Revenue From Pa Assessments Incre

Revenue from property
assessments in the State of
Maine for the year ending
June 30, 1955, was \$1,100,000,
an increase of \$100,000 over
the year ending June 30, 1954.
The increase was due to an
increase in the number of
properties assessed and to an
increase in the value of the
properties assessed.
