

AN ACTRESS IN LUCK.

Augusta Dargan Won a Fortune on a Melbourne Horserace.

Among the ladies who graced the stage was one particularly a favorite in this City several years ago. She was then Miss Augusta Dargan, but now she is Mrs. Piercy, having married a Dr. Piercy in Melbourne, Victoria. The lady before her marriage traveled all over the Western Hemisphere, and finally decided to try her fortune in far-away Australia.

Her marriage, it is said, did not turn out happily, and she desired to return to her friends in this City.

She was about to appeal to her old San Francisco friends, when a stroke of good luck changed all her plans. In one day she became a rich woman. The lady went to the Flemington race on "Cup day" last November, and was induced to place £500 upon the great event of the day. The horse she backed won, and the ex-actress won £17,500. She has changed her plans about coming to America.
