Graduated Parkville Senior High School in 1971

Entered Loyola College in fall 1971, currently in Senior Year, majoring in History and will graduate spring 1975.

In January, 1972 participated in Freshman Seminar "The Good Life" which considered cultural aspects of modern America.

In April, 1973 participated in a trip to the Soviet Union in conjunction with a course on the history of Russia and the Soviet Union, under Dr. Andrew McCormick.

In May, 1973 was awarded a scholarship (\$1,000.00) from the National Historical Society for an essay on the topic "The Anglo-Spanish Struggle for the Southwest".

In January, 1974 participated in an ecological survey of the Everglades under Dr. Charles Graham.

In November, 1974 was nominated for and accepted membership in Phi Alpha Theta historical honor society.

In fall of 1975 plan to attend graduate school if financially able.

The foregoing is submitted in connection with my request to participate in the Maryland Horizons '76 Program. I would prefer to work in or around Baltimore County, but would consider work in other areas of the State. Specifically I would like to be considered for the following projects:

- "Conversion of Historic Building to Multi-Use Community Cultural Center"- Baltimore County
- "World Port Garden" - Baltimore City
- ~~"Cultural Center for the State of Maryland"~~
- ✓ "County Landmarks Survey" Worcester County
