The Tuxedo Cleaning and Dyeing Works, Leary and Valdez proprietors, has opened at 319 Virginia street in the Leary building and the new firm is now ready to promise first class work on all orders. Pressing is a specialty and dry and steam cleaning of men and women's garments will be promptly attended to. Louis Leary, one of the proprietors, is a well known Vallejo man, and Mr. Valdez brings with him a wealth of experience in the enterprise.
