Dr. John A. Hague, Director
Community Museum Program
National American Studies Faculty
Box 1255
Stetson University
Deland, Florida 32720

Dear Dr. Hague,

Some information on a Community Museum Program has come to our attention through the Maryland Historical Trust publication - SHAP, for September 1974.

Snow Hill, Maryland - the county seat for Worcester County, Maryland, has community museum which we of the Worcester County Bicentennial Commission might be interested in revitalizing as a Bicentennial project.

At this time we are interested in more information on the program you direct. The Worcester County Historical Society as well as the town of Snow Hill have an interest in this museum. The Worcester County Bicentennial Commission is composed of many members of both the Historical Society and of the town of Snow Hill.

Please send information to Mr. Robert H. Robertson, Jr., Chairman of the Worcester County Bicentennial Commission, Winter Quarters Drive, Pocomoke City, Md. 21851.

Very truly yours,

Mildred C. Brittingham

Mrs. Elmer A. Brittingham, Sec. - Treas.
Worcester County Bicentennial Commission
