Dear Mrs. Brittingham,

Many thanks for your nice note and the order for 100 Bicentennial Calendars for Worcester County.

I'm sorry that I didn't have the chance to meet you and Mr. Brittingham in person at Annapolis, but the Commission was so kind to give me time for my presentation, I didn't want to abuse the privilege.

We will ship the calendars next week to:
P.O. Box 4 - POCOMOKE CITY, MD. - 21851

Write me when you exhaust the supply and we'll be back with more!

Thank you again.

Sincerely,
Vince Bagli
