

Nov 21<sup>st</sup>  
I have just sold one of your  
Eighteen dollar <sup>one of your</sup> ~~boats~~ <sup>boats</sup> for <sup>eighteen</sup> ~~eighteen~~ <sup>dollars</sup> ~~and~~ <sup>and</sup> ~~express~~ <sup>express</sup> of getting them on board the  
boat. You will please send  
it up by the steamer that takes the letter  
to you or the first one that passes after

You receive this. It is considerably below  
market price. But they were men who would  
have got it about as they did. They could not  
do more and by the

earn and organize it to me; directed  
to Donalock & Co they will sell well.

There is considerable enquiry for them  
and can send them in this way  
and had the profits on the boat  
back and or allow me what I can make  
on your Retail price I think they will  
bring \$1000 each of you send; and equal  
No of that says of it and not send

Donalock & Co will sell them and Remitt as  
fast as sold

Do you have been one of the  
most miserably sold days that I have known. The mind  
in the chart is more than I can say. I believe it is  
a matter of fact that I have not seen all  
to search for animals get a kind of do  
find them I dread to come across with  
them. I missed sending this by Peabody &  
Melcher as I expected

You do what I have proposed; send  
of the first boat and have one  
to complete; one found of paper and Costing return  
I am  
J. S. Wetmore
