

WEST GOULDSBORO VILLAGE IMPROVEMENT ASSOCIATION

LIBRARY FUND RAISER

Whatever you can spare to refill our building fund will be greatly appreciated.

The stonework around the rest of the Library needs to be pointed-up in the worst way.

We have had good friends that have donated a large part of the money needed. We need about \$200.00 more to finish the rest of the stonework. It has been a huge struggle to raise the money for all the work on the Library.

Last year the Library was painted and all the windows puttied plus the gigantic task of rebuilding the steps and the balustrades on each side. Also, the right front has been pointed up. We need to go around the rest of the building.

We decided not to beg this year, but, here we are doing it. There really is a great need to finish this piece of work.

Please give or mail your donation to the Treasurer of the V I A, Annette King, Box 148, West Gouldsboro, Maine 04607
