We got 1st place award in International Relations and three second place awards: Citizenship, Health and Farm City Programs. At this point our Mrs. Miriam Vincent sang "Somewhere Over The Rainbow". And as usual was rendered in the style we love and have come to think we owe her at our meetings.

Mrs. Graham Carmean, Family Life Chairman, introduced the Speaker of the day, Rev. Elmer Miller, Pastor of Holly Grove Mennonite Church. His topic was "Home, The Example". He said, "Spiritual Stability is found in the Bible and Emotionality is found in an atmosphere of love, feeling of acceptance and understanding in the Home. And mental stability is taught by parents. How to choose and the will to do your best. Home is Gods idea. None better. We need more Home life where parents are there and all life centers around the Home and God." His talk was inspiring and spell-binding to his hearers.

Mrs. Rose Canny, Extension Agent, gave her thanks to all who made this Program possible and then announced Lunch after all could have a look at the display of hand-made crafts by Homemakers of whole County women.

Mrs. Cohen told us how easy it is to plant seed and raise our own dogwods. One thing she stressed is that it is better to put a .50¢ plant in a $5.00 hole than a $5.00 plant in a 50¢ hole, which is a saying from Judge Walter Price of Snow Hill, Md.
