

**COMMENTARIES ON THE SCHOOL LAW.**—We are truly indebted to Andrew J. Moulder, State Superintendent of Public Instruction, for a copy of a work just issued by him, entitled, "Commentaries on the School Law, with the elements of School Architecture," etc., etc. Some idea of the character and value of this work will be gathered from a list of its contents, which are eight in number, viz: School Laws and Commentaries, School Architecture, Text Books for Public Schools, Thought-Springs, State School Lands, School Statistics, School Officers and Forms and Notes. The work is duodecimo size,
