

Regarding Labor

Portland  
May 18, 1871

Friend Williams

-----  
We see by the report of work that you have 17 girls at work. This seems to us to be very large as Barbariek at Deer Isle has only 15 girls and is putting up over 3,000 cans per day. You must keep your expenses down as low as possible or Deer Isle will come out ahead this year.

Yours truly,  
Portland Packing Co.
