Mr Chelsea Wescott

Dear Sir

Yours of the 8th is received
and you say that you will
pay us fifty cents on the dollar
well I am thankful for that.
but I want to reason with
you a moment you see Mr Wescott
our demand is small and we
have waited a long time and have
not made you any trouble or expense
and I think you had better pay
us the full amount. We have been
unfortunate in business and have
lost a quite a large amount and we
want every cent that belongs to us
that we can get. We are
willing to leave the matter with
over
