(start of page 1)

Vallejo Sept 12th 1856

Dear Bro

Please hand the enclosed note to Mr Finchley and collect the rent due to the first of next week Sept 15th. I am annoyed at Mr Finchleys not giving up the building as stipulated. I have heard that Mrs Finchley was going home on the 20th if so I would not insist if it puts them to much inconvenience. It is a dollar a day out of my pocket for every days delay. I sent you fifty dollars yesterday.

Yours Truly
C E Wetmore
