

WEEK.

Leaving Benicia.

Mr. J. E. Crooks has sold his residence property on H and West Third streets to Mr. A. J. Samuel, of Fresno. Mr. Samuel is interested in horticulture and stock raising, and necessarily is absent from home a great deal. His wife and child will reside in Benicia, which will be Mr. Samuel's headquarters. The gentleman is a man of means and is well spoken of. By this transaction Benicia loses Mr. Crooks and his estimable family. Mr. Crooks, however, will visit his former home occasionally. He expresses great faith in Benicia, but informs us that the rapid advancement of the new bank at Haywards will take up much more of his time than was expected when the bank was started.—
