Mark Webber, Daniel Ricciardo, Urzila Carlson and Sam Pang

What has surprised you most about working on the PDSC Committee?

Having been on the Committee previously I am aware of the all hard work that goes into running the PDSC – but what is heartening is that there a mix of the next generation (those born into the PDSC) and those who have joined the Club and together we can take the PDSC into the future

Why did you decide to join the PDSC Committee?

To contribute to a place that has been a big part of mine and my family lives to help ensure that many more families get to experience what the club has to offer not just in sailing but also in lasting friendships

What might someone be surprised to know about you?

I am a Formula One tragic

What do you do when you aren't at PDSC?

Watch every Formula One qualifying and race no matter what time of day or night .Go to the Freo games - I have faith our time will come, that or I am just insane.

What is your day job?

Install the NBN (the good one fibre to the premises)

What do you think the future of PDSC is?

I think the future of the PDSC looks bright, through the hard work and innovation from previous Committees, the present and future Committees are have been left a good legacy to build on and nurture
