

1865 05 23 Hathaway in Suisun to Gray

Suisun, May 23, 1865,

Friend Gray: –

We have an invitation from "M.Charles" to attend the Annual Exercises at the Young Ladies Seminary, "to criticise or report." Now, we can't well go down now; but we would like a "report" for next week's paper, and you will confer a favor upon us (perhaps on the Institution, as well,) by giving us one.

By the way, I learn that C. B. Houghton is trying to get the nomination for Treasurer; and as his success would probably oust Mr. Riddell, it is suggested that I might reasonably try for the Recordership. Don't you think I'm a "dead cock in the pit"? Have you an idea of trying for the Treasurership?

Yours

E. E. Hathaway
