YOUNG LADIES' SEMINARY!!
Benicia.

THE SIXTH ACADEMIC YEAR OF THIS INSTITUTION, commences on Wednesday May 27th 1857.

This school has now attained so permanent a character and such has been its success that Parents wishing to give their daughters a thorough and accomplished education need not send them to the Atlantic States for that purpose as nearly all the facilities for study found in similar

Institutions in the East, are possessed by this.

Only a limited number of boarding pupils can be accommodated, therefore it would be well for those who wish to attend at the next session, to make application early.

For further particulars address **MISS MARY ATKINS,**
30-3m Benicia Cal.

The Semi-Annual examination of this School will take place at the Seminary on Wednesday and Thursday the 29th and 30th inst., from 10 o'clock A. M., to 3 P. M. Thursday evening at 3 o'clock there will be an exhibition at the Court House, consisting of a variety of exercises by the Young Ladies of the Seminary.

Parents, friends, and the public generally, are cordially invited to attend the examination and exhibition, 30-It
