Congratulations to Walt and Janet Kauzlarich of Fremont, Calif., the owners of 'Ko Ko', Drayalene's Rocotta of Kauzja, their 2-1/2 year old Sammy bitch who completed for her championship at the Sacramento Kennel Club show on April 18, 1965.

Born September 10, 1962, sired by Ch. Rokandi of Drayalene out of Drayalene's Clarisse, Ko Ko has a record of which to be proud, having taken altogether 11 Winners Bitch wins and 6 times BOS.

A note from Jan tells us that Ko Ko had been out of shows for two months previous to her appearance at Sacramento because of a sprained foreleg. "Twice we have had the leg almost mended and she has reinjured it by pure liveliness. She didn't slow down one bit—would rather run and leap than walk anywhere. We confined her, which just made matters worse. She is an extremely curious and enthusiastic dog, which is great for a house dog and in the show ring, but not so great for a convalescing, orthopedic case", says her owner.

We are delighted to present the picture of Ch. (pending AKC) Drayalene's Rocotta of Kauzja, the Pacific Coast's Sacramento show winners' bitch.

In reporting the Sacramento Samoyed wins, Mrs. Dan Morgan writes that most of the credit for Ko Ko's win should go to "Jan", who did all the grooming and showing. On top of having walked away with the WB win, Jan also took RWD with their male, Sno Kandi's Hondo of Drayalene - first time she has shown him.

Report on Sam winners at Sacramento show, April 18, 1965, Judge, Mr. Chris Shuttleworth. 28 Sams entered, 3 absent, 14 males, 9 females and 5 Specials. WD, BW, Caroll and Vivian Anderson's Sun Valley Snow King, C.D. (Ch.

Mrs. Morgan notes that the WD and WB at Sacramento are litter brother and sister.

Another interesting note, this from Jan Kauzlarich, "In northern California something has been missing for the past couple of years in the Samoyed ring. Something missing that NO ONE is going to try and bring back — those women handlers in slacks.

"The general appearance of Samoyed owners at ringside and in the ring has improved so much. And not only the ladies — the men have been appearing in white shirts, sport jackets and business suits. Looks like the Samoyed owners have learned that the Sam isn't the only one that needs to be well-groomed!" (And what an improvement!)

The following news comes from Mrs. Carol Middleton, to whom we say "Congratulations". "Middleton's King Vahta, a 1-1/2 year old male, owned by Roy and Carol Middleton of Pleasant Hill.

"King (as he is called around home) has been shown just one year, beginning at Oakland in 1964 where he received his first blue ribbon. Since that time he has been shown just in this local area, not having to travel over 75

miles from home, and has received 5 firsts, 2 Winners, 1 Reserve, 1 Best of Winners, 1 fourth and 1 complete dumping. At his last show, which was Oakland, he received his first major show along with 3 points to add to the 1 pt. he got at Pleasanton last August.

"The Middletons are quite proud of King as they are unable to travel too far from home to attend shows and figure they have done well with him in this immediate area."

Middleton's King Vahta was born Sept. 9, 1963, sired by Ch. Shoshonie of White Cliff ex Yukon Princess. "King" was the WD and BW at the recent Oakland show, March 28, 1965.

Mrs. Mary Miller of Union City, Calif. sends the following story of "Hondo":

"Arriving at the home of Walt and Jan Kauzlarich one Saturday night, the first words we heard from Jan were "You can't have him". My husband Bill's answer was, 'But we can't stand it any longer, we have to have him back.' We had just that same Saturday morning taken our Snokandi's Hondo of Drayalene to his new home at Walt and Jan's. Back home again we missed him so, and saw him everywhere we looked. So back we went to bring him home again.

"Earlier, the unhappy day had come when we realized we would have to part with one of our beloved males, Snokandi's Tybo of Drayalene or our Hondo. They refused to get along; many hardy fights had to be broken up. As a result of this one of our males was always on the outside looking in. The young lady in our family, Silver Snokandi, and one male at a time could be inside with us, while either Tybo or Hondo looked in with sad eyes from the outside.

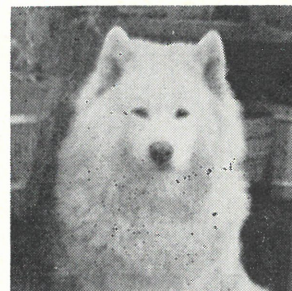

"Walt and Jan had often admired our Hondo, and we couldn't think of a better home for either dog. Plans were made, but we just hadn't realized how empty our home would be without Hondo. So back home he came and also back to the same problem. At home with Walt and Jan were their three females, Rocotta, Ki-Ki and Cookie. Hondo would never have to be shut out again.

"Monday night found us back at Walt and Jan's door with Hondo, and there he has been very happy and contented ever since.

"The decision to part with a loved dog is a heart-breaking one. However on our visits to Walt and Jan's we see a happy Samoyed getting his full share of love and attention, never shut out. The girls love him, as does 'Grey dog' the Kauzlarich's cat. Although we still miss him, we are content in the knowledge he is happy and has the best of homes.

"Hondo will be in the show ring before too long. He is a beautiful, elegant dog with an abundance of coat and we feel sure he will do well."

Notes From Our Readers

Nancy Foster of Houston, Texas, writes that it was almost a year ago that she wrote me for information about locating some Sam breeders in the Seattle Area from whom she could purchase a pup. She adds that she still has the list I sent. One night she got out to a phone booth and called all parties on the list. Of those whom she called, all referred her to Mrs. Robert Bowles who owned a litter sired by their Ch. Noatak of Silver Moon. There were only three females left of the litter. Having never owned a Sam, Mrs. Foster asked Mrs. Bowles to make a choice for her — which she did — "and not only that, but she explained some of the fine points to look for in a Sam. "As a result, I now have a real beauty in a 10-1/2 mo. old Sam."

She is now living in Texas — believed to be the only Sam there.

And now, early in March, Mrs. Foster con-

tacted Mrs. Mabel Dyer of the Caribou Kennels in Idaho, and if all goes well, "a new little Sammy boy will be arriving at the Houston International Airport. He is a son of Ch. Shondra of Drayalene and Ch. Muushka.

In speaking of her delight in reading the Sam news in WKW, Mrs. Foster also regrets (as do many others who have written me about it) — the failure of the magazine to appear during its scheduled month.

I can only tell these kind folks, that from what I understand, conditions at the print shop have been so overloaded that everything has been slowed down. I can only hope that you kind folks can be patient a while longer, beyond that there is nothing that I can do — (all my work for our Sams is done here at my home) and it really hurts to realize how you must feel about the situation. Patience a while longer, PLEASE?

[Many thanks to you kind Sammy Folks for your patience this past year for your faith in W.K.W. The switch to the wonderful world of automation has thrown us for a loss—but by the time you read this August will be on the Press and in the mail in August—No days off for the key plant auto. crew until we are back on schedule !!!—Bruce R. Burket, Publisher]

A letter from Larry Volz of Campbell, Calif. tells of having visited the Keeshond kennels of Ralph and Charleen Sims of Saratoga, Calif. while trying to decide what breed to buy. They finally chose the Sam on the advice of a Veterinarian, who spoke of the Sam's excellent temperament as being ideal to be with children. He added, "However, I do feel that you either get a good tempered dog or you don't in most any breed. Our neighbor's Dobe is a jewel. The most flawless performance in Obedience I have ever seen was a Keeshond at U. D. training."

The Volz' have recently acquired two more Sams — and after X-rays are taken they plan to try at producing some good puppies. If the dogs shouldn't do well in conformation classes at shows, they will at least receive full training in C.D. Obedience training.

Good luck, folks, in your efforts!

"Kennel Club Holds Canine Fun Match"

Such is the title of a newspaper clipping from Cottage Grove, Oregon, sent me by Peggy McCarthy of Dexter, Oregon.

"About 110 dogs invaded Cottage Grove on April 25th — for its semi-annual fun match. 'Snooky' a Samoyed owned by Peggy McCarthy walked off with top honors for the day in conformation competition.

"Snooky defeated 110 purebred dogs of 39 different breeds for the Best in Match trophy. This sanctioned AKC show did not allow cham-

pionship points to winning dogs, but allowed puppies over the age of 3 months to compete. It was staged at the rodeo grounds. 'Snooky' is by Karasam of Misty Way ex Ch. Tempest of Misty Way. The picture of 'Tempest' shown in Mrs. McCarthy's Ad. was taken at Klamath Falls, Sept. '64, where she went Best Opposite Sex under the late Judge Kenneth Dyer. She was born Nov. 17, '61 at Eugene, Oregon, a daughter of Kobe's Sir Tinker of Encino (a son of Kobe's Misty Way (Sir Frosty of Misty Way ex White Lady of Tinker-belle).

There are some beautiful Sam puppies at Misty Way kennels — not a shy one in the litter. At 3-1/2 weeks old the males weighed over 5 lbs. and the bitches over 3 lbs.

See Mrs. McCarthy's Ad for news of the expected arrival in late May of a litter of Great Pyrenees puppies.

Here's a good story about Rocotta sent by LaVera Morgan, to give you a laugh. "Ko Ko" as she is called, is never at a loss to find something to do. This time Jan Kauzlarich was at work — and husband Walt was busy around home. Suddenly he heard a noise in the kitchen. He rushed in — to find the new champion, Ko Ko, standing in the kitchen sink, eating **hard boiled eggs** — shell and all! Seems she ate 3 of them — wouldn't even share them with "Cookie", Ki Ki or Hondo! What a gal!

A clipping from a February copy of the Free Press of Canada with a picture called Top Dog says:

"An Alberni canine, impressively named Mr. Silver Showman of Totem, has been declared the top winning Samoyed in Canada."

Mr. and Mrs. H. D. Bishop, owners of the two year old champion, were officially notified by the Canadian Samoyed Club in Toronto of an appropriate trophy to be awarded at the Sportsman's Show in Toronto. "Mr. Silver Showman" won his first show when he was 3-1/2 months old, by winning Best in Show in Parksville. He has been shown 14 times as a champion, winning the breed 12 times and to crown off his glory, it is the first time a Samoyed in Western Canada has won the top dog award for the Nation."

Do You Believe Your Samoyed Can Think?

The above question has been sent to me by Mr. and Mrs. John Decker of Canton, Ohio, and it offers an opportunity for our readers to give their ideas on this often debatable question. How about it folks — won't you write us your ideas on this subject? Another question — "How about temperament? Is it the result of heredity or environment? Which has the

greater influence? We feel sure that some of the older breeders (length of ownership of Sams) could enlighten us newcomers in things like this", they add. So folks, how about it, won't you write us your answers? Do **your** Samoyeds think? What makes your answer "yes" or "no".

Mr. and Mrs. Decker have owned a male and female Sam for almost a year (the sire of their male, Wildcliff's Czar of the Sea, was the famous B.I.S. winner, Cliff Cabe's late Ch. Joli Knika).

The puppies were shown in several puppy matches last year, and did very well for themselves. They are now being readied to take part in the regular conformation shows. The Deckers add that as both they and the dogs are inexperienced they will probably have some fun learning to show. Both of the dogs are grandchildren of Ch. Starya of Kobe and Ch. Ice Mist Beauty of Kobe.

The New Zealand book gives pictures and information of the dogs in their pedigree. The dam of the male, "Starletta of Chienne d'or", is shown as a puppy, in the book, and the Deckers have hopes that "Czar" can do his part to help pass on and perpetuate some of the traits and quality of his sire, Ch. Joli Knika. The sire of the female is Ch. Kalinas Columbus. Ch. Cris and Starletta are both owned by Karleene Morrow of the Wildcliff by the Sea Sams in Oregon.

And now, Mr. and Mrs. Decker are anxiously awaiting the time when that new litter of puppies at Billie Tucker's Encino Kennels are old enough to move. They hope to choose a daughter of Ch. Winter Trail Blazer and Ch. Babbette of Encino — there are 2 females and 5 males in the litter.

We hope to give you more about her, bloodlines, pictures and all, after the pup arrives at her new home.

Here is a report of the winners at Pittsburg, Pa. show of April 3rd, sent to us by Mr. Decker.

WD, BW, Sue Page's Singing Oak's Chay. WB, BOS, Gregg Cora's Bonneville's Tamara. BB, Bernice Helinski's Ch. Winter Cloud of Silver Moon.

Many thanks to Mr. and Mrs. John Decker of Canton, Ohio for their news and many helpful suggestions — and Good Luck, folks!

Thanks to Freda Bastian, owner of Ala-Cryss Samoyeds of Anchorage, Alaska, for the report on the Alaskan Kennel Club show — its 25th All Breed show, held April 25, 1965.

There was an entry of 13 Sams, 10 dogs and 3 bitches, judged by Mr. Chris Shuttleworth. WD, BOS, County Lucky of Kolyma, owners Dolores and Francis Larkins. WB, BB, was Mrs. Bastian's Soraya of Ala-Cryss. RWD, Jean and Arthur Hunt's Hunt's Willawaw, RW

B, Hunt's Wakanawaw. There was an entry of 5 puppy dogs — all about 9 months old. The 1st place winner was Massa and Bernice Monamad's Shiek Shref of the Sahara.

This show completed the championship of "Kaya" with 18 points. They were all major wins.

Mrs. Bastian has entered two pups in the Fairbanks show, so there is much training to do. Lots of luck folks, and we'd love to see those pictures.

To those in No. Calif. who may be interested in obtaining a Sam bitch puppy, Mr. and Mrs. Wade Powell of San Rafael have 1 female left for sale at present. She is sired by Ch. Prince Tyson of Snow Ridge.

There will be a new litter available in June out of Bonnie Lassie and sired by the Dan Morgan's show winning Ch. Darius King of Snow Ridge.

See Powells' Ad. in this issue and please note their correct telephone number.

Ch. Prince Tyson of Snow Ridge was BB at the Oakland, Calif. show in March, and placed 4th in the Working Group. This was a most satisfying win, as Tyson has been working on Madain Druse's sled team all winter. Just came home for the show and went back to the mountains immediately after; then back again to attend the Sacramento show. While in Sacramento Leona (Mrs. Powell) enjoyed meeting with Mrs. Agnes Mason and "talking Sams" again.

We are indebted to Miss Ruth Kilbourn of Chicago and Mrs. "Jackie" Gradt of Itasca, Ill. for a marked copy of the catalog of the great International Kennel Club show of Chicago, April 3rd and 4th.

There were 28 entries, which was pretty good considering that the Eastern Division, SCA had its Specialty at Pittsburg, Pa. the same day, with an entry of 22 Sams (See Mr. Decker's report on the winners at Pittsburg).

Miss Kilbourn wrote that the Sam entry at Chicago show was an undeclared Memorial to the late Miss Juliet Goodrich, one of its most ardent sponsors of previous years.

There was an entry of 8 dogs, 7 bitches and 13 in Specials Only. WD was Lowell and Cheryl Sandersfeld's Sno Storm of Silver Moon (Ch. Noatak of Silver Moon ex Ch. Silver Moon). RWD, Dr. and Mrs. David Stanford's Boris of Lassen View (Ch. Yurok of White Cliff

It might be interesting to West Coast readers that the WD, RWD, and BB were Pacific Coast bred — the BB from B.C., Canada.

One of the most appealing Sam pictures (in color) has come to me from Mrs. Bernice Helinski, of Wayne, N.J. It shows "Kloudi" (Ch. Wynter Kloud of Silver Moon) lying on the floor surrounded by a bevy of cute Sammy pups, sired by him and out of Wynterland's r-ayna Sno Mist.

Of these puppies, born December 20, 1964, Mrs. Helinski writes: "On that early Sunday morning, Tyna presented us with 5 beautiful healthy puppies, 3 boys and 2 girls. Later in the day, when everything was in order in the nursery, Grandma Joh-Ni (Ch. Duchess Joh-Ni of Silver Moon) and Daddy Kloudi were allowed into the nursery to greet Tyna and admire the new puppies.

"All the puppies have now gone to new wonderful homes, where they are being cared for and all owners are keeping in touch as to their growth and progress."

March brought sad news of the scourge of Hard Pad (distemper) that took the life of Connie Richardson's Tami (litter sister to Tyna), only 20 months of age, who had so much to offer our breed. At about the same time Jim and Joan Sheets lost their beautiful 8 months old bitch called "Joy".

Sincere sympathy to these folks who have lost so much in the passing of these fine Sams.

Some Late Show Reports sent by LaVera Morgan: Menona Kennel Club at Santa Rosa, Cal. May 8th had an entry of 8 dogs, 5 bitches and 4 Specials. WD, BW, Walt & Jan Kauzlarich's Sno Kandi's Hondo of Drayalene (Ch. Barceia's Shondi of Drayalene ex Roketa of Drayalene). RWD, Boris of Lassen View (Ch. Redwood Empire Kennel Club, Petaluma, Calif., May 9, had an entry of 9 males, 6 females and 3 Specials for Judge John A. Cuneo. WD, BW, Sno Kandi's Hondo of Drayalene.

SUMMER—the season when children slam the doors they left open all winter.

"The conscientious father was dispensing advice to his son who was about to be married.

"Co-operation is the foundation of a successful marriage," pop said solemnly. "You must do things together. For instance, if your wife wants to go for a walk, go for a walk with her. If she wants to go to the movies, go to the movies with her, if she wants to do the dishes, do the dishes with her." The son listened dutifully, then asked: "Suppose she wants to mop the floor?"

Farmer to his wife: "Now that we've struck oil you're going to have some decent clothes."

Wife to farmer: "Nothing doing! I've worn decent clothes all my life. Now I'm going to dress like other women."
