

The background of the image shows a row of old, leather-bound books on a shelf. The books are arranged in two rows. The top row includes books labeled 'TAX RECORDS', 'TOWN RECORDS', 'DEATHS', 'BIRTHS', and 'MARRIAGES'. The bottom row shows several books labeled 'TOWN OF GOULDSBORO'. The books have gold-colored lettering and decorative gold bands. A semi-transparent yellow rectangle is overlaid in the center, containing the title text.

About This Project

The records included in this project were scanned from a volume held by the Gouldsboro Town Office. In 2021, volunteers from the Gouldsboro Historical Society captured high resolution images of the content so that the information could be made available online and preserved in digital format.

For more information about the Gouldsboro Historical Society or to make a contribution to support their work, visit: www.gouldsborohistory.org

The "A" stamp refers to attachments and/or loose papers included at the end of the volume.

April 16, 1954

Dear Mrs. Grant,

I have checked the records of birth and here is the result. As you see there is a mistake in the number of children, apparently the one born 2/10/04 was #7 and I called it you as Grace said 1904. Was Ruth #6. There was no name for either of these. These are all the children of William and Emma Stewart recorded.

Sincerely,
Edw. S. Buckley

BIRTHDATE July 28, 1926 BIRTHPLACE Gouldsboro

The above named person has been (adopted) (~~legitimated~~). The attached is now the official record of birth. It will replace the record of birth which you now have on file.

The old record of this person's birth is now a "sealed record" by law and must not be disclosed to anyone except by court order.
