Friend William

Some with statement of weeks
work is at hand. You have to buy
a cow and had better cut down
all round unless you have more
work to do. Can you not get Cornish
Cobbs? He is clearing up. He wants
you to run as long as possible and
put up all you can at the same
time employing only the requisite
amount of help to do it. If you
have set cows you had better
jack that size. Get Cornish
Cobbs if possible.

Yrs.

Dont ship the cheese till you hear
from me. unless you get an extra
chance as I am not quite ready for it.
