*Rev.do Brian,*

we attach to the present, a case with the relic "Ex Corpore" of the Blessed Carlo Acutis accompanied by the authentication having prot. 1.423, an image with the photo together with the prayer for the Canonization of the Blessed and a brochure illustrating the charitable works carried out by the sanctuary with useful indications for a possible free donation.

Assuring our prayerful remembrance, we ask that you accompany the work of our Foundation with prayer, inspired by principles of charity and evangelization.

We kindly ask you to inform us of the successful delivery of the relic to the email address from which you made the request or from the one you find at the bottom of the letter.

Best regards.
