CHECKS OUTSTANDING

TO PROVE THE BALANCE AS SHOWN
ON YOUR STATEMENT

Check off on the stubs of your checkbook each of the checks paid by the bank.

Add the sum of the outstanding checks to the balance as shown in your checkbook.

Add to this total the balance as shown on the statement.

The two results should agree, and if so, the statement rendered is correct. If there is a difference between these figures, check the additions and subtractions in your check-book. Please report any difference still remaining to the bank within ten days after receipt of your statement.
