

Portland, Me. April 1871

Dear William
I have been thinking some
of the old Maine and
unpublished letters of the old
and the new type of
the old and the new
and the new will have
the old and the new in
the new and the new are some
of the new and the new
the new and the new are some
of the new and the new

Yours truly
William B. Page

Regarding cans

April 28, 1871

Friend Williams

I believe there are some of the old 2 lb. cans got mixed with the lot by "Sea Flower" this trip. If so, they have a * on the cover and you will have to look out for them in the Bath as they are some of the lot which caused so much trouble last year.

Yours truly,
