CHAMPION SILVERACRES CHARM
OFA-SA-15

Charm was a 22 inch bitch that weighted about 50 lbs. She was my favorite bitch. She was sold to a very good friend, Juliette Chessor in Canada when she was a year old but with the agreement that if anything happened to Juliette, Charm was to return to me. She came home a year later after Juliette's death. She was bred the first time while in Canada to Silver Rocket of Wychwood. We got one Canadian champion from that breeding and one major pointed in the US. She was then bred to her sire, Chief and produced 3 puppies. One of these became a champion with one other major pointed. She was bred the third and last time to Ch Wyntercloud of Silvermoon and produced 5 puppies. She was a fun girl to show and so was retired from the whelping box and specialed. She was shown mostly as a Veteran at the National specialties. She was BOS at two specialties.

"Charm"

Charm was from the first all OFA normal litter of any breed. It took only nine shows to finish her American championship. She finished with two five-point wins and two four-point wins. She was Best of Breed over three Specials the day she completed her championship and then went on to a Group placement. She received seven Group placements during her career. She was BOS at the SCA National Specialty in 1972 and was BOS at the Washington State Specialty in 1970.

Charm was sold to a very dear friend (Juliette Chessnor) in Vancouver, B.C., Canada at less than a year of age. Juliette passed away about a year later and Charm was returned home to Silveracres.

She was bred a total of three times. Her first litter was whelped the year she lived in Canada, when bred to Silver Rocket of Wychwood. Her second litter was sired by her sire, Ch. Nachalnik of Drayalene. Her last litter was sired by Ch. Wynterkloud of Silver Moon.

She is in many pedigrees through her thirteen puppies. Her best known get was probably Am. Can. Ch. Silveracres Winter Chief. ¶¶
