Of all the humorists, Hood was the most practical. There is hardly a verse in which some touches of heart, or some play of fancy, did not beckon the laughing reader into far other worlds than the jester's.—*London Athenaeum*.

Verily, for light-hearted innocent mirth—a mirth, too, which often touches the heart as well as the imagination—Hood has left no successor.—*Albany Express*.

Thomas Hood, a most admirable fellow, with a warm heart, a sound head, a humor quaint and original, a disposition amiable and facetious, and a boon companion; a man of taste, feeling, and genius.—*Blackwood*.

STORY OF MONT BLANC. By Albert Smith. 1 vol. 12mo. Cloth. 50c.

This book is an admirable key to all the wonders of the sunlight and moonlight views of this snow-capped monarch of mountains.—*Saturday Courier*.

BALLADS AND POEMS. By Mary Howitt. With Portrait of the Author. 1 vol. 12mo. Cloth. 75c.

We cannot recommend too highly this publication.—*Albion*.

Her poems are all so graceful and beautiful.—*Mrs. S. C. Hall*.

LONDON: ITS LITERARY AND HISTORICAL CURIOSITIES. By F. Saunders, author of "Salad for the Solitary," etc. With numerous engravings. 12mo. Cloth. 75c.

There is no work written, to our knowledge, which furnishes a more authentic introduction to the heart of the English capital, than this attractive volume.—*Tribune*.

It is an excellent book, just such a book as every American who goes to London should take with him, and which any one can read with profit even if he has no intention to visit London.—*Dr. Baird*.
