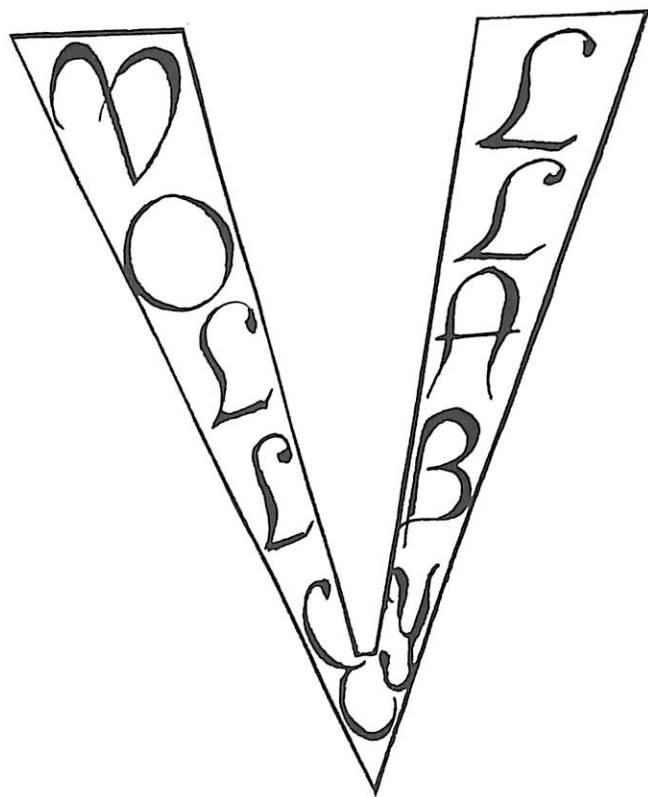

## WARRIORETTES IN ACTION

The P.H.S. Field Hockey Team had a very successful 1978-79 season. Under the supervision of Coach Pat Westcott, the Warriorettes emerged with 6 wins, 4 ties, and no losses to capture the County Championship. This was the first year that All-Star players were chosen for Field Hockey; Coach Westcott was very fortunate in having four very talented young ladies to be selected. They were Rhonie Chamberlain, Bonnie Maddox, Ginny Chamberlain, and Lori Dorman.

Back row: Coach Pat Westcott, Dana Bodley, Dana Cylc, Diane Baylis, Maureen Darcy, Ruth Connelly, Colleen Ryan, Ellen Raine, Ernestine Tull, Paula Collins, Debbie Sommers, and scorekeeper Vera Waters. Middle row: Betsy Brothers — Manager, Ginny Chamberlain, Shelley Vilov, Lisa Malloy, Susan Schmidlin, Teresa Miller, Genise Collins, Lori Dorman, Denise Williams, DeCheryl Copes, Kathy Callahan — Manager. Front row: Bonnie Maddox, Rhonie Chamberlain, Tonya Adkins, Patricia Roberts, Shelly Tull, Jane Davis, and JoAnn Baylis.

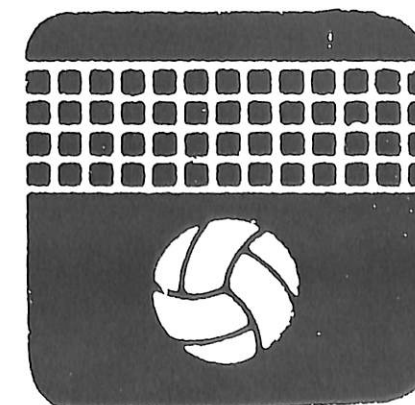

This year's Volleyball Team proved to be on their toes and ready for anything. Under the supervision of Coach Penny Sue Butler, the Volleyball Team finished with a nine-one record. The team consisted of fourteen players which chose Rosanne Stewart as their Most Valuable Player for the season. The Volleyball Team also captured the title of "County Champs" for the 1978-79 season.

Back row: Van Handy (manager), Claudia Copes, Darlene Turner, Tylesia, Dennis, Eileen Wainwright, Coach Penny Butler. Middle row: Joyce Harmon (manager), Karen McGee, Joel Schoolfield, Sharon Taylor, Toni Smith, Annette Bryant (scorekeeper). Bottom row: Sherri Tull, Crystal Matthews, Cathy Thornton, Rosanne Stewart, Shelley Cropper, and Cindy Doughty.

Under the direction of Mr. Duncan, the 78-79 Golf Team completed a very successful season, displaying that the Golf Team at Pocomoke High is capable of achieving an excellent record in relation to the Golf program. The Golf Team played in the District and County Tournament. They won the County Tournament with a play-off due to a tie. They are proud to announce that they took 4th place in the District Tournament.

# SOCCER

The 1978-79 Soccer season proved to be, in the words of Coach Detwiler, "A Superseason!" Coach Detwiler commented on the exceptional games the team played. This year's team consisted of 12 Seniors, of which 5 players made Bayside, and All-Star Soccer Team. Coach Detwiler stated that he will miss his Seniors, but he is looking forward to a new crew for next year. He has many important players to replace.

Standing left to right: Coach — Marvin Detwiler, Raymond Robinson, Rob Ailstock, Bill Hudson, Rob Huey, Lance Hill, David Allen, Chris Massey, Greg Tucker, Brooks Godwin, David Zeigler, Tom McGoogan, Bobby Bragg, Tilden Golden, Glen Rantz, C. W. Bragg, Gordon Ritchey, Derwin Poole, Kent Miles, Donnie Chesser, Chris Rantz, Van Miles, Mike Holden, Ivan Conquest, Gary Hancock.

# FOOTBALL

Back row: Dick Smith (coach), Anthony Schoolfield, Scott Stripling, John Pippin, Tom East, Gary Copes, Clarence Harmon, Ralph Schoolfield, Jerome Copes. Middle row: David Stevenson, Craig Banks, Jeff Young, Vernon Davis, Jimmy Schoolfield. Bottom row: Bruce Marshall, Ricky Holland, Mark Lusby, Art Raine, Scott Howser, and Billy East.

Our 1978-79 school year proved to be a defeative one, for our devoted football players and their fans. When questioned, Coach Dick Smith said with a smile that although the team had more losses than wins, they played extremely well, adding that he was pleased with the attitude the players kept up. Coach Smith is looking forward to a much better season next year, and is hoping for spirited players with the drive to excell. Much effort and hard work has gone into plans to make next year an extremely successful one.

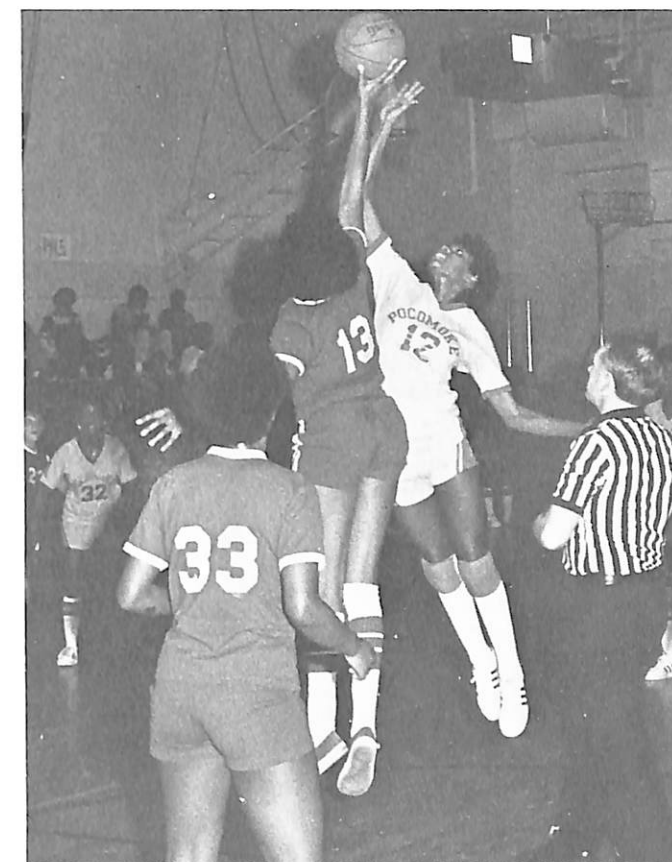

# VARSITY BASKETBALL

This year's girls' basketball team, which was coached by Penny Butler, finished their season with an eleven-seven (overall) ten-six (regular) record. The team consisting of ten players, was commended by Coach Butler as being "the best team that she has ever coached." The team had both a strong starting five and a strong bench. Shelley Cropper was voted by the team as their most valuable player. Shelley was honored by the school and Coach Butler for reaching an 1000 points and accomplishing eight hundred ninety-three rebounds.

Shelly Cropper finishes her senior year at P.H.S. with 1010 points and 893 rebounds.

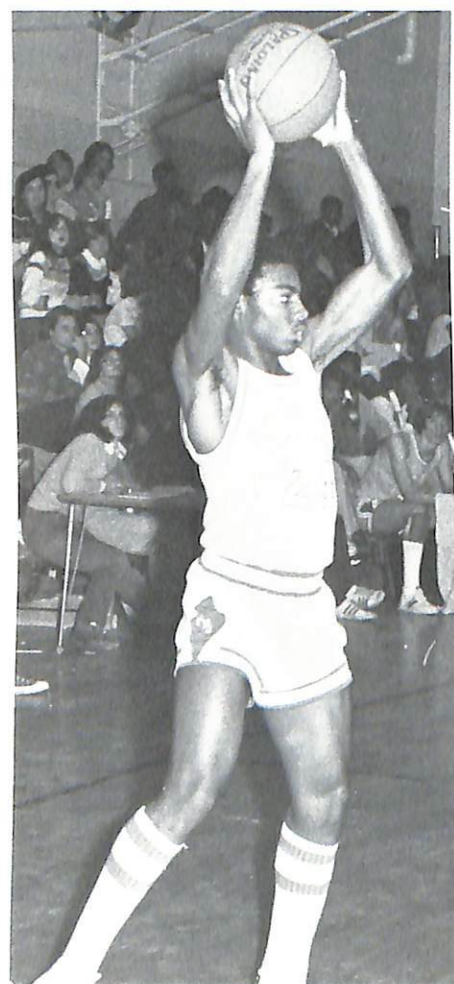

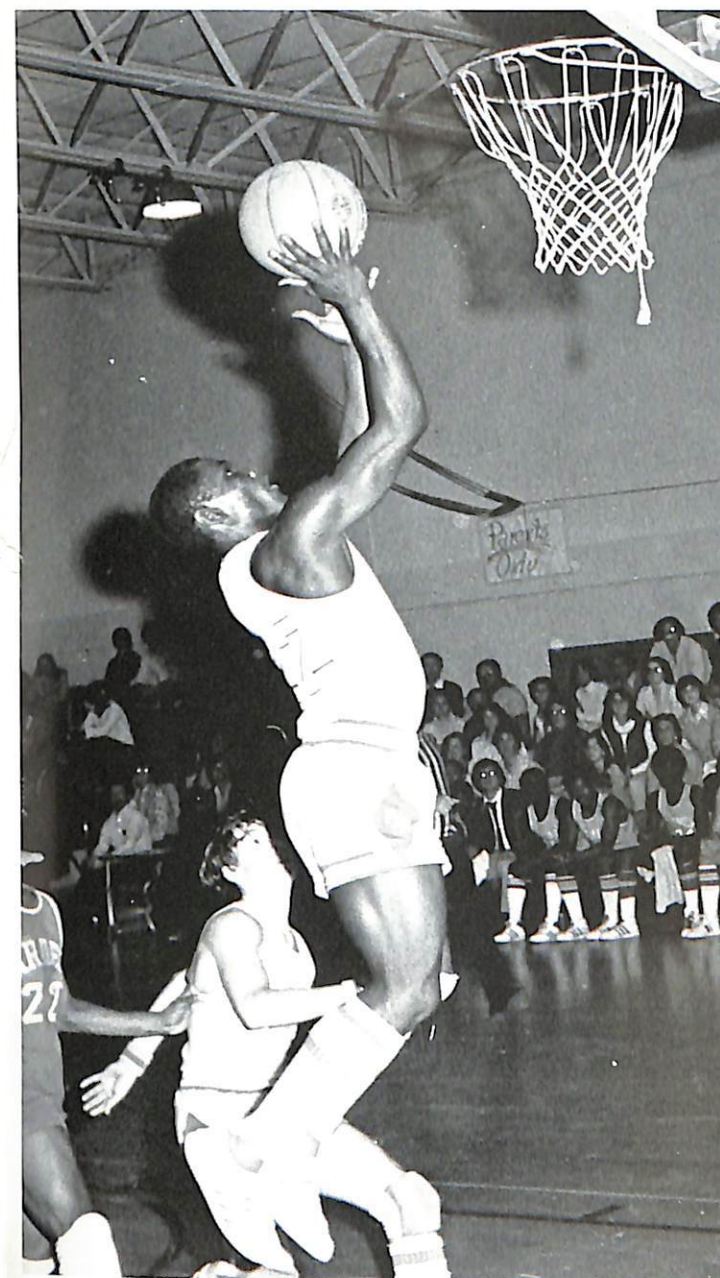

Standing l to r: Blair Smith (manager), Asst. Coach Ann Myers, Gary Copes (manager), Poinsettia Dennis, Faith Copes, Shelley Cropper, Rosanne Stewart, Tylesia Dennis, Karen Dennis, Coach Penny Butler, Tonya Yeffstig and Annette Mitchell (scorekeeper). Sitting l to r: Stephanie Waters, Tonya Atkins, Peggy Cropper, Ellen Raine, Genny Chamberlain and Darlene Crippen.

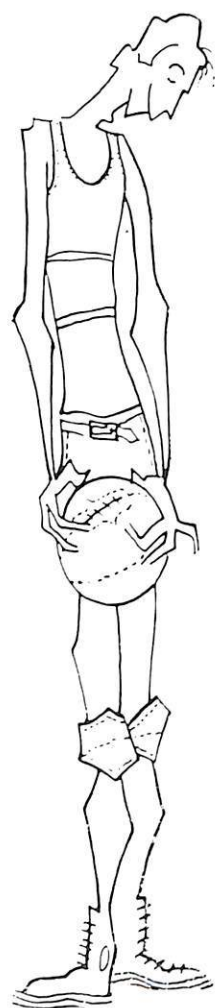

# Basketball

Standing: Ivan Conquest (manager), Derwin Poole (manager), Sammy Gumby, Alvin Justice, David Betterton, William Mills, Bruce Marshall, DeAngelo Deshields, and Coach David Byrd. Sitting: Tim Darcy, George Savage, Vernon Davis, Brooks Godwin, Jimmy Schoolfield, and Ricky Holland.

This year's Varsity Boys' Basketball Team was noticeably a younger team than most. There were only two seniors on the team, they were Bruce Marshall and Rickey Holland. When talking to some of the teammates they were pleased with themselves, saying that although they did not have a perfect record they felt that they had made much improvement. With the exception of the two seniors, everyone else will be returning to the team next year and are looking forward to a much more successful season.

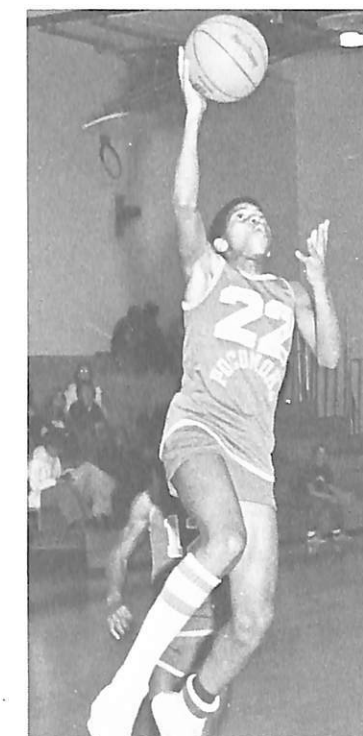

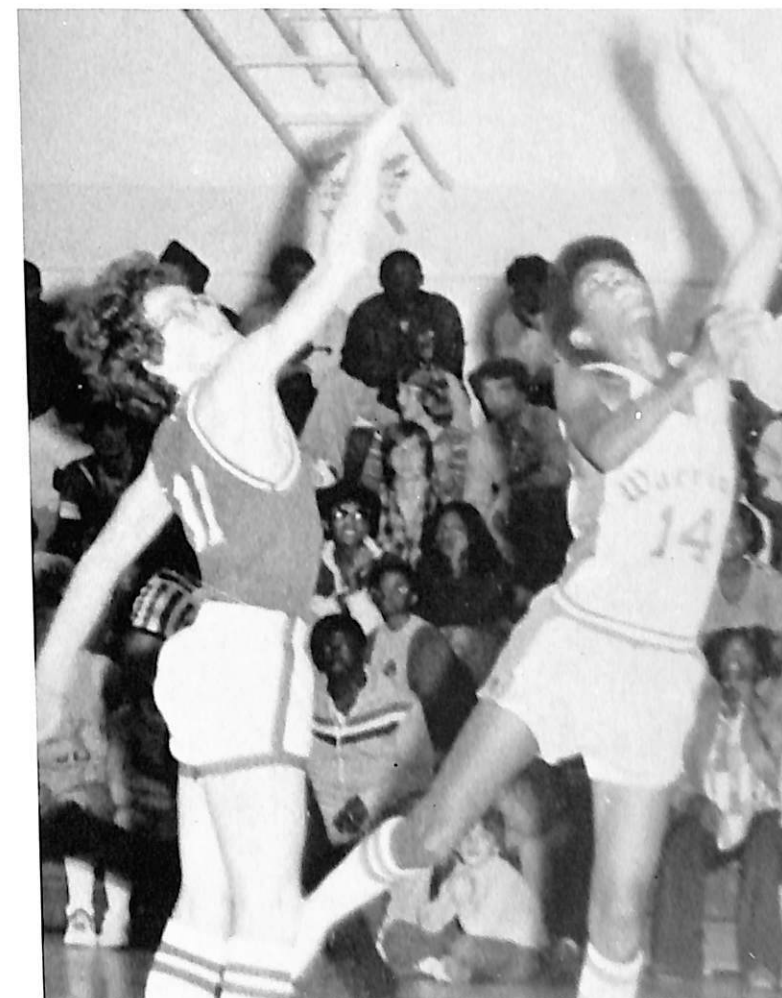

# J. V. T E A M S

Left to right: Mgr. Blair Smith, Coach—Ann Myers, Coach—Penny Butler, Colleen Ryan, Dorine Brown, Paula Collins, Melanie Smith, JoAnn Crippen, Claudia Copes, Mgr. Gary Copes, Scorekeeper—Tonya Yeffstig, Scorekeeper—Annette Mitchell, Maureen Darcy, Genise Collins, Lovetta Maddox, and Dana Bodley.

Left to right: Tilden Golden, Clarence Harmon, Scott Stripling, Darryl Dennis, Terry Jones, David Stevenson, Chris Hill, Jamie Mitchell, Jeff Federman, Tony Hall, David Adkins, Anthony Schoolfield, Steve Jones, Dale Gunter, Mark Harrison, Coach Rodney Carr.

# SOFTBALL

Managers: Charles Grant and Jimmy Schoolfield. 3rd row: Kay Grant Liaiana Harmon, Lisa Malloy, Teresa Miller, Lori Travers, and DeCheryl Copes. 2nd row: Karen McGee, Debbie Stancil, Evelyn Robinson, Claudia Copes, and Stephanie Wise. 1st row: Peggy Cropper, Shelly Cropper, Rosanne Stewart, and Penny Sue Butler, Coach.

The softball team at Pocomoke High did not have one of its more successful years. The team played a total of 16 games, leading to 2 wins and 14 losses. Pocomoke, being the friendliest town on the Eastern Shore, extends this spirit within the walls of P.H.S. Although the team stayed down on the scoreboard, they did not stay down in attitude. The girls, being what they were, always seemed happy-go-lucky and ready to roll again. Leading off this attitude was Peggy Cropper, who was voted most valuable player on the P.H.S. softball team.

# BASEBALL

In the words of Coach Tom Daisey, the P.H.S. baseball team had a very good year. The record was 10 and 8, leading the Warriors to the regional play-offs. Sammy Gumby, a junior of the team, received recognition for the most runs-batted-in.

The only disadvantage for next year's baseball team is that the majority of this year's team was made up of seniors. One of the seniors on the team who will be missed is Mark Lusby, voted most valuable player because of his high batting average and fast curve ball.

With everyone participating, there was great consideration among all the players.

1st row: Gary Hancock, Van Miles, Mark Lusby, Chris Rantz, Ricky Holland, and Kent Miles. 2nd row: George Williams, Sammy Gumby, Greg East, Michael Holden, Art Raine, and Tildon Golden. 3rd row: Scott Stripling, George Savage, Blair Smith, Greg Bishop, Robin Robertson, and Kenneth Perry. Coach, Tom Daisey.
