Dear Bob,

Just had a letter from Carol saying they will not return from their convention until Wednesday night - thus we will leave Winchester on Thursday morning. Britt would like to visit the Bean Taskers' and Bob Johnstones' for a few minutes on the way home - so we might not get home in time for the meeting. Se- - - -

Every member has received a copy of the minutes, so there should be no problem there. Isabelle Leach has consented to take the minutes but she will need a ride over there. I will make duplicate copies, etc., when I get back and send them out.

* Calendars - I've received 50 calendars for the "Greens Tour" at ~~the~~ Snow Hill ~~2000~~ on December 14th - that is a Sunday. Mrs. John Presby requested that many for that event. They just arrived today by UPS. I had to make 3 phone calls to Vince Bagli and Woulk Press. I had wanted 100 by Dec. 1st. Something went wrong somewhere - so I said to send us 50. There are still 40 out at the Worcester County Libraries.

What does the Commission suggest that we do with any calendars left unsold? Should we give them to the schools? the churches?

The Treasurer's Report is enclosed to date.

* How will the sales go in Snow Hill on Dec. 14th? Will someone in Snow Hill take care of the sales??? I'll have the calendars there by 1 p.m.

Never can tell we might be home in time for the meeting.

Sincerely,

Michael D. S.
