Letter from Miss Egan.

My dear Boys and Girls:

The "Wau Hi Flyer came as a glad surprise and I can assure you it found a very heart reception in my home.

This little paper is indeed a move in the right direction and I earnestly wish it great success.

I am glad to hear such favorable reports about the things you are attempting--and doing this year.

It is so splendid to hear of the High School Band and Orchestra. My only regret is, that I cannot be with you to appreciate and enjoy your music.

I expect to journey to Waupun Dec. 9 with the Wautoma Basket Ball teams where, we shall no doubt see two highly contested games. I am looking forward to this trip with a great deal of animation.

Enclosed you will find a check for one dollar and twenty-five cents (1.25). My subscription to the Wau Hi Flyer.

I shall expect to see you shining on Dec. 9.

Sincerely,
Mary Egan.

EXCHANGES

Ripon High is exchanging its paper "The Spectator" with us. They are using the same kind of machine as we are. The cartoons are promising but we might suggest that more could be used to good advantage.

Parties.

A large number of the H. S. students attended a party at the Congregational Church on last Friday night. The party was in charge of Miss Gifford and Miss A. M. Hughes.

Many of the games played were new to the guests, but this made them the more exciting and interesting. Ice cream and cookies were served for refreshments.

FRESHMAN CLASS PARTY

Last Friday night the Fresh enjoyed the first class party of the year. A large number of the students and several members of the faculty were present. Some lively games were played and ice cream was served for refreshment. The party lasted from 7-9:30 o'clock and from all reports it seems that every one had a good time.

Don't forget the game with WAUTOMA FRIDAY NIGHT. GAME CALLED AT 8:30.

TWENTY-ONE MORE DAYS TO MID-YEAR EXAMS. DO YOUR CRAMMING EARLY.
