

1856 09 17 Wetmore in Vallejo to Gray

(start of page 1)

Vallejo Sept 17th 1856

Dear Bro

The accompanying note to Mr Finchly please hand him. It may happen that I shall get a store built and remove the building for a dwelling but in either case I deem it necessary to do it soon. You are authorized to deduct half a monthly rent. I send you his note which will explain all. In haste

Yours truly
C. E. Wetmore
