SAMOYEDES

By Miss Vera H. Lawrence

Although we were unable to attend the Santa Cruz Show of July 25, 26, we are able to report, through the kindness of Mrs. Nix, whose husband judged Sammies, that only one appeared for honors, that one was Jack Frost of Sacramento, owned by Mr. and Mrs. E. L. McCleary of Sacramento. Of this dog Mr. Nix says, "a very nice dog."

We are looking forward to the Neptune Beach show and hope to have a full slate of Samoyede entries.

We have just received from Mr. Charles Whitehead of Menlo Park, several fascinating pictures of 13 month old Judge (Maelchek ex Karan's Snow Sprite), one of which we are submitting for our readers. Mr. Whitehead says, "Judge is full of pep and seems more of a pup than when we brought him home."

We might add that Mr. and Mrs. Whitehead have been ardent readers of Western Kennel World for some time, and have now joined our ranks of subscribers to the magazine. Welcome, folks—and thank you.

Another fascinating picture lying before us, sent by Mr. Paul Stang of Mill Valley, is of 5 chubby Samoyede puppies, with paws hanging over the edge of a wicker fern stand. This picture she appropriately calls "Paws". These bits of Sammy children were whelped by Mrs. Stang's Empress Zita and sired by Maelchek. Mrs. Stang tells us, "Zita is surely a healthy dog, and her pups, 3 males and 2 females are as far as we can see, mighty fine looking babies."

"Zita, by the way, has stretched every way, but is now putting on weight and getting the silver back in her hair. We surely hope we can get her in condition for the September shows."

We hope so, too, Mrs. Stang, for we are anxious to have a fine benching of Samoyedes at Neptune. It's a one-day show, to be held on the green, and will be easy on the dogs as well as their exhibitors.

Once again we are delighted to have news from Mrs. Horace Mann of Trenton. About the Rumson, N. Y. show. Mrs. Mann says "there were 5 different exhibitors, with seven dogs. Mr. F. B. Eddy had Zorya and there was a young son of his owned in Red Bank, then a female from Brooklyn whose mother was a Laika dog. Mr. H. S. Sutton had 3, Rebinock, Boscha and a young son of Ch. Yorza and Ch. Gorka's Sneg. Rebinock was best of Breed with the 9 months old son of Yorza and Sneg as reserve."

"My White Sprite of the Artic was winners bitch. It was a very nice show, and we were entertained to a delicious luncheon at Mr. and Mrs. Eddy's."

We trust that Mrs. Mann had a very restful vacation up in the Adirondacks, away from the intense heat.

Mrs. Evelyn Downing of Louisville, Kentucky whose charming puppy picture of her Imp. Snow Finn of Farningham appeared in the July issue of our Western Kennel World, tells us "I was so pleased with Snow Finn's appearance in the Western Kennel World. It is very good, I believe I read every word of it."

Another delightful picture which we received recently is of Mr. Donald Renshaw's Karon Chita. It shows Chita with two of her playmates, Bonnie Lassie and Bonnie Jean, which, strangely enough, are two rabbits.

To all appearances, Chita is very fond of her playmates, guarding them as though they were her own.

This picture will probably appear in an early issue of Western Kennel World.

From the July Samoyede Club Bulletin, sent by Mrs. Quereaux, we quote:

"The Madison show, as always went off with a bang keeping up its record for being bigger, better and more beautiful each year. The Samoyede Club has much to rejoice over where this show is concerned, for while our good friends and largest exhibitors, Mr. and Mrs. Harry Reid of Norka Kennels were prevented from making an entry because of a

death in Mr. Reid's family, we yet managed our quota and kept our standing, but this in no way lessened our regret over the absence of the Reids.

"This show completed the championship of Mrs. H. S. Harris' imported Ice Crystal of the Arctic, a very good and attractive bitch just about 4 years old.

"Two fine dogs came in from the midwest, Mrs. A. L. McBain's Ch. Tangara, in a very good class indeed, and Mr. Brott's Dobrynia Boy, not a year old, which toted home the reserve winners prize while the litter sister Dobrynia Girl, also owned and bred by Mr. Brott, equalled the record by winning the reserve winners bitch prize.

"Mr. Miles R. Vernon judged, Mrs. Horace Mann ring stewarded and everyone was delighted to see her again at a show."

Specials, Mr. F. Jeckel's Duke of Norka, best of winners.

Miss Grace Valentine's Silma of Norko, best American bred bitch.

Mrs. Harris' Sucha, best Novice.

Miss Valentine's Ivan of Norka, best American brede dog.

Regulars, Winners dog, Duke of Norka. Winners bitch, Ice Crystal of the Artic.

Reserve, Dobrynia Girl.

Reserve, Dobrynia Girl.

Best of Breed, Duke of Norka.

Mr. Frederick A. Percy of Buffalo, N. Y. has secured from Col. Alexander, a son of Galka, sired by Grishka, a grandson of Tiger Boy. It is not Mr. Percy's first Sammy, but is named for his first, and is Stutton Jocko II.

Postchester Show wins: Winners dog, Sucha; Winners bitch and best of breed, Ice Crystal of the Artic. She also placed fourth in the working group.

This win helps the breed the most. Ice Crystal—here is unquestionably a bitch to be reckoned with in any show calculation. To date she is making a record hard to beat. We congratulate Mrs. Harris and hope to see some of her own breeding top the record.

There are many more items that we should like to include, but lack of space due to lack of ads, forces us to reserve these for another issue.
