Dear Miss Hartford:

For the past three weeks we have presented on the Radio over Station W N A C a Twinkie Town Santa Claus Program.

You, no doubt have listened to this program, or have had inquiries regarding it from your pupils, as we have had letters from a great many children in your vicinity. We offered prizes through this program for the best letters sent in, and a youngster who claims to be in your seventh grade class, Emma by name has been the winner of a set of our Twinkie Town Story Books. Emma did not write her last name on the letter, therefore we are forwarding you her books, and we would appreciate your kindness in giving the child the prize. Being unable to get in touch with Emma, we are not able to inform her of her good luck.

Sincerely hoping you and your class have a very Merry Christmas, we are

Very truly yours,
