Pastor or Building Committee.

Prospect Harbor,

Me.

Dear Sir,

We notice by the papers that you are building a new church. We make pulpit furniture and would be pleased to send you our catalogue when you are ready. We have one of the best lines in the country. Our work is first class in quality and we guarantee satisfaction. We deliver, so that distance will be no objection to purchasing in this market.

Hoping to hear from you, we remain,

Yours respectfully,
S. C. Small & Co.
