CLASS SONG

Tune-Maryland, My Maryland

The senior class stands forth today  
With joyful hearts to sing our lay,  
We wear the rose, our chosen flower  
The fairest from the earthly bower.  
Crimson and gold we flaunt on high  
And lift our motto to the sky,  
While marching forth our lives we give  
While we live, oh, let us live.

We love thee, dear old Snow Hill High  
And we'll ever cherish thee;  
Mem'ries of crimson and of gold  
Through all the years 'til we are old.  
The beauteous rose shall never die  
Long after we have said good-bye;  
Still marching on, we proudly cry,  
"While we live, oh, let us live".

## CLASS HISTORY OF '39

On September 1, 1928 twelve small children embarked upon the Highway of Knowledge. When these little tots entered into Fairyland, they gave their names as Robert Sherkey, Lingo Hudson, Norma Fowler, Wilsie Carmean, Janet Haddock, Kenneth Gibbons, Edward Gordy, Albert Adams, Betty Evans, Ruth Trader, Mabel Jackson, and Evangeline Vincent. The first three years we were under the instruction of Miss Mary Parsons, now Mrs. Marion Brown; Miss Louise Evans, now Mrs. William Moore; and Miss Lillie Heward. During these three years our number was increased to thirteen by the enrollment of Willis Redden from Girdletree.

At the beginning of our fourth year we were transferred to the "Castle", better known as the new high school building. In our midst from Mt. Zion school were Emily Shockley and Milton Laws, making the number fifteen. The next four years our leaders were Miss Nan Brimer, now Mrs. F. S. Waesche; Miss Gladys Gibbons, Miss Mary Warren, and Miss Elizabeth Richardson. During this period our number was increased to nineteen by the entrance of Sarah Brown, Ruth Conaway, and Robert Scarborough from Girdletree and Irwin Jones from Norwood, Pennsylvania. In what seemed a surprisingly short time, commencement came and with it the highly-coveted diplomas.

The next year, we marched over to the high school and embarked on the "Ship of Knowledge." The captain of this Ship was Mr. O. F. Simmons, principal of the Snow Hill High School. The mates on the ship were Mr. Wilbur Jones, Miss Grace Jones, Mr. W. F. Peauchamp, Mrs. Lurah C. Phillips who have continued with us throughout our voyage. Mr. Luther Bromley, Mrs. Ethel Bromley, Mrs. Emily Duley, Mr. Henry Caple and Mr. Miles Hanna, have been followed by Mr. George Corddry, Miss Marion Humphreys, Miss Rebecca Bennett, Mr. C. J. Peauchamp, and Mr. Paul Joyner, respectively. During our cruise, our number was increased to twenty-eight for Ernon Sidaway joined us from Catonsville, Maryland; Kathleen Parker, Archer Holloway, and Elizabeth Dryden from Newark; Piercy Mabe from Coal Creek, Virginia; Ruth Browne from Princess Anne, Mary-

land; Pat Cottingham and Mary Godfrey from Snow Hill.

We were proud as any Hollywood cast when we presented our class play entitled "Hobgoblin House." We were also proud of the fact that our class was the second to have a year book in the history of Snow Hill High School.

We received our class rings on March 6, 1939; and now we are looking forward to Commencement when our Captain will present us with our diplomas, our passport into the World of Service.

#### THE CLASS WILL

Ladies and Gentlemen, Board of Education, Superintendent, Teachers and Friends:--

4. To next year's History Class the task of revising the Constitution which was not completed.

5. A copy of "Mein Kampf" by Hitler to the Library from the Problems of Democracy Class.

Item:

All the rest and residue of our property, whatsoever and wheresoever, of what nature, kind, quality soever it may be, and not herein before disposed of after paying our debts and our funeral expenses, we give and bequeath to our Principal, for his use and benefit absolutely, and to be disposed of for the good of the coming classes as he may see fit.

And we do hereby constitute and appoint the said Principal sole executor of this our last will and testament.

In witness whereof, We, the Class of 1939, the testators, have to this our will, set our hands and seal this second day of June, Anno Domini, One Thousand Nine Hundred and Thirty-nine.

### THE CLASS PROPHECY

As I, a member of the class of 1939 of Snow Hill High School, had always wanted to travel, one summer day in the year 1949, I grabbed my bag and rushed aboard the S. S. Bremen, barely on time as usual. That evening I was invited to sit at the captain's table and I was most surprised to have him greet me by name. When I looked more closely, whom did I see but Albert Adams, captain of the S. S. Bremen.

The next day as the sea was choppy, I was soon hanging over the rail. Fortunately, there were plenty of nurses on the boat and three rushed to my aid. When I was able to see straight, I recognized Wilsie Carmean, Norma Fowler (who had, by the way, grown quite thin), and Elizabeth Dryden, all very starched and efficient.

In a few days I was quite well and so began to get acquainted with my fellow passengers. Imagine my surprise when I was introduced to Mrs. James Steele, formerly Mable Jackson. She informed me that she and her husband were on their honeymoon. She also told me that more of the class of 1939 were on board.

Sitting over there in a corner by himself, I saw Archer Holloway, who, I learned, was an ardent supporter of the newest "ism". The pompous gentleman in a group at a table, was Willis Redden, discussing the newest agricultural methods. There's Bob Scarborough, who has succeeded his father as distributor of Sinclair products, discussing the speed and merits of his newest high-powered automobile. Near by was a person I hardly recognized until he pushed back a lock of long hair; then who should emerge but Bobby Sherkey, our piano virtuoso on the way to a concert at Vienna. As I strolled around the deck, I saw a familiar looking person asleep in a deck chair. There was the famous baseball pitcher, known to his admiring fans as "Buzz" Laws. As I stood looking down at him, he roused, said "Hello", and promptly went back to sleep. Surrounded by a group of passengers, giving a little sermon, was Emory Pusey on his way to the Vatican.

What was that sound that reached my ears? Down the steps I hurried, and vocalizing for dear life were two members of the Metropolitan troupe, the star tenor, Irwin Jones, and our prima donna, Evangeline Vincent. Just then I felt a sly tug at my coat and looking down beheld Betty Evans who informed me that she was now the wife of a millionaire, whom she had helped to success in her own quiet way.

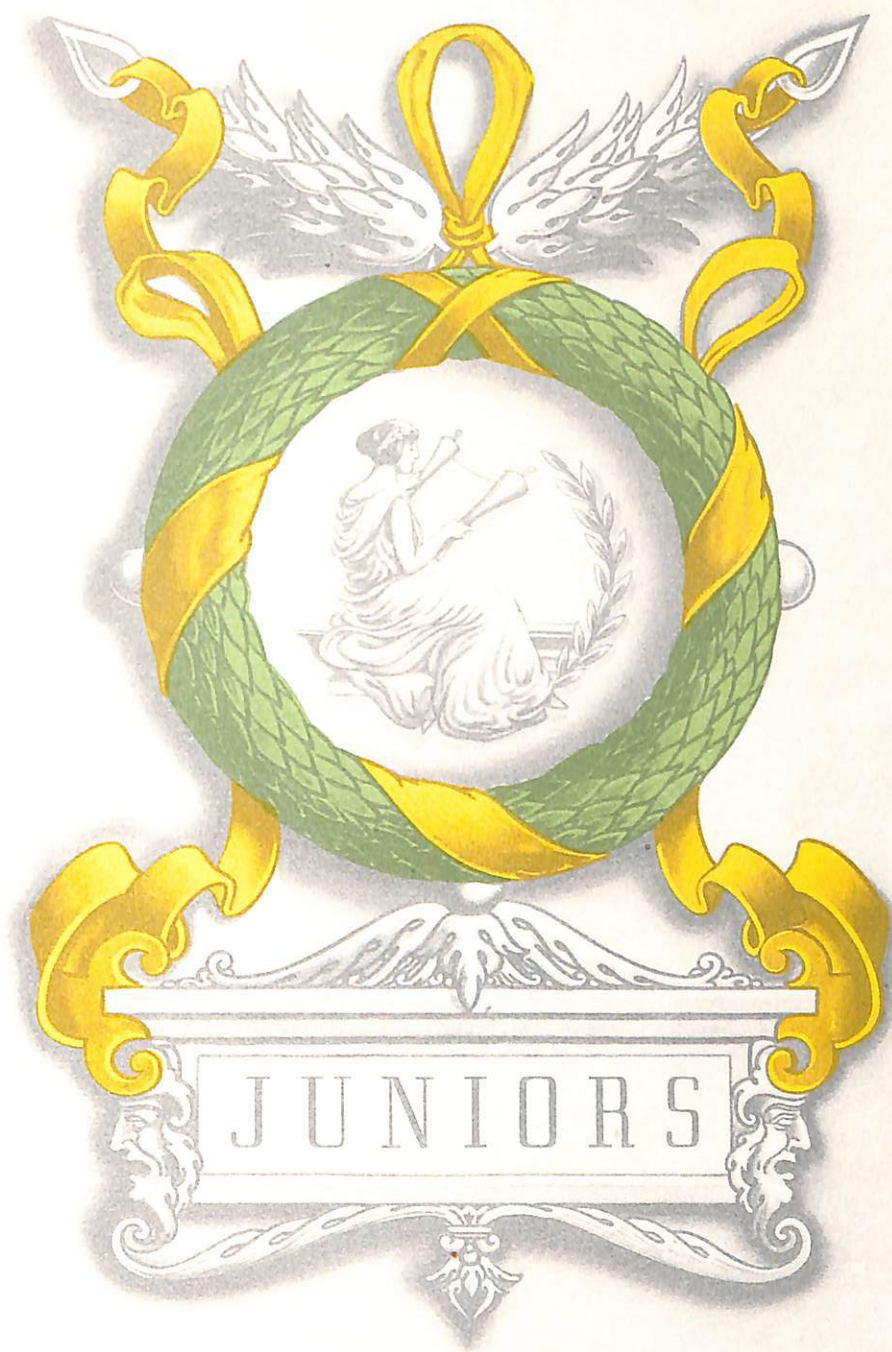

Look at that girl beating all the men at their sports! That's Janet Haddock on her way to the Olyrpic games. Don't look now, but there's Kathleen Parker with her retinue of the opposite sex. She's the playgirl of Newark. There's our missionary, Piercy Mabe, with everybody literally hanging on her slightest word. Here comes that paragon of style, Emily Shockley, on her way to Paris to buy gowns for her New York firm.

What is nicer than a dance on a boat, and to such divine music! Let's go over and ask for a special number. My goodness! Look at Ed Gordy, graduated from his mouth organ to a sax and really swinging it. Quiet please! We have a famous comedian on board who will entertain us. Jack Allan. Imagine my surprise when out stepped, Bert Gibbons, jaunty as ever. Put on with the dance. Can it be? Yes, it is Pat Cottingham, the ship's gigolo, whose job it is to see that all the ladies have a good time. He's going from girl to girl, doing his duty. That golden baritone you hear is Ernon Sidaway, singing by the orchestra. Chattering busily away, I see Ruth Browne and Ruth Conaway, both on a vacation and both secretaries to executives.

In the morning I felt the need of a few facial repairs and who should come smilingly towards me but Mary Godfrey, operator of the beauty salon. Ho, hum, a book is what I need to pass away the day. I strolled into the library to be greeted by Sarah Brown, the ship's librarian. Well, I could write a book myself about this adventure, but just now this looks good enough; so good-bye until the next chapter.

## SOCCER

A look at the wins and losses column would probably seem somewhat confusing as it shows that the S. H. H. S. booters lost only one game. They, however, won only one also, the other two being tied.

With an unusually good backfield consisting of Lingo Hudson, "goalie", Luther Taylor and Ed Gordy, fullbacks, and Milton Laws, Ray Mount, and Hurley Holloway, halfbacks! and a promising line boasting of Ernon Sidaway at center, Jack Wimbrow and Clemon Outten at the inside positions, and Winfred Goswellin and Charles Hager holding down the wing jobs, the Maroon and Black journeyed to Pocomoke to play its first regular game. The result was a 3-3 tie, Snow Hill's points being accounted for by a field goal and penalty shot from the toe of Captain Sidaway. In this game Archer Holloway made his appearance as a regular on the line and Albert Adams proved his value as utility man.

After walloping Stockton to the tune of 9-3, the Snow Hillers were hoping and expecting to win an all-important game with Buckingham High. However, as the result of a game poorly played by both sides, the final score was another 2-2 tie, Snow Hill's lone marker from the field having been made by a Buckingham backfielder.

With championship hopes low, S. H. H. S. met Ocean City's undefeated team in a desperate effort to snare a victory, which would mean a tie in the total count and another chance at the highest honors. Although they played one of their best games, they seemed unable to halter the beach ponies who galloped through the backfield for two quick goals which netted them the victory at 9-6 and the championship.

## Fieldball of '38

The Snow Hill High School field ball girls, under the direction of Miss Jones, have an enviable record of five consecutive Worcester County championships. Members of the class of '39 have played on four of these championship

teams. This year the team, headed by captain Janet Haddock, was undefeated in the county but lost to Washington High School, at Princess Anne, in the inter-county game.

The teamwork of the girls contributed much to the success of this team of '38 which at all times tried to live up to the Snow Hill standards of good sportsmanship and fair play.

The line-up was as follows:

Janet Haddock, R.I.F.  
Elizabeth Bradford, L.I.F.  
Virginia Cropper, C.  
Cordelia Price, L.W.  
Mattie Blades, R.W.  
Mae Prettyman, R.H.B.  
Alice Powell, C.H.B.  
Mary Jane Jones, L.H.B.  
Hazel Disharoon, L.F.B.  
Rosemary Corddry, R.F.B.  
Euneta Butler, G.

#### BOYS BASKETBALL '38 -'39

Snow Hill started their practice game off with a bang beating a highly favored Baptist Church team by the score of 30-21. The lineup was: Sidaway, R.F., Laws, L.F., Mount, C., Holloway, L.G., Corddry, R.G. Snow Hill then lost every league game except one with Pocomoke. During the middle of the season Smith replaced Corddry at R.G. Snow Hill lost a tough one to Berlin 15-14. Then Salisbury High visited Snow Hill and won 32-15. Snow Hill won the very last game of the season by the score of 26-12. This was the game with Pocomoke. Although this was still a poor season, it is better than what other Snow Hill teams have done for the past few years.

#### GIRLS BASKETBALL OF '39

The Snow Hill High School basketball girls, led by captain Janet Haddock and coached by Miss Jones, were defeated in their attempts to gain the county championship in two hard-fought games

with Buckingham High of Berlin. Playing the new two-court game the Snow Hill forwards, Janet Haddock, Cordelia Price, and Virginia Cropper, broke through Pocomoke's defense in two games and with the good defense work of the Snow Hill guards, Rosemary Corddry, Euneta Butler, Alice Powell, and Hazel Disharoon, brought victory to their team. The 1939 season was rounded out with fast games with the Snow Hill alumnae.

#### BASEBALL '39

This spring turned out an interesting group of boys for practice. After a week the team was shaped up. Mount has improved so much in hitting and fielding that the big lug will help us at plugging up first base. Cropper and L. Hudson have greatly improved in their hitting. Our captain, A. Holloway, has made a great short-stop in just his first year of playing. Laws has helped our poor pitching staff. Our line-up for the season is Wimbrow c., Cropper lf., Sidaway 2b., A. Holloway ss., Laws p., Mount lb., L. Hudson cf., H. Holloway rf., and Smith 3b.

Our first game at Stockton was won 7-3. Sidaway was the fielding star by running into short right field and snagging a pop fly over his shoulder. Cropper and L. Hudson were hitting stars with two hits for three trips. Laws pitched the entire game.

We next went to Pocomoke where we defeated them 15-4. Sidaway was the fielding star again by making the same catch as in the Stockton game. Cropper was the hitting star by his four hits for four trips. Laws pitched a one hit no run game for the first five innings to get credit for the win.

Next we went to Berlin where we lost 11-8 by our own fault. We committed sixteen costly errors. A. Holloway hit a home run, but Wimbrow was the batting star with 3 for 3. He hit a home run, but missed first base by eight feet. Laws' well pitched game was ruined by our errors.

We have yet five games left to play, but the scores cannot appear here as this book will be published before these games are played.

#### STUDENT COUNCIL

The Snow Hill High School Student Council is the oldest on the shore. It is distinguished for many fine achievements to which the council of '38 and '39 has fully contributed. Under the presidency of Milton Laws and supervision of Miss Grace Jones, the council, consisting of Archer Holloway, Vice-President; Florence Laws, Secretary; Richard Leonard, Treasurer; Piercy Mabe, Reporter; Ernon Sidaway, Irwin Jones, Albert Adams, Hazel Disharoon, Oakley Hall, Bailey Disharoon, Rosemary Corddry, Granville Hall, Margaret Holloway, Clifton Nock, and Sherwood Ferris, has completed a handbook, started by the previous council, which in itself has proven the value and fine work of the Student Council.

#### ATHLETIC ASSOCIATION

This year the Executive Committee of the Athletic Association has been unusually busy. They have sold approximately \$133 worth of tickets. Each person who buys one of these tickets is entitled to membership in the Athletic Association. This year the executive committee consisted of Ernon Sidaway, President; Janet Haddock, Vice-President; and Hazel Disharoon, Secretary and Treasurer. The representatives being Archer Holloway, Senior; Mary Godfrey, Commercial; Robert Corddry, Junior; Shirley Townsend, Sophomore; and Billy Cropper, Freshman. The committee has bought soccer shoes, basketballs, basketball uniforms, soccer ball, baseballs, and paid transportation for all boys and girls teams. The committee supervised many things to aid athletics. They supplied the grades and high school with dodge balls, volley balls, soft balls, and bats. In fact they supply all athletic equipment.

#### THE GLEE CLUB

This year, for the first time, the so-called Glee Club, under the instruction of Miss Marian Humphreys, has been organized as a regular club--having officers, scheduled meetings, and specific projects. Two of the officers, Irwin Jones, president, and Sarah Brown, vice-president, are distinguished members of the senior class. The secretary, Cordelia Price, is a junior.

In the fall, the club had plans for many interesting and worth-while programs. However, due to the lengthy illness and absence of the instructor, Miss Humphreys, all the plans have not been carried out. There were, however, two very worth-while programs in the fall; and on Christmas Eve, many members of the club sang carols on the various streets of Snow Hill.

Miss Humphreys had plans for the annual spring concert, and for an operetta. However, when she returned to school from her illness, it was necessary to think of commencement music. The club provided entertainment for the P. T. A. in April by singing several numbers enjoyed by everyone.

On a whole, the club has progressed a great deal this year. And next year, the second year of real organization as a club, there will be even more accomplished. The club will miss all those musical seniors!

#### COMMERCIAL CLUB

The Commercial Club was organized in November of 1938. Those eligible for membership must take at least two Commercial subjects. This club was formed with the motives of creating a better understanding of the business relationship of today and more interest in the Commercial subjects. The club meets the second and last Wednesdays of each month.

The officers are as follows: President-Mary Godfrey, Vice-President-Ruth Browne, Secretary and Treasurer-Irene Tull.

### THE TASTE AND PASTE CLUB

On Thursday, October 28, 1937, a meeting was called by our sponsor, Miss Rebecca L. Pennett for all girls interested in organizing a Home Economics Club. Freda Godfrey was unanimously elected president; Elizabeth Dryden, vice-president; Hazel Disharoon, secretary and treasurer. The club was limited to girls having a "E" or better in Home Economics. We named this club the "Taste and Baste Club". Our motto is "As our girlhood is now, so shall our womanhood be".

The meetings are held once a month during school hours, and once a month at night. This gives our mothers a chance to be drawn nearer into our club work.

In March of the following year we held our annual Mother and Daughter banquet with Cordelia Price as toastmistress.

The fall of the following year '38 the girls met to elect new officers. Elizabeth Dryden was elected president; Rachel Hall, vice-president; Kathleen Parker, secretary; Shirley Townsend, treasurer; Janet Haddock, reporter.

This year our Mother and Daughter banquet was held on May 2, with Florence Laws as toastmistress.

The purpose of our club is to make girls better acquainted with Home Economics work and to do special service and professional work. Our greatest pride is our cook books. This cookbook contains the favorite recipes of the women of the community.

Our club is a state and national affiliated club and is striving to be an Honor Roll club this year.

### LIBRARY CLUB

President--Albert Adams Vice-President--Piercy Mabe  
Secretary--Sarah Brown Treasurer--Mary Godfrey  
Sponsor--Grace H. Jones

The Library Club was organized in November 1938, for pupils who are interested in books and who wish to learn more about the organization and work of a library. At monthly club meetings

through interesting programs, the members become better acquainted with books and authors and with the resources of our library. During this school year the members have arranged attractive exhibits, have given an assembly program, and have in many ways made the library more attractive and more useful to the pupils of our school.

#### F. F. A.

Of many important functions of the F.F.A., the two most important are their annual banquet and their trip to the Frederick Fair. At the Frederick Fair the Snow Hill F.F.A. boys have several achievements of which they may be justly proud. David Northam, class of '38, was last year elected President of the State Chapter of Future Farmers of America. He and Archer Holloway, class of '39, under the supervision of Mr. Edwin G. Crocker, won second place and a silver cup for cattle judging. David, who had the second highest individual score, was also awarded a trip to Springfield, Mass., to represent Maryland on a judging team there. The S.H.H.S. Chapter of F.F.A. has also three State farmers: David Northam, '38, Milton Laws, '39, and Archer Holloway, '39. Milton won first place in Maryland for his project records for which he was awarded a medal by the Farm Bureau.

Last year the boys had two baseball games with the Salisbury Chapter and won both games. This year more games have been arranged.

The officers for '38 and '39 were: Advisor, Mr. N. P. Joyner, President, Archer Holloway, Vice-President, Arthur Hancock, Secretary, Oakley Hall, Treasurer, Otho Mariner, Reporter, Brian Farrelly, Farm Watch Dog, Bobby Jones.

#### HOMEWORKSHOP CLUB

The Homeworkshop Club of the Snow Hill High School was organized Feb. 1, 1939. The officers elected were as follows: President, Pat Cottingham, Vice-President, Thomas Smith, Secretary, James Cooper, Treasurer, Raymond Mount, and club advisor Mr. C. J. Beauchamp.

A board of governors consisting of William Hancock, Bobby Gordy, and Huey Brown was elected at the first meeting.

The purpose of the club is to bring together those boys interested in shop work so that they might discuss the new articles and materials which the regular class does not permit. It also shows the boys how to develop a hobby and thereby use their leisure time to a greater advantage. This club is a branch of the National Homeworkshop Guild.

#### SCIENCE CLUB

In 1937, the Science Club, under the sponsorship of Mr. Wilbur Jones was started in Snow Hill High School. The club at once developed several interesting and educational projects, one of the most outstanding being a trip to Franklin Institute and Longwood Gardens. This year such a trip was again planned. It included a visit to the Bethlehem Steel Company, Hershey Plant, Armstrong Cork Company, Longwood Gardens, and the Masonic Home in Elizabethtown. The group left on Friday of the Easter Holidays and came back Saturday.

This year as the club took photography for a project, they have aided the seniors in their year-book along this line. They also took trips to the radio station at W.S.A.L., Chicken Factory, and Berlin Sewage Plant.

In May of last year after new members had been admitted, the club under the president David Northam, held a weiner roast and elected the following officers for the ensuing year. They were: Archer Holloway, president; Janet Haddock, vice-president; Piercy Mabe, secretary; and Sarah Brown, treasurer.
