Friend Williams

We send by steamer tonight  
1 Box Solder for you or Coombs  
as which needs it most. We  
think Coombs will want it.

Tell Hutchins that we want  
him here Tuesday morning Sept  
3<sup>d</sup> and as many more dealers  
as you can send. If we want  
him before we will write. But  
he can come then if he does not  
hear from us

Yours truly
