CHAMPION SILVERACRES KANDI BEAR
OFA-SA-599

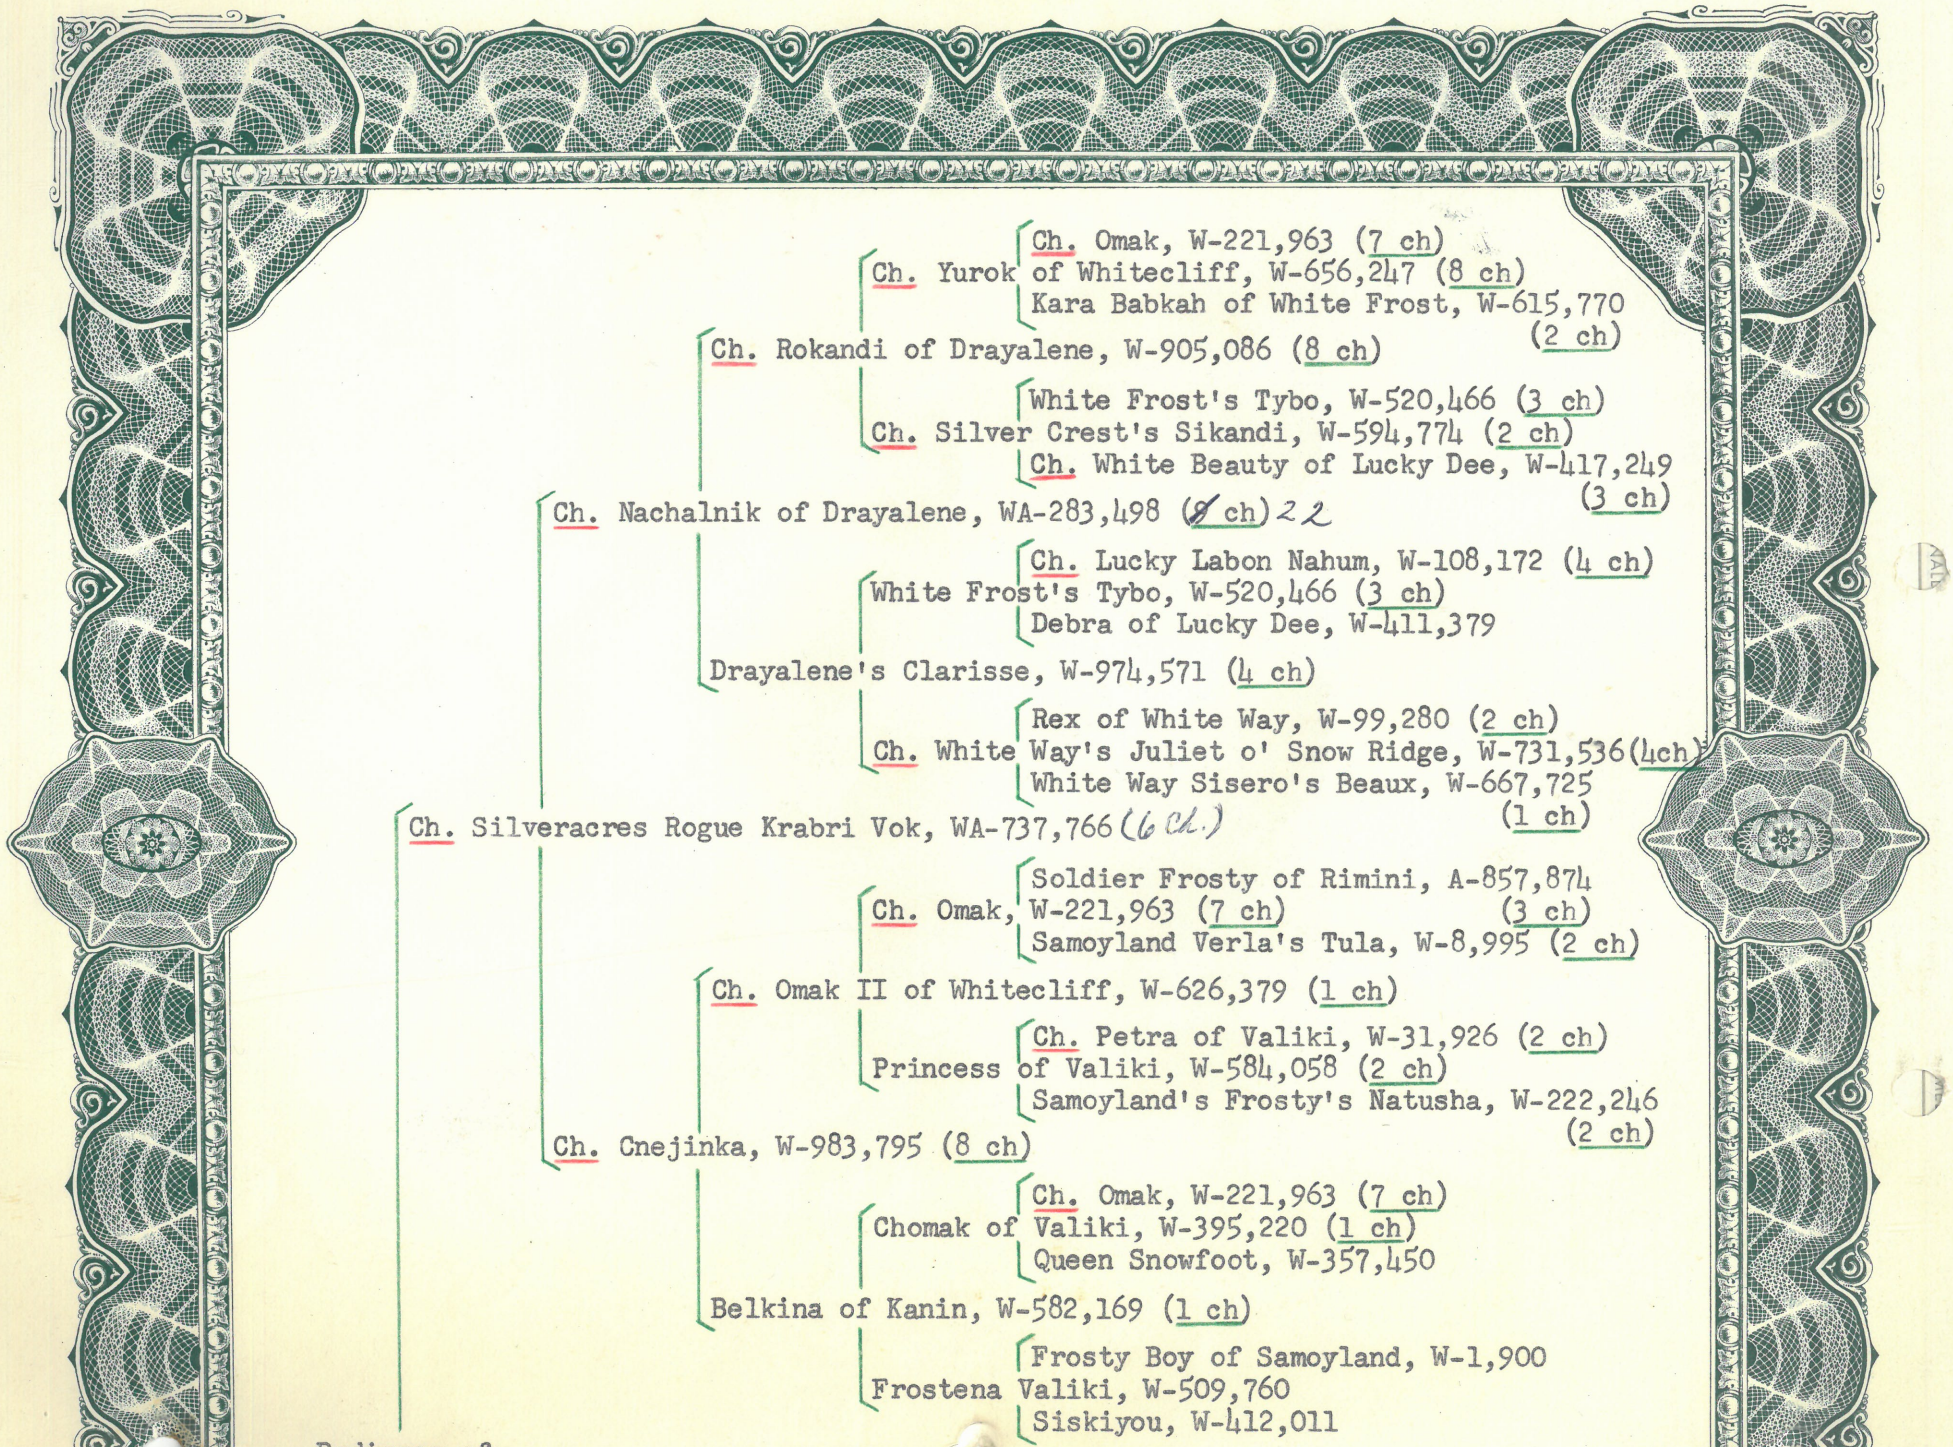

Kandi was a medium sized girl of 21½ inches and weighed about 47 lbs. She was shown a total of 8 times for her championship, mostly from the puppy class. She was Harold's favorite bitch. She was bred to Chief and produced one puppy. She was then bred to Teddy and produced 2 litters. One litter was of three puppies and both males finished as well as the bitch was pointed but we lost contact with the owner. Again bred to Teddy she produced 6 puppies and we have Karisma, Skandi and Natja pointed from that litter.

Kandi was put down in January 1979 after she became paralized following a stroke.
