Mr. Robert H. Robertson, Jr.
Winter Quarters Drive
Pocomoke, Maryland 21851

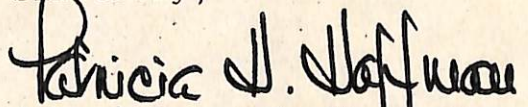

Dear Mr. Robertson:

The Department of Economic and Community Development and the Maryland Bicentennial Commission have reviewed your Horizons '76 Assistance Program project request, and wish to acknowledge the selection of the Worcester County Landmarks Survey, Tour & Publication as being your official Horizons project.

The department will seek an intern with the skills, which you have outlined, and will contact you for interview arrangements, when nominees are received from our state colleges and universities in early 1975.

Thank you for participating in the program and we look forward to working with you to ensure a Horizons project that will be both beneficial and have lasting value to your county and its residents.

Sincerely,

(Mrs.) Patricia H. Hoffman
County Liaison
