

Portland, Me Sept. 21st 1872
Mr. M. Williams.
Dr. Sir. Gouldsboro, Me.

Katchings was promised a
job with you on lobsters when he
got through in Conn. Please give him
a chance. I hope that you will
be able to get lobsters enough to
keep things moving. We want
some claws if you can pack them
cheaply and well. Claws should
be purchased for 40¢ per bushel.
Can you pack any?

Yours
J. R. Saffin.
