... SAMOYEDS ...

Hi folks! This SHOULD have been a special representative issue for Sams — for August IS an "Anniversary" in our breed.

Our picture this month is belated to be sure — but we dedicate it in memory of Rokandi II Prince of Yukon. "Rocky" has been sorely missed these past weeks by his folks and his Sammy pals, Little Dare and son Ronnie.

But now tragedy has truck again! For Art Thayer (one of Rocky's folks) suffered an early morning heart attack on Tuesday, July 23rd, leaving a sorrowing partner, Ed, and grieving Sammy pals.

What more can we say? Our members of the Northern California Sam Fanciers Club, of which Art was a member, offer sincerest sympathy to his family and friends. He will be greatly missed by all.

Had hoped to give you the story of a northern dog show "safari" taken early in July by a group of Northern California Sam Fanciers, among them Mrs. Dan Morgan, President of the Club, and Miss Helen King of Southern California. The report just came in so we can give you some of the wins:

WB and BOS, Tinka's Leina. Reserve, Alta of the Deep Powder.

The following day, July 9, Elsie Murray judged the 5 Sams entered at the second Kamlooper show. Placements were duplicate wins of the earlier show.

It scarcely seems possible that July 9th was the anniversary of the sudden passing of the Dan Morgans' beloved D'Alexius Duffy - at only two years of age.

Can anyone please tell me WHY a judge should try to encourage Sams to simulate a fight in the ring? Sure, we want Sams to be "live-wires" — but fighters?? — NO!!!

We've lots more show wins to report (see September WKW).

Mrs. Jean Brown (Snomesa Sams) of Louisville, Colorado is happy that Ch. Sam O'Khan's Ghingis Khan has won his 5th Best in Show win. He is top winning Samoyed in the United States for 1966-67. Only his Snomesa mates' grandsire, Ch. Starya of Kobe, has won more Bests in Show (12).

That's it for now, folks. — V.L.
