A Sad Accident.—We regret to learn that Mr. Edward Powers, son to Mr. Charles A. Peabody, of Russell county, Ala., while hunting yesterday afternoon, accidentally shot himself in the abdomen, inflicting a fearful if not fatal wound. Medical attendance was immediately procured, but little hopes were entertained of affording effective aid. Mr. Powers is a young gentleman about twenty-one years of age, and but very recently married. He has a large number of friends, who will deeply regret the occurrence of this sad accident, and sympathize with him in his suffering.
