

Portland, Me. Oct 19 1872

Friend John

you Put up all
the Cans you can we want
some 1 lb^s Very much at
once. I shall send you some
1 lb Stud Cans by the schooner
But if you have 1 lb op tops
you can fill a few of them
before the studs arrive
Put in 11 ozs in 1 lb^s 16 ozs
in 2 lb^s. And the balance of
wait - in source. Put up
all you can to not interfere
with your Lobster

P.S. you & c Mr G Davis
Be Carefull to Bath and Handle
them so they will Keep (they are
bad things to Keep)

Write me what you
have to pay for them Mr
Bushell. And how many
do you get out of a
Bushell.

Wm. L. Young

Problem: Care in handling clams

Oct.19,1872

Friend John

You put up all the clams you can,we want some very much,at once. I shall send you some 1 lb stud cans by the schooner but if you have 1 lb of tops you can fill a few of them before the studs arrive put 11 oz in 1 lb 16 oz in 2 lbs and the balance of wait (weight?) in sauce.Put up all you can to not interfere with your lobster.

Yours

Wm G. Davis

P.S. Be careful to bath and handle them so they will keep(they are bad things to keep) write me what you have to pay for them and how many you get out of a bushel.

Wm. G. Davis
