ARE YOU ON THE

Of course you would not intentionally be "crooked" or unfair, but think over what you've done today and ask yourself whether in every way you were square. Did you take a book or pencil and neglect to return it--thereby causing the owner trouble in getting another? Did you borrow something and was the owner sorry that he let you have it? Did you promise a bit of help and forget to keep your promise? All these things and more make up the square deal. Remember every unworthy act of yours is duly recorded in your nervous system, making resistance harder each time you add to that record and relentlessly paving the way for the downfall of your honor. BASKETBALL SEASON OPENS

The basketball season opens this year with a game with Wautoma on the home floor. This is the first game of the season and now let's show our school spirit, everybody cut, and cheer for our team. If we back them they'll do the rest. Let's show them that we believe in them and trust them to win. If we are there to give them a cheer when the other side makes a basket, we help to put new pep into the team. We want the Freshmen as well as the upper classmen. Don't be afraid, remember you're about the biggest factor in High School, so you ought to be able to make the most noise. There are probably some who don't think it worth while to come; just try it and we'll promise you plenty of excitement and fun. We ask those outside the High School also. Come and be kids again, cheering for old Waupun. If----just we should lose this game, but we are sure we won't, don't back down on the job, keep on "a-comin!" Boost Fellows, Boost And We Will Win.
